END THE WAR NOW!

"We recommend

that the President take the lead in explaining to the American people the underlying causes of campus unrest and the urgency of our present situation....

"To this end, nothing is more important than an end to the war in Indochina. Disaffected students see the war as a symbol of moral crisis in the nation which, in their eyes, deprives even law of its legitimacy."

---From the Report of the
Presidential Commission
on Campus Unrest (1970)

President Nixon ignores this solemn warning from his own investigators...and America's worst crisis in thirty years continues.

President Nixon talks about peace...and the slaughter in Indochina continues.

For 55,000 American G.I.s, there will be no homecoming from Vietnam...ever.
