READY MONEY

\$\$\$

— \$\$\$\$ —

The need for ready money often arises unexpectedly. If borrowed it is often inconvenient to repay it within a short time. The Neenah-Menasha Finance Co. will make a loan for \$100.00 or more and, ARRANGE CONVENIENT MONTHLY PAYMENTS over a period of TWELVE MONTHS. This arrangement has been found very convenient for hundreds of residents of this vicinity. The payments are small and are made from salary or wages as earned. This plan avoids any large payment, which one could not make, coming due all at once.

This company is owned by the business and professional men and women of Neenah and Menasha and not by outside interests. During its existence of four years it has earned the good will and gratitude of several thousand people, including business and professional men, those working in factories, offices, stores and in every vocation.

If you are unacquainted with the convenience of the **MONEY LOANING SERVICES** of this company, we should be pleased to have you call at our offices at any time.
