#### ENGLISH TRANSLATION

Once there was a man who lived by himself in his house; he made his living by hunting different kinds of animals.

Once while hunting, he got lost and met a bear. He intended to shoot the bear. The bear stood still and said, “Don't kill me; I know where you live; I'll take you right home.” So he didn't kill the bear.

He said “This way, let's go.” So they went. The bear said, “Show me that gun.” Then he gave up the gun and we never saw that mighty hunter again. Be careful of those you don't know.
