The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# For FREQUENT ANTACID MEDICATION

Where the administration of an alkali at short intervals during the day is desired, Phillips' Milk of Magnesia Tablets are preferred for ease of administration, palatability and convenience.

Each tablet equals one teaspoonful of Phillips' Milk of Magnesia.

Adult dosage:

*As an antacid—*  
2 to 4 tablets

*As a gentle laxative—*  
4 or more tablets

## PHILLIPS' Milk of Magnesia

Prepared only by  
THE CHAS. H. PHILLIPS CHEMICAL CO.  
New York
