P.T.A. ELECTS OFFICERS FOR 1940-41

At the P.T.A. Meeting last Monday night the following officers were elected- President, Mrs. William W. Morgan; First Vice-president, Mrs. William Phipps; second vice-president, Mrs. Donald Gates; secretary, Miss Virginia Hart; treasurer, William H. Freytag; historian, Mrs. G. Van Biesbroeck.

Dr. A. H. Edgerton of the department of vocational guidance of the University of Wisconsin gave a very interesting talk on "Finding Your Place in the Scheme of Things" and afterwards had a round table conference with the members of the senior class who were guests of the association.

A little over a decade ago "jobs" were seeking the young folks just out of school; today there are 78,000 unemployed young people in Wisconsin alone.

College training isn't a solution of the problem; 20 % of those in college should not be there. There are thousands of jobs now open waiting for qualified persons to fill them. Some of them require not only technical knowledge but the right kind of personality- ability to get along with people. That faculty is rated by some employers as high as 70 %.

The outlook isn't altogether discouraging but young people will have to be more careful about the selection, and training for their life work.

YERKES NOT TO MOVE IN IMMEDIATE FUTURE

In a letter from Dr. O. Struve to Dr. W. W. Morgan is the following paragraph "No immediate change in the status of the Yerkes Observatory is contemplated. The University of Chicago administration will not make a change without carefully studying all aspects of the situation and certainly the final decision will rest with the astronomers."

This controversy over the possibility of moving arose from an interview given the press by Mr. Stark, a regent of the University of Texas.

There is a great field for the Observatory yet hardly touched in making possible its telescopes and equipment for small colleges and universities for special study.

BIG FOOT CURIO SHOP TO OPEN
THIS WEEKEND

The Misses Ethyl Lyon and Winnifred Janison spent five weeks this winter in Mexico on a buying trip.

They so enjoyed their newly purchased home on the lake shore in Lake Geneva Manor that they made the trip as short as possible.

They were at Taxco where Silver Jewelry was purchased, Toluco where Indian baskets made by the Ottomi Indians and Aztecs are marketed and several other Mexican villages. At Mexico City the largest display is to be found.

The Indians come to these trading villages, sometimes bring the output of a whole season on burrows and trudge along beside them for a distance of 50 miles.

THE SKEETER CLUB HAD NOT ONLY SUCCESSFUL SEASON AMONG THE MEMBERSHIP BUT PUT WILLIAMS BAY ON THE MAP AS A WINTER RESORT.

With the publicity in all the papers telling of the Northwestern Ice Yachting Ass'n Regatta on Jan. 26-28 and the International Skeeter Ass'n Championship Regatta on Feb. 3-4, Williams Bay came to the fore this winter.

Much credit must be given to the untiring efforts of the officers and members of the Skeeter Club which calls Williams Bay its home.

As a matter of record I am pleased to give the final rating of the members in their sailing for the season.

BELFRY PLAYERS HAVE NEW TICKET PLAN FOR SUMMER.

Those who have had the experience of being disappointed in an attempt to secure late reservations at the Belfry Theatre plays will be most interested to learn that a new method of handling ticket sales has been devised, with an eye to eliminating the uncertainties of the former method.

In the first place, the sale of season tickets will be restricted to 250, and those season tickets will be held at the theatre office, so that reservations on season tickets may be marked paid as soon as the tickets are set aside, and all such reserved seats held at the box office until called for.

All other reservations will have to be paid for or picked up at least twenty-four hours before the specified performance, or those tickets will be released for sale to the public.

In this way, it is hoped that the season ticket owners will benefit by not having to appear at the theatre to claim tickets until curtain time, and those not paying for individual performances will know twenty-four hours before the production whether there will be seats available for them.

Announcements for the seasons plays and dates have gone to press and will be available by May 15th.

RESPONSE TO REQUEST FOR PAYMENT OF SUBSCRIPTIONS TO "BAY LEAVES" has been very encouraging.

There is a rising market on paper and your dollar sent now goes quite a bit farther.

For the benefit of those who are not subscribers, we beg to inform you that a dollar sent now will pay for the copies from now to May 1st, 1941. You get all summer copies at your summer home and many copies during the year.

A LETTER FROM CHINA

Mrs. Margaret Perkins has received
some letters from Marion and
Jeanette Cleveland telling of
the work of the China Inland Mis-
sion, Chungkinghsien, Szechwan, West
China, dated as late as Feb. 15.

They say " Our first experience
of War came at Chungking. May 3rd
and fourth were terrific days. In
the midst of dinner on the 3rd we
rushed to the stone cave with cher-
ry pie in hand. Thirty-six Japan-
ese bombers let loose their dead-
ly missiles. Demolition and incen-
diary bombs fell in the business
and residential area causing at
least seven or eight huge fires.
To add to the terrible strain of
the poor frightened superstitious
people there was a total eclipse
of the moon that night.

On the 4th at dusk Japanese planes
again appeared and the city was
once more subjected to an intens-
ive bombing by twenty -six planes.
Shops were fired, buildings demol-
ished and thousands of innocent
people people were trapped. "

Thus the missionaries carry on even
in the time of War.

Mr. and Mrs. Carl Ridell, Walworth avenue, entertained a group of 25 young people, students and members of the faculty of the Yerkes Observatory, last Saturday evening. Dancing was enjoyed and very lovely refreshments served.

KING OF PROM AT COLLEGE

Selden Spencer, son of Mrs. Julia Spencer, Wms Bay, was elected king of the Lawrence College prom and selected Miss Geraldine Kuchmsted, Neenah, as his queen for the prom dance Saturday night. Their court was made up of the Lawrence beauty queens, elected by the student body and whose identity was kept a secret until the grand march.

IN RECITAL

Miss Dorothy Flitercroft, junior student at the Lawrence college Conservatory of Music and a student in voice of Prof. Marshall Hunt, was presented in a recital Sunday afternoon in Peabody hall at Lawrence. Miss Flitercroft is the daughter of Mr. and Mrs. Leon Flitercroft, west of the village, and is a graduate of the Williams Bay High school. She is a member of the Sigma Alpha Iota.

Mrs. Elizabeth Singer and daughter Betty returned Wednesday from a two weeks visit with relatives and friends at Ottumwa, Iowa, Joliet and Aurora, Ill. Mrs. Singer will be at the Mustin Homeway Restaurent in the Bay this season, which opens this week.

Mr. Frank Maack, Oakwood Estates, who has been a patient at the Walworth County hospital for the past ten days, returned to his home Monday.

The Wednesday Duplicate Bridge Club met with Mrs. Walter Beauvais at her home in "The Gardens", this week.

It used to be in the "good old days" on May 1, that people had the pleasure of waking in the morning and make ready to attend the dance of the Maypole and the crowning of the May queen, hang May baskets to their loved ones in the early evening.

On May Day 1940 folks awoke in time to welcome a blizzard blowing in from the Northeast, which kept up all day until nearly six inches of snow fell, covering the ground, trees and shrubs. The old time custom of hanging May baskets fell back to snowball throwing. A snow queen was more appropriate or a ski dance or sliding instead of the Maypole. If you did not care to do this you could sit by the fireplace and read Whittier's "Snow Bound." or don your galoshes to hunt snow-drops.

But here is good news- Mr. Eric Anderson, who came to this vicinity in 1882, says that he has seen snow in May here in two different years during that time, tho not so heavy a snow fall, but that the summer season following the weather was warm and very seasonable.

An item appearing in a country newspaper- "The weather is very changeable, we hope there will soon be a change". And so do WE.

In Stockholm, Sweden, today, May Day, the sun shone bright and the day was warm. A May Day Parade was held celebrating Sweden's Independence and freedom. Boy and Girl Scouts, Red Cross and many individuals marched. The stores and streets were beautifully decorated. Flags were carried, and banners reading "Sweden will defend herself to the utmost." Street vendors sold soda pop and sandwiches to the large crowds. (From radio by war correspondent at 5:45 P.M.)

Mr. and Mrs. O.B. Fensholt and Mr. and Mrs. F.M. Van Epps attended the Music Festival in Delavan last Friday. The parade of the 26 high school bands in the district was a thrilling sight to the many hundreds of spectators gathered there.

FORMER RESIDENT OF THE VILLAGE DIES

Mr. Doric C. Southwick, a resident of Williams Bay and vicinity a number of years, and now of Beloit, passed away at his home there on Tuesday morning, April 30, after a lingering illness.

Mr. Southwick was born on a farm near Williams Bay on the Fontana road, on August 2, 1864, and lived on that farm until February 1910, when he moved to Beloit. After the death of his wife in 1923 he returned to Wms Bay to live with a sister, who passed away after two years. In 1931 he married Mrs. Jennie Brown in Beloit, who survives him together with several step-children and a niece, Mrs. Arline Pierce, Wms Bay.
