The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

GRADE 1 – UNIT 12

OBJECTIVES:

1. The students will be able to describe objects they can already identify in the Oneida language as either big or small.
2. Students will be able to count money in small amounts.
3. Students will be able to give and correctly respond to commands for getting dressed and putting on various articles of clothing.
4. Students will continue to expand their abilities to identify, ask about, and answer questions about more of the actions on the list of first grade verbs.
