Manitowoc County 1893 plat  
book index : an index to

This is an index of all personal names on Manitowoc County maps and in the Manitowoc County patrons' directory in the Plat Book of Manitowoc and Calumet Counties, Wisconsin, by C. M. Foote and J. W. Henion (Minneapolis, C. M. Foote & Co., 1893). Names on maps are referenced by town, township, and section: this applies also to names on plats of cities and villages. Names which appear only on plats of cities and villages are indicated by a page number in parentheses following the section number. Names in the patrons' directory are referenced by town, city, or village (in the 'Town' column), and page number (in the 'Township' column).

The town plats are reproduced at the end of this volume. The plats of cities and villages do not appear here. The Plat Book of Manitowoc and Calumet Counties, Wisconsin, is available in microfilm format in County Histories of the "Old Northwest", Series I, Wisconsin, Reel 18, published by Research Publications, Inc., of Woodbridge, Connecticut. An index to the Calumet County section of the plat book was published by the Manitowoc County Genealogical Society in 1989.

This is an index of names, not of persons. For this reason, all names are given here as they appear in the plat book. Alternate forms which occur appear in parentheses. The undersigned accepts responsibility for any errors which may occur in this index, but not for the many peculiarities which appear in the plat book.

This index was produced in 1982. The task of transcribing the names from the maps onto 3x5 cards was performed by student library assistants at the University of Wisconsin Center--Manitowoc County: David Anderson, Lori Bast, Patrick Gates, Dennis Maurer, Benjamin Paschke, and Kenneth Rabas. The manuscript was typed by Sharon DeNamur.
