Upon motion of Regent Watson, seconded by Regent Renk, recommendation No. 1 listed under Degrees was adopted.

-

In presenting the recommendation for the acceptance of gifts and grants (EXHIBIT A attached), President Fred called attention to the item in the list of gifts relating to the gift of the portrait of the late Professor Aldo Leopold. The portrait was shown to the Regents. President Fred commented on the warm support and efforts which Professor Leopold had contributed to developments in the fields of conservation and wild life management.

Regent Rennebohm suggested the desirability of publishing a summary of what gifts and grants to the University of Wisconsin have meant to the development of the University over the past hundred years. He stated that most people do not understand and appreciate what gifts and grants and bequests mean to the development of a great university - even a state-supported university. He pointed out that such financial aids are required for the full development of state-supported institutions as well as of private institutions. He stated that it was not possible to measure the benefits to the State and the University resulting from making it possible by gifts to bring students to the University who would not otherwise be able to attend.

Regent Wanvig suggested that the list of gifts and grants should show accumulative totals for the year and also perhaps comparative totals for a number of previous years.

Upon motion of Regent Wanvig, seconded by Regent Laird, it was VOTED, That the gifts and grants listed in EXHIBIT A, attached, be accepted; and that the Vice President of Business and Finance be authorized to sign the agreements.

-

Upon motion of Regent Wanvig, seconded by Regent Renk, it was VOTED, That the Actions by the President, since the August 7, 1954, meeting of the Board of Regents, covering resignations and terminations, appointments,

leaves of absence, changes in status or salary of personnel, resignations to accept other U.W. appointments and resignations from summer session appointments (EXHIBIT B attached) be approved, ratified, and confirmed.

-

President Fred presented the following two recommendations relating to the resignation of John Guy Fowlkes as Dean of the School of Education and Director of the Summer Session and to his assignment to duties in India under the contract between the University of Wisconsin and the Foreign Operations Administration:

1. That the resignation of John Guy Fowlkes as Dean of the School of Education and Director of the Summer Session be accepted, effective October 17, 1954.
2. That Professor John Guy Fowlkes be relieved of his duties on the campus from October 17, 1954, to the opening of the academic year in September of 1956; and that he be assigned to duties in India under the contract between The University of Wisconsin and Foreign Operations Administration.

Regent Gelatt moved the adoption of the above two recommendations by the President of the University, and Regent Steiger seconded the motion. Regent Jones requested that a roll call be taken on the adoption of the motion.

Regent Renk stated that he thought there should be some discussion regarding these two recommendations of the President, and that, although he would vote in favor of the motion, he thought that consideration should be given to the fact that two of the top men in the School of Education would be away from the University at the same time. He said that he realized that the work that they would be engaged in in connection with the educational program in India is of great importance, and that permitting members of the faculty to be away from the University for this length of time was not entirely something new. He stated, however, that he thought the Regents should at sometime give consideration to what the University policy should be with respect to such types of absences from the University by members of the faculty.

A called vote was taken on the motion to approve the above two recommendations of the President of the University, Regents Gelatt, Renk, Rennebohm, Steiger, Wanvig, Watson and Werner voting "Aye"; Regents Jones and Laird voting "No". The motion was declared carried.

IV. Budget Transfers

The Vice President of Business and Finance presented the report of budget transfers for August, 1954, for the information of the Regents. (EXHIBIT C attached)

---

The Secretary reported that the University Faculty, the Administration, and Regents had been considering during the past several years a plan for contributory group life insurance for the faculty, for the cost of which contributions would be made both by the University and the members of the faculty. He stated that this matter was considered by the Regents in informal conference on the preceding day, and that at that time the Regents had agreed to consider at this meeting the following recommendation:

That the plan for contributory group life insurance for the faculty, as endorsed by the faculty on June 2, 1952, is approved with the recommendation that provision for such a plan be made in the next University biennial budget estimates and that the Legislature be requested to appropriate the funds and take such other steps as may be necessary to put such a plan into effect at the University at the earliest possible time.

Regent Steiger moved the adoption of the above recommendation, the motion was seconded by Regent Renk, and it was voted unanimously.

---

Regent Gelatt presented the report of the Educational Committee.

Upon motion of Regent Gelatt, seconded by Regent Watson, it was VOTED, That the resignation of Glen W. Vergeront, assistant professor of dairy husbandry, be accepted; to take effect September 30, 1954; and that he be granted the emeritus status effective on the same date.

-

Upon motion of Regent Gelatt, seconded by Regent Renk, it was VOTED, That the resignation of Paul Farmer, associate professor of history, be accepted; to take effect August 21, 1954.

-

Upon motion of Regent Gelatt, seconded by Regent Steiger, it was VOTED, That the budget appointment of Arthur D. Hasler, professor of zoology, be changed from leave of absence, without pay, for the academic year 1954-55 to leave of absence with pay for the academic year 1954-55; salary \$3,440 to be charged as follows: \$2,340 to International Minerals and Chemical Corporation (gift), 15-753, and \$1,100 to Graduate-WARF research funds, 15-600, RF 54-501.

-

Upon motion of Regent Gelatt, seconded by Regent Watson, it was VOTED, That the appointment of John R. Mayor, professor of education and mathematics, be changed to professor of education and mathematics and acting associate dean of the School of Education for the academic year 1954-55; with no change in total salary.

-

Upon motion of Regent Gelatt, seconded by Regent Steiger, it was VOTED, That the following recommendations of the Educational Committee be adopted:

1. That Dr. John W. Brown be released from the assignment as Director of the Department of Preventive Medicine and Student Health, for health reasons, effective August 11, 1954; salary chargeable to Medical School budget without change in rate.
2. That the appointment of Nathan P. Feinsinger, professor of law, be changed from full time to three-fourths time for the first semester of 1954-55; and that his salary be changed accordingly from \$5,250 to \$3,937.50 for the first semester of 1954-55.
3. That Harry F. Harlow, professor of psychology, be granted leave of absence for the month of August, 1954, without pay.

-

Upon motion of Regent Gelatt, seconded by Regent Wanvig, it was VOTED, That the following recommendations of the Educational Committee be adopted:

1. That Joseph Rossi, professor of Italian, be granted leave of absence for the academic year 1954-55 on the summer session basis (one-half salary); \$1,745 charged to P. 70, French and Italian, 1A-1B, and \$1,780 to University Trust funds, total \$3,525.

(Cont.)

2. That Burr A. Beach, Emeritus Professor of Veterinary Science, be employed on a special service contract in the College of Agriculture, from November 15, 1954 to December 18, 1954, the first term of the Short Course, on a part-time basis, to teach a course on livestock sanitation; salary \$500 for the period; charge to Beeler savings, 20-2(500).
3. That Mrs. Florence C. Stehn, who retired on June 30, 1954, be granted the official status of Assistant Professor Emeritus, to take effect June 30, 1954.

-

Upon motion of Regent Gelatt, seconded by Regent Steiger, it was VOTED, That the following recommendations of the Educational Committee be adopted:

1. That Hans F. Kirchberger, who retired on June 30, 1954, be granted the official status of Lecturer Emeritus, to take effect June 30, 1954.
2. That John H. Juhl be appointed associate professor of radiology, half-time, beginning September 1, 1954, 12 months' basis; salary for the balance of the year \$3,333.33; to be charged to National Fund for Medical Education, 15-65.
3. That Archer P. Crosley, Jr., be appointed Director of the Department of Preventive Medicine and Student Health and Associate Professor of Medicine at a salary rate of \$10,000 per year, beginning September 15, 1954 (\$7,944.41 for the period September 15, 1954 through June 30, 1955); chargeable to the Preventive Medicine and Student Health budget.

-

Upon motion of Regent Gelatt, seconded by Regent Renk, it was VOTED, That the following recommendations of the Educational Committee be adopted:

1. That the resignation of Erich A. Farber, associate professor of mechanical engineering, be accepted; to take effect June 30, 1954.
2. That the resignation of John L. Powell, associate professor of physics, be accepted; to take effect at the beginning of the academic year 1954-55.

(Cont.)

3. That Margaret H'Doubler Claxton, professor of physical education - women, who retired at the close of the academic year 1953-54, be granted the status of emeritus professor; to take effect September 13, 1954.

-

Upon motion of Regent Gelatt, seconded by Regent Renk, it was VOTED, That the following recommendations of the Educational Committee be adopted:

1. That the salaries of the following members of the Extension Division faculty be increased by the amounts stated for the month of September, 1954, only, to cover required moving expenses as determined by the Business Office:

Charles A. Wedemeyer	\$358.14
Harold A. Montross	188.21
Robert L. Berg	128.40.

- in book*
2. That, upon the recommendation of the Department of Political Science, the income from the Frederic A. Ogg Student Aid Fund be used to supplement the earnings of the Emma Perry Ogg Fellowship Fund.

---

Regent Jones presented the report of the Business and Finance Committee.

Regent Jones moved and Regent Steiger seconded the motion for the adoption of the following recommendation of the Business and Finance Committee:

"That, upon the recommendation of the University Campus Planning Commission, the preliminary plans and specifications as submitted by the architect for the moderate rental men's and women's dormitories be approved; and that authority be granted to complete the plans and specifications."

Preliminary sketches of the moderate rental men's and women's dormitories were shown to the Regents, and preliminary plans were available for their inspection. Regent Jones stated that the Business and Finance Committee had made a careful study of the plans for these proposed dormitories, and had met with the architects to discuss the details of construction. He stated that the buildings, although designed to be built at a minimum cost, are fire resistant. In answer to a question, the Regents were advised that the room rent in these dormitories on a cooperative basis would be about \$4.00 per week per student. Regent Wanvig suggested that, before the rates in these proposed dormitories are definitely established, the Regents should have an opportunity for full discussion of the rates to be charged. The question on the above motion was put and it was voted unanimously.

Regent Jones moved and Regent Laird seconded the motion for the adoption of the following recommendation of the Business and Finance Committee:

"That, upon recommendation of the University Campus Planning Commission, authority be granted for the employment of an architect to study the cost and feasibility of constructing married student apartments on either or both the Spring Street area and the Pharmaceutical Garden area."

The locations of the two proposed sites referred to in the above recommendation were pointed out to the Regents on a map. Regent Rennebohm suggested that the Pharmaceutical Garden area should not be considered as a site, because many of the married students do not have cars and should be close to transportation facilities, to shopping centers, and to the University campus. He suggested including as a possible site the area at the southeast corner of University Avenue and Midvale Boulevard, which would be close to a large shopping center which is being considered in the plans for the development of the University Hill Farm area. It was pointed out that this recommendation is only for the employment of the architect to study the cost and feasibility of construction at the proposed sites. Regent Steiger moved that the motion be amended to include other sites. Regent Jones stated that he would agree to that amendment.

There was further discussion of this recommendation. It was pointed out that some of the students who now live at the Midvale Trailer Camp have indicated that they would consider the Pharmaceutical Garden area desirable for this purpose. Problems relating to utilities at the Pharmaceutical Garden area were mentioned. It was also pointed out that more land would probably have to be purchased south of University Avenue, if a good job were to be done in a program of providing married student apartments. It was then agreed that the motion should be amended to include the study of other sites, including the Midvale Boulevard area.

The question was put on the motion to read as follows, and it was voted unanimously:

That, upon recommendation of the University Campus Planning Commission, authority be granted for the employment of an architect to study the cost and feasibility of constructing married student apartments on either or both the Spring Street area and the Pharmaceutical Garden area, and on other sites including the Midvale Boulevard area.

Upon motion of Regent Jones, seconded by Regent Wanvig, it was VOTED, That the resignation, for health reasons, of S. Lee Burns as Director of Residence Halls be accepted and that he be appointed Assistant Director of Residence Halls at an annual salary rate of \$8500, twelve months basis; both actions effective October 1, 1954.

Upon motion of Regent Jones, seconded by Regent Steiger, it was  
VOTED, That Newell J. Smith be appointed Director of Residence Halls effective October 1, 1954, at an annual salary rate of \$7500, twelve months basis.

-

*John C. Jones*  
Upon motion of Regent Jones, seconded by Regent Wanvig, it was  
VOTED, That the terms of the Milwaukee Gas Light Company fund, accepted by the Regents on December 16, 1902, to provide for the purchase of books dealing with the chemistry of coal tar, be revised, in accordance with the request of the donor, to provide for the purchase of any books pertaining to the gas industry.

-

Upon motion of Regent Jones, seconded by Regent Steiger, it was  
VOTED, That the Executive Committee be authorized to act for the Board in the approval of schedule of costs and award of contracts for the Service and Conference Building at the Ashland Branch Agricultural Experiment Station.

-

Upon motion of Regent Jones, seconded by Regent Rennebohm, it was  
VOTED, That the Executive Committee be authorized to act for the Board in the award of a contract for the removal of concrete platforms and sidewalks from the lower campus.

-

Upon motion of Regent Jones, seconded by Regent Steiger, it was  
VOTED, That, subject to the approval of the State Chief Engineer and the Governor, a contract for waterproofing and repairing the parapet walls of the Field House be awarded to the Midwest Waterproofing Company, Madison, in the amount of their low bid of \$3560, chargeable to the 5-C Intercollegiate Athletics Revolving Fund, and that the Vice President of Business and Finance be authorized to sign the contract.

-

Upon motion of Regent Jones, seconded by Regent Renk, it was  
VOTED, That, upon the recommendation of the faculty of the Department of Biochemistry, wood laboratory equipment instead of steel equipment be selected for the addition to the Biochemistry Building; that, subject to the approval of the

Governor and the State Chief Engineer, the contract for wood laboratory equipment be awarded to the Hamilton Manufacturing Company, Two Rivers, Wisconsin, on the basis of their low base bid of \$197,863.40 plus Alternate No. 6a-3 for \$5,692.80, total \$203,556.20, that the Vice President of Business and Finance be authorized to sign the contract, and that \$25,000 be transferred from the contingent item in the schedule of costs to the item for equipment to provide the funds needed for the above mentioned contract and for movable furniture to be obtained on purchase order.

Regent Jones presented the recommendation of the Business and Finance Committee to the Regents for the adoption of resolutions relating to the financing and construction of the Camp Randall Memorial project (See EXHIBIT D attached). At the request of Regent Jones, the Secretary reported that the Regents had been served with a summons as defendant in connection with a petition to begin an original action in the Supreme Court of Wisconsin for a declaratory judgment construing the scope and extent of the use by the University of Camp Randall Memorial Park. At the request of President Werner, the Secretary read a letter dated September 15, 1954, from the Wm. B. Cairns-Victory Post 57 of the American Legion and the resolution attached thereto (See EXHIBIT E attached). The Vice President of Business and Finance pointed out that at the state convention of the American Legion held in Madison in July, 1954, the Executive Committee of the State Convention had refused to adopt a similar resolution opposing the use of a portion of Camp Randall Memorial Park for the proposed site for the proposed Camp Randall Memorial. Regent Watson inquired whether the contracts could be awarded for this project in view of the petition to the Supreme Court. The Vice President of Business and Finance reported that representatives of the Attorney General's Office had met with the Business and Finance Committee of the Regents to advise them regarding the petition presented to the Supreme Court, and that they had advised that the contracts could be awarded. Regent Rennebohm pointed out that nothing would be gained by delaying the project, because similar actions could be instituted subsequently from time to time by persons desiring to prevent the project from going forward. It was agreed that the prospective contractors for this project, and the lenders of part of the funds for the cost of the project, would be advised with reference to the petition to the Supreme Court. Regent Jones stated that the question of the legality of the use of this site had previously been passed on by the Attorney General's Office, and that representatives of the Attorney General's Office had informed the Business and Finance Committee that they deemed it prudent to proceed with the project. Regent Jones moved the adoption of the recommendation of the Business and Finance Committee covering the adoption of the resolutions relating to Camp Randall Memorial (EXHIBIT D attached). The motion was seconded by Regent Wanvig, and it was voted unanimously.

Regent Gelatt presented and recommended the adoption of the following recommendation of the Special Regent Committee on the School of Commerce Deanship, and the motion was seconded by Regent Watson;

(Cont.)

"That Professor Erwin A. Gaumnitz be appointed Dean of the School of Commerce, effective July 1, 1955; salary to be determined at the time the 1955-56 budget is adopted."

President Fred stated that Professor Gaumnitz had long been a member of the University staff, and, in addition to his duties in the field of teaching and as Associate Dean of the School of Commerce, had been very active on various University committees. He stated that this recommendation was warmly supported by Dean Elwell, and by the faculty of the School of Commerce, and by many persons and groups outside of the University.

Regent Jones made the following statement to be included in the record of this meeting:

"Although there can be nothing but enthusiasm for the raising of Professor Gaumnitz to the Deanship in Commerce, there will be state-wide sorrow at the prospect of Dean Elwell reaching retirement age.

I can think of no man who has had more love for his work, and devotion to his school, than has Dean Elwell. But that is just a small segment of this man of many talents and many interests.

He has campaigned up and down this state for sound business practices, for keeping our communities economically strong, for bringing college graduates back to their home towns to invigorate local business, and for many other advancements.

We, as Regents, have seen tears come to his eyes as he talked of the value of college education for the youth of Wisconsin. He has worked untiringly for twenty years as Director and Dean to make the Wisconsin School of Commerce the sort of school which could provide education of the highest standards for our youth, and service of the highest standards for Wisconsin business and industry.

He joined our faculty in 1911 and became Professor of Accounting in 1917. He was appointed Director of the School of Commerce in 1935, and became the school's first dean ten years later when it was organized as a separate University entity.

He has been one of Wisconsin's most vigorous champions of industrial development and the promotion of new economic enterprise in the state.

I know that retirement will not halt his enthusiastic work in behalf of our Commonwealth. He has earned a deserved release from the rigors of administration - but we will hate to see him go."

The question was put on the motion to adopt the above recommendation of the Special Regent Committee on the School of Commerce Deanship, and it was voted unanimously.

(Cont.)

Professor Gaumnitz appeared before the Regents and received their congratulations on his appointment as the next Dean of the School of Commerce.

---

Upon motion of Regent Wanvig, seconded by Regent Steiger, it was VOTED, That the meeting adjourn.

The meeting adjourned at 11:20 A.M.

Clarke Smith, Secretary

Resolutions Relating to Camp Randall Memorial  
Adopted by The Regents of The University of Wisconsin  
on September 25, 1954

That the action of the Regents, beginning on the bottom of page 15 and continued on page 16 of the minutes of the annual meeting of the Regents held on June 17, 1954, which covered the necessary authorizations for the construction and financing of Camp Randall Memorial (Indoor Practice Building) by the University and the Wisconsin University Building Corporation, be rescinded; and that the following resolutions be approved in lieu thereof:

- a. That, subject to the approval of the Governor and of the State Chief Engineer, authority be granted for the President and the Secretary to sign a lease, which is hereby authorized and approved by the Regents, to the Wisconsin University Building Corporation for a term of fifty years for the rent of \$1.00 of the site, and all buildings and improvements thereon, covered by the June 30, 1951, lease from the Regents to the Corporation of the Field House and Camp Randall Stadium, plus the necessary additional land consisting of approximately 4.85 acres contiguous on the east to the aforesaid site, for the purpose of construction by the Corporation of the proposed Camp Randall Memorial (Indoor Practice Building) being an addition to the Camp Randall Stadium, at an estimated cost of \$1,500,000.00 to be financed jointly by the University and the Wisconsin University Building Corporation; and that such lease shall include such other terms, conditions and provisions, not inconsistent herewith and customary in such leases, as are approved by such President and Secretary.
- b. That, subject to the approval of the Governor and of the State Chief Engineer, authority be granted for the President and the Secretary to sign a sublease covering the subleasing of the Field House, the Camp Randall Stadium, the proposed Camp Randall Memorial, and the site on which said improvements are, or are to be, located from the Wisconsin University Building Corporation to The Regents of The University of Wisconsin for a term of fifty years at annual and quarterly rentals payable to the Corporation, subject to the availability of appropriations, sufficient:
  - (1) To pay the interest in quarterly installments over a period of not to exceed twelve years, and to pay the principal in equal annual payments over a period of ten years, on the funds (not to exceed \$600,000.00) to be borrowed by the Wisconsin University Building Corporation to cover part of the cost of the Camp Randall Memorial project;
  - (2) To include such additional rental payments, to be applied on the purchase price of said project, as the Regents may desire to make or be required to make pursuant to the Wisconsin Statutes;
  - (3) To include such additional rental payments, including additional retroactive rental payments, as may be required to compensate the Corporation for any increase in the rate of interest which the Corporation may be required to pay, on the funds borrowed for this project, in the event the interest on said borrowed funds becomes subject to any Federal income taxes; provided, however, that these

provisional, additional rental payments under this sub-paragraph (3) and the rental payments attributable to interest under sub-paragraph (1) above together shall not exceed the amounts necessary to compensate the Corporation for interest paid on the said borrowed funds at a rate of 4% per annum; and,

that such sublease shall include such other terms, conditions and provisions, not inconsistent herewith and customary in such subleases, as are approved by such President and Secretary.

- c. That the Wisconsin University Building Corporation be authorized to borrow, for a term of not to exceed twelve years, not to exceed \$600,000.00, to pay part of the cost of the Camp Randall Memorial project, under terms requiring payment of the principal in equal annual installments, permitting advanced principal payments, requiring payment of interest quarterly, and requiring an increase in the rate of interest, but not to exceed a total rate of 4% per annum, in the event the interest on said borrowed funds becomes subject to any Federal income taxes, such increase in interest to be limited retroactively to the date upon which such interest becomes subject to such taxation.
- d. That the sublease referred to in paragraph (b) above, and the rentals provided therein, may be assigned by the Wisconsin University Building Corporation as additional security to the lenders of the funds borrowed by the Corporation to pay part of the cost of the Camp Randall Memorial project, and may be reassigned by the Corporation to successor lenders in the event of subsequent refinancing of the said borrowed funds, and consent to such assignment and reassignment is expressly given.
- e. That, pursuant to Section 20.41(11) of the Wisconsin Statutes, a surplus in the amount of \$900,000.00 is hereby declared in the 5-C Athletic Revolving Fund as not being required for the operation of the Department of Intercollegiate Athletics for the year subsequent to June 30, 1955; and that such part of said surplus of \$900,000.00 as shall not be required to pay the costs incurred by the University in connection with the Camp Randall Memorial project shall be transferred, as available and as required, to Fund 20.41(11) Revolving Fund Surplus, and disbursed therefrom to the Wisconsin University Building Corporation to pay part of the costs of said project.
- f. That the following schedule of costs be approved for the Camp Randall Memorial Project:

A RESOLUTION

WHEREAS, it has come to the attention of the Wm. B. Cairns-Victory Post No. 57 of the American Legion, Department of Wisconsin, that the Regents of the University of Wisconsin, propose to appropriate about 2.5 acres of the Camp Randall Memorial Park for the construction of an athletic practice building, thus reducing the size of this Memorial area by more than one-third and

WHEREAS, Camp Randall Memorial Park was set aside in 1911 by a grateful state as a Memorial to its valiant sons of all Wars, and its improvement and upkeep has since been provided for by appropriation made by the Legislature of the State of Wisconsin, and

WHEREAS, this organization feels deeply the need for the continued unsullied use of all of Camp Randall Memorial Park as a public park and Memorial of all Wars.

NOW THEREFORE BE IT RESOLVED by the Wm. B. Cairns-Victory Post No. 57 of the American Legion, Department of Wisconsin that it is opposed to the desecration of Camp Randall Memorial Park and especially do we oppose the taking of 2.5 acres or of any amount of acreage for the erection of an athletic practice building thereon.

Unanimously adopted at Post Meeting September 8, 1954.

Attest:
