AN CITY DIRECTOR
SHEBOYGAN TIMES.
Republican Paper,
February, 1874.
Dedicated to the Interests of
Sheboygan City and County.

PREFACE.

We present to our patrons a new Directory of the City of Sheboygan, hoping that it will meet with their approval.

A thorough canvass of the city has been made, and every effort used to obtain the names of all persons who should be represented in a Directory.

The General Directory shows 2,760 names, from which an estimate of the number of people living in the City may be made.

The Classified Business Directory is a complete mirror of the business and manufacturing interests. The Miscellaneous Department shows the City and County Official Lists, and the various Public Institutions.

To those who have extended to us their aid and patronage, our thanks are due.
