The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Living Skeleton

They say a man was walking along the road late one night and he was surprised when he saw something white standing there. Just as soon as he realized that it was a white ghost, he jumped right up and there was the sound of feet as he ran off. After he'd run quite a ways down the road, he got tired. So he sat down and rested. And the white ghost sat down as well. Then the white ghost said, "Wow, that was quite a run we had."

The man looked up and said, "Yes, and we will be running again just as soon as I get my breath back."
