The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

MALTSUPEX®

(MALT SOUP EXTRACT)

LIQUID

POWDER

- *in infants*

MALTSUPEX Liquid or Powder in formula or other liquid maintains natural, soft stools by providing a favorable medium for safely promoting a normal acidic colonic flora.

½ to 2 tablespoonfuls daily.

- *in children and adults*

A MALTSUPEX "shake" is pleasant for promoting the ideal low pH flora for normal elimination. MALTSUPEX Powder may also be added to cereal.

MALTSUPEX is a nutritive food concentrate derived from the natural enzymatic digestion of barley. It is a dietary product—gentle, safe, and dependable.

1 or 2 tablespoonfuls once or twice daily.
8 and 16 oz. jars, at pharmacies.

BORCHERDT COMPANY, DEPT. P

217 N. Wolcott Avenue, Chicago 12, Ill.
