Within a very short period, A-200 has *proved* the claims made for it to nurses, public health officials, hospital staffs, teachers, industrial groups, penal and other institutions.

**A.** A-200 has *proved* to be a sure-fire, fast killer of lice... at the same time being **NON-POISONOUS, NON-IRRITATING**, and leaving no **TELL-TALE ODOR!**

**B.** A-200 is **EASY TO USE**. It has several distinct advantages... no greasy salve to stain clothing, quickly applied, one application usually sufficient. Especially recommended for children.
