The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Longsleeve July 18th 11

Your time came safe & hand - I send you
another barrel - and of which I wish you to take the
spring & flume & put in the spring & flume out of
the one I first sent you - The spring in this I
had put in by a cutter in Byosh - but it is good for
nothing - it's too weak - & ~~exactly~~ so small that the catch or
trigger does not hold it well - - - If you can do it so
as to send it back by Lyva next Monday I should
be much pleased - even if you have to try & pass a little
on the Sabbath - all well - - You write nothing about
coming up - I shall deem it quite unpardonable if
you don't come up this fall - - -
