The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Stryker

Turning Frame

Designed and Engineered for

Effective Immobilization and Rehabilitation

The new Stryker Turning Frame has several important features; first the frame is 4" higher than former models to provide nurses more convenient access to the patient. Another improvement is the "U" shaped,

metal utility tray replacing the former wooden shelf arrangement. It allows the patient a more normal and comfortable reading distance. *When reversed under center of frame it serves as a bedpan holder.*

STRYKER TURNING FRAMES RECOMMENDED FOR: • Treatment of cervical spine injuries • Cord injuries with paralysis • Sacral bed sores • Pelvic fractures • Head or leg traction • Painful spinal arthritis • Severe burns • Dorsal or Lumbar spine fractures • Post operative treatment • Destructive spine lesions.

Stryker Turning Frame with Cotton Mattress \$270.00
 Stryker Turning Frame with Foam Rubber Mattress 310.00
 Both models complete with sheets, canvas cover, utility tray and head traction attachment.

CHILD'S TRACTION FRAME

Stryker

PLASTER DISPENSER

• Safe traction for infants and children of all ages • This portable unit saves nursing time and permits earlier release for home rehabilitation • Easy application — Converts to extension traction • No weights • Sets on any bed • Uses body weight to reduce the fracture.

Portable Child Traction Frame, \$65.00

• Saves time for Doctor, Nurse and Cleaning Crew • It brings mechanical orderliness and clean working surfaces to plaster application • It's Mobile • Provides Out-of-Sight Storage • Waxpaper protected working area • Ideally Compact.

White Enamel, \$198.00 • Stainless Steel, \$385.00
