Try it! You'll like it!

If you've never bought a license or have been away from the sport more than 10 years, you might be eligible for a reduced rate license. Certain resident licenses are available for as little as \$5.00. Discounted non-resident licenses are available as well, so visit our web page at dnr.wi.gov and search using the words “New Buyer” or give us a call to see if you qualify.

Reward your recruiter

If you buy a New Buyer license you can recognize that special person who introduced you to the sport. Let us know and we'll reward him or her with points toward a discounted license next year. Wisconsin residents who have been designated as a recruiter three or more times within one license year are eligible for a discount on one license next year.
