The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

THE NIGHT "SHIFT" IN ARTHRITIS THERAPY

EVENING

BEDTIME

but help patients awaken the next day freer of discouraging morning stiffness.

So, during the day, depend on your patients and on regular aspirin. But, for prolonged analgesic/anti-inflammatory activity during the night, make the shift to Bayer Timed-Release Aspirin Tablets.

BAYER® TIMED-RELEASE ASPIRIN

nighttime arthritis treatment
