<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Improved and Enlarged
Laboratory Course

In line with our policy of turning out accomplished laboratory technicians we announce our course of

NINE FULL MONTHS

plus four to six months'
internship in a hospital
laboratory

Beginning September First

Send for Catalogue
