U. W. LEADS COLLEGES

BUT LOSES MEET TO FIRST REGIMENT ATHLETES.

Third Place Goes to Chicago With Notre Dame Fourth—Bredsteen and Hahn Wisconsin's Stars.

First Regiment	41
Wisconsin	18
Chicago	15
Notre Dame	8
Central Y. M. C. A.	7½
Beloit	6
Minnesota	½

The First Regiment Athletic Association of Chicago won the A. A. U. meet at Milwaukee Saturday evening with Wisconsin second. Chicago came a close third with the remaining teams straggling along in the rear with dwindling scores until Minnesota closes the test with a poor half point.

The result was the same as predicted excepting that the aggregation of athletes under the First Regiment were far better than the worst fears of Cardinal supporters gave them credit. Rarely has a better bunch of track men competed than those entered by the guardsmen. They were collected from the college champions of other years, from the best of Chicago's athletic clubs and from every other possible source where Trainer Max Beutner recognized good material. True, few if any had shoulders galled by a musket's weight but the mere fact of their superiority in athletics was enough to enroll their names among the nation's defenders, at least until after the meets are over. Therefore, the soldiers victory was hardly unexpected.

Wisconsin showed considerable improvement over her last year's form. With the exception of the hurdle races and high jump, her representatives won points in these contests where they had been expected to. In the hurdles Schule would undoubtedly have won a better place had he not been suffering from a strained leg. In the half, Hahn gave the bunch a merry pace until the fourth lap when his exertions in the mile began to tell on him and he was forced to drop out. Burdick was not in condition and was unable to stand the pace.

Hahn ran a pretty race in the mile winning handily within four seconds of the world record. Keachie showed a strange reversal of form and his running fell far below his previous work this year.

In the two mile run Wisconsin sympathizers were badly frightened when Bredsteen was tripped and fell on the first turn. He pluckily recovered himself, caught the bunch in a short sprint and then alternating the pace with his team mate, won the race in the fast time of 10 min. 15 3-5 sec., which will stand as the indoor record for some time. The work of McEchron in this race was fine, following Bredsteen's hot pace and winning second place for Wisconsin.

The meet was a record breaker in more ways than one. The world's indoor marks in the high hurdles, and 75 yard dash was equalled while the quarter mile and low hurdle records were lowered.

Events and Results.

Following are the results of the various events:

Mile run—Hahn, Wis., first; Lorentzen, Beloit, second; Webster, 1st Reg. Continued on fourth page.

MCKINLEY INAUGURATED.

Ceremonies at Washington Pass off According to Program.

Washington, D. C., March 4.—William McKinley and Theodore Roosevelt were inaugurated today as president and vice president of the United States. The elaborate ceremonies

passed off as scheduled and were witnessed by immense crowds. Fine weather prevailed. The grand inaugural ball takes place in the big Pension Building tonight.

MUSIC RECITAL THURSDAY.

Excellent Program of Vocal and Instrumental Music.

The student recital which will be given by the School of Music at Library Hall Thursday evening is an event of great interest in University musical circles. The concert will be given entirely by student talent and will display to good advantage the work which is being done in the musical classes. Several of these recitals have been given before but it is intended to make them of more general interest in the future. No admission fee is charged but admission is by invitation. Invitations may be had for the asking at the Co-op, the book stores or from the teachers of the School of Music. Following is the program:

1. Piano—Norwegian Bridal Procession, Greig. Daisy Hansen.
2. Piano—By the Mountain Stream, Bohm. Jessie Smith.
3. Vocal—A May Morning, Denza. Adah Green.
4. Piano—Hungarian Dances, Nos. 3 and 7, Brahms. Elizabeth Ackerman.
5. Vocal—Salve Regina, Buck. Susie Nelson.
6. Piano—Impromptu, Op. 90, No. 4, Schubert. Theo. Pickford.
7. Mandolin—Cavatina, Schmidt. Alexander Morgan.
8. Piano—Gondoliera, Liszt. Grace Buhlm.
9. Aria—Una voce poco fa, from Il Barbiere, Rossini. Mary Pickarts.
10. Piano—A, Hark, Hark, the Lark, Schubert-Liszt. b. If I were a Bird, Henselt. Alice Walden.

LAKE PEPIN REGATTA

WISCONSIN CREW INVITED TO TAKE PART.

Varsity and Freshman Candidates Will Row on Catfish Next Week—Good Progress in Tank Work.

Coach O'Dea has just received a communication from the proprietor of the Lakeside Hotel, Frontenac, Minnesota requesting Wisconsin to send a crew to take part in a regatta which he is endeavoring to bring off at Frontenac next summer on Lake Pepin. The gentleman is in correspondence with Winnipeg, Duluth, and Minnesota, and expects to secure some good entries for the regatta.

As Frontenac is a very popular summer resort, there is a great deal of attraction there during the summer months. The lake is well suited for boating and sailing and such an undertaking would undoubtedly be a great success. Coach O'Dea says that if enough crew men care to go to Lake Pepin in the summer he will enter them in the regatta. He may not take the whole Varsity crew but only those who care to go and for whom it will be most convenient. It is thought that the meet can be brought off sometime in July.

Commencing next week Coach O'Dea will take the Varsity crew out to the Catfish to row. He expects to send the boats out this week. The Crew will then row regularly Tuesdays and Thursdays. The freshmen will also go out on the water next week and will row every day except Tuesdays and Thursdays. They are now using the sliding seats in the tank and are progressing rapidly with their work.

The candidates for the Varsity crew met yesterday to discuss various matters connected with the coming season's training.

SWIMMING RACES.

Exciting Scenes at Natatorium Saturday Afternoon.

A large crowd attended the swimming tournament in the University natatorium Saturday afternoon. The splashing water from the contestants did not deter the crowd from crowding up to the very edge of the tank. The first race was twice the length of the pool, about fifty yards. The entries in the first heat were Davies, Cowley and Spalding; in the second heat, Lange, Borden and Leighton.

The final between Spalding and Leighton was won by the latter in 41 1-5 seconds.

The entries for the long dive were Spalding, Laugaard, Long and Davies. No swimming under water was allowed, and the start was made from the spring-board. The winner Spalding made half the length of the tank—about forty feet.

In the 100 yard race, the first heat was won by Davies, over Cowley and Borden. The second heat by Spalding over Leighton and Laugaard. The final was won by Spalding in 1.53 2-5 minutes.

The time between races was occupied by stunts on the rings and bars.

Professor Austin is at this writing enjoying himself in Italy. Before his return in September he will travel extensively in Europe.

COEDS IN ATHLETICS.

Freshman Girls Win a Stein from the Sophomores.

Track athletics are enjoying a great boom this spring in the university. While Coach Kilpatrick's regular aggregation was in Milwaukee Saturday night doing its devoir for its college, the young ladies were not idle. Loyalty to alma mater called them out to the indoor meet held in the gymnasium at Chadbourn hall. The events were run off in approved feminine style and resulted in an overwhelming victory for the freshmen, they taking seven out of the nine events. As a consequence they were presented with the Stein given as a trophy by the upper classmen. The cup bears this inscription:

Presented by 1901 and 1902

to the
Winners of the Interclass Meet,
March 2, 1901.

Great enthusiasm prevailed throughout. The north end of the gymnasium hall was decorated with the green of the freshman class while the yellow and white of the sophomores flared from the opposite end. From these rival camps the slogans of the respective classes hurtled back and forth through the startled air. The contestants wore the conventional gymnasium costume. The meet demonstrated that enthusiastic rivalry is not an unknown quantity outside of the big gym that towers by the lake.

The contests included running and jumping among other events and just what else the secretive coeds coyly declined to divulge.

No men were privileged to be present and only scant details percolated through to the outside.

DEFINITION OF GOD.

Dr. Hall Begins Series of Talks Before Y. M. C. A.

A generous audience greeted Dr. Frank Hall yesterday afternoon on the occasion of the first talk of his series on Definitions of Christian Faith. He had for his subject Definition of God, and handled it in a concise and conclusive manner.

Dr. Hall thought that it was necessary to define God if a right conception is to be obtained, as words are symbols of thoughts. The definition which Mr. Hall gave of God was, "God is a personality like Christ, manifesting himself through those universal forces which we commonly call laws of nature."

In the courses of his talk Dr. Hall recalled as illustrations some reminiscences of his days in the University which were especially interesting. The address throughout was highly interesting and profitable.

HANDBALL GAMES.

A. E. Smith Wins Tournament for Singles.

The single handball tournament was finished last Saturday. The winner being A. E. Smith, '01. Nearly all of the best players were in this contest, and it was therefore exciting from the first to the last.

The first game was between Gaffin and Erickson, the winner being Erickson who then played A. A. Chamberlain and lost. Smith and Leighton then played, resulting in a victory for Smith. Smith then defeated Brobst in a very close game. This left the final between Smith and A. A. Chamberlain. After a most exciting game, Smith succeeding in defeating Chamberlain, thereby giving him the championship.

Our Showing at Milwaukee.

Although not winning first place in the Athletic Meet at Milwaukee Saturday night, Coach Kilpatrick can justly feel proud of the showing of his men. The winning team contains many of the best athletes the West has ever produced. Men experienced in contests of this sort and by whom a defeat is no disgrace. In the long runs we were particularly successful, and Breedsteen's record in the two-mile run will be the record for some time to come.

Our team from now on to June will, undoubtedly, steadily improve; the outdoor work will add the finishing touches to an already excellently trained body of athletes.

The fact that the preponderance of First Regiment Athletes cut into the second-rate men of the universities precludes the drawing of any very reliable conclusions as to the work of these latter. Success in the coming meets is assured, apparently, if this material capable of gathering in second and third places can be developed.

Journalism in the University.

In a leader on the "University Daily" in yesterday's Sentinel there is suggested a possible co-ordination of theoretical and practical work in journalism between the new courses offered in the school of economics and the Cardinal. For many years sporadic attempts have been made here to arouse interest in the study of newspaper work. Thus far these attempts have not met with success but it seems as if with the institution of these new courses some approximation towards the desired end might be accomplished. While not affording any practical instruction in the making of a paper, yet the courses of the school of economics give an opportunity for the acquirement of that wide and ready understanding of social, political, and commercial principles without which the modern newspaper man cannot hope to be successful. The establishment of these courses is in line with the broadening expansive policy that has characterized the University and which has resulted in the School of Commerce and kindred enterprises.

The Chicago papers announce that the midway university has continued its thrifty habits and again "saved its men."

Chairman.**New Baseball Rules.**

The National Baseball League has adopted the following rules for this year:

1. First and second foul balls hit by the batsman unless two strikes have already been called against him, shall henceforth be counted as strikes.

2. The catcher must stand within ten feet instead of ninety feet of the plate thus placing him "up behind the bat," throughout the game.

3. Penalizing one ball against the pitcher if he fails to deliver the ball to the batsman within twenty seconds after the latter has taken his position or for delivery elsewhere than to the plate.

4. Forbidding a batsman from taking his base if hit by a pitched ball. The ball will count as a ball against the pitcher.

THE

13th Annual Session

OF THE

Dept. of Medicine,

University of Minnesota.

Course of study, four years of eight
and one half months.

The first two years are devoted to the
fundamental laboratory studies; the last
two years to the essentially clinical
branches. The clinical opportunities of
the hospitals and dispensaries of Minne-
apolis and St. Paul are at the disposal of
the College of Medicine and Surgery.
The medical buildings are situated upon
the University Campus.

For further information, address Dr.
Parks Ritchie, Dean,

UNIVERSITY OF MINNESOTA,
MINNEAPOLIS, MINN.

We are now situated at 215 State Street with everything new
and up-to-date. The quality of our work is our best argument
for permanent trade.
