00:00 Arnold Munkel: Here we are again at the Viking Theater, Sunday, July twenty-fifth. We were here yesterday in Decorah for a parade and our friend Arnold Hanson pulled the Viking boat in this parade. He has a big air-conditioned car. We had a whole group of Sons of Norway from Spring Grove riding in that Viking boat, and the amazing thing about it is, the street in Decorah there was just full of people on both sides of the street. In fact, we had never seen so many people on the street for a parade before.

We're sitting here now in this Viking Theater here. It's air-conditioned and it's real nice in here. We're waiting for this program to start. This is our bicentennial year and maybe that's the reason so many people are coming out like they are.
