The " Square Deal "

The editor quotes from the famous address of Col. Theodore Roosevelt given while he was President at a public reception at Raleigh, North Carolina, October 19, 1905.

"More and more you are giving care and attention to education; and education means the promotion not only of industry, but of that good citizenship which rests upon individual rights and upon the recognition that he has duties as well as rights - in other words, of that good citizenship which rests upon moral integrity and intellectual freedom. The man who fails to be honest and brave both in his political franchise and in his private business contributes to political and social anarchy. Self-government is not an easy thing. Only those communities are fit for it in which the average individual practices the virtues of self-command, of self-restraint, of wise disinterestedness combined with wise self-interest; where the individual possesses common-sense, honesty, and courage. *****

" I do not believe in government ownership of anything which can with propriety be left in private hands, and in particular I should most strenuously object to government ownership of railroads. But I believe with equal firmness that it is out of the question for the Government not to exercise a supervisory and regulatory right over the railroads; for it is vital to the well-being of the public that they should be managed in a spirit of fairness and justice toward all the public. ***

" The American people abhor a sham, and with this abhorrence I cordially sympathise. Nothing is more injurious from every standpoint than a law which is merely sound and fury, merely pretence, and not capable of working out tangible results. *****

" " When I say a square deal I mean a square deal; exactly as much a square deal for the rich man as for the poor man; but no more. Let each stand on his merits, receive what is due him, and be judged according to his deserts. To more he is not entitled, and less he shall not have ."

NOTE: The editor would like your suggestions for a series of articles for publication in "Bay Leaves " which are quotations from our illustrious statesmen which deal with the preservation of the Constitution and the ideals which lead our great founders of the United States of America in framing it.

PARADE OF PROGRESS WINDOW

Those of you who happened to be listening in on the Columbian Broadcast Tuesday evening heard about the celebration of the Grocery Store Pageant of Progress this month.

Grocery stores are a lot different from the days when they were the hang out for a group of men who solved our country's problems while basking in the heat of a base burner and nibbled at the crackers from the near by barrel.

The changes that have been made have been so gradual that it is hard to realize how great they have been. A glance at Granzow & Peterson store window gives one a pretty good idea.

The bill of sale by which Henry Granzow acquired the grocery store from W.H. Howe on Oct. 6, 1902 and his first day book are among the many interesting things on display. There is the first coffee grinder, their first telephone, their tobacco cutter, etc.

From their attics Mike and Hank have found many pictures and articles which have attracted so many lookers that they were two deep at times.

Among the pictures are Mike and Pete (Pete Peterson) when they worked for O.P. Southwick in 1899 with two horses and rigs out in front of what is now the Hotton building; Jewell Boat Co. in 1899 and another in 1900; Walter Jewell and his fellow crew of the Sphinx Sail Boat 43 years ago; Vic. Hansen's Garage where Fish Line Store now stands with Tulley's Meat market at Lee's Kitchen; Walworth Avenue 35 years ago; the Bay's first Base Ball Team with Mike in it, of course, and also one when the Bay was County Champion at the Fair, 35 years ago; the first School, which burned in 1922 and to fight which most all the men in town carried water, including the editor; a class in third grade in the old school 23 years ago, among the pupils shown are Bob Anderson, Don Krause, Gladys Peterson, Roy Johnson; a picture of the Lucius Newberry and Lady of the Lake boats which used

to do a rushing business carrying passengers around the lake 55 years ago.

Besides pictures of Mike and Henry at various ages and occupations some other pictures are shown, Lawrence Hollister in one the first autos at the age of 116; Al Weyhrauch, Nelson Hansen one the Bay's earliest settlers, Geo. Williams, son of Royal Williams and grandson of Israel whose old homestead is now remodeled into appartments by E.H. Hollister; S.B. Barrett, the first president of the village, Thomas Lackey at his 90 th birthday, when all the village helped him celebrate.

Sailors were interested in the sailboat of 80 years ago in front of the Douglass Elgin Club.

A set of golf clubs call to mind the rough course back in 1901 when Hank tried his hand at the game; a crude revolver of 70 years ago.

And there were other articles and pictures.

We like to look at old things and see how others and even we lived long ago; but fortunately we like to look ahead and keep on struggling upward in the great Pageant of Progress. What has happened in the grocery business has happened in all business, thanks to progressive men and women.

WE ARE ALL TALKING ABOUT IT

Over the radio and from the newspapers we hear or read of the record broken this April for cold weather. The warm days of the latter part of March brought out some of our Summer residents who after being couped up in the city took advantage of the sunshiny days to clean up around their Summer homes. Unfortunately some left without turning off the water and frozen pipes are being found when they come up again.

Some ice was on the Bay last Sunday morning, new ice.

ONE HUNDRED FIFTY LADIES ATTEND
THE 13th ANNUAL WOMAN'S BANQUET

Although the elements outside were battling, winter trying its best to replace Spring, the spirit of friendliness and neighborliness prevailed among the group of one hundred fifty women who had gathered at Rose Lane Hotel for the Thirteenth Annual Woman's Banquet, on Tuesday evening. Ladies were present from Walworth, Lake Geneva, Elkhorn, Delavan and Oak Park, Ill.

Just before the dinner was served the group sang "America". Mrs. Victor Keiser gave the blessing. After dinner the program continued. Mrs. D.J. Oetjen, banquet chairman spoke greetings to those present and also thanked the members of her committee, viz- Mrs. B. Fensholt, Mrs. Eric Werner, Mrs. Lawrence Fenton, Mrs. J. Albin Johnson, Mrs. Blake Burton, Mrs. G. Van Biesbroeck, Mrs. Julia Spencer. for their splendid cooperation in helping to make the 1939 banquet a success.

Mrs. Volmer Sorensen was chosen to be the chairman for the 1940 banquet. She selected her committee to assist her to be- Mrs. Alfred Pederson, Mrs. E.M. Iverson, Mrs. Lawrence Hollister, Mrs. R.K. Kinney, Mrs. Harry Landon and Mrs. Jesse Greenstein.

A trio, Mrs. Harry Dunbar, mezzo-soprano, Miss Barbara Dunbar, soprano, Mrs. Loring DeGross, Contralto, of Elkhorn, sang a group of songs. Their voices blend beautifully and their numbers received much applause.

The past banquet chairmen, Mrs. O.M. Waterbury, Mrs. Carl Bjorge, Mrs. F.M. Van Epps, Mrs. Lawrence Hollister, Mrs. H.A. Bradt, Mrs. Karen Steele, Mrs. Wm Freytag, Miss Elsie Pihl, Mrs. Walter Jewell and Mrs. Robert Cook, acted as table hostesses, and were presented with corsage bouquets by the banquet committee. Two past chairmen- Mrs. Storrs Barrett and Mrs. Mae Fucik, are still absent from the Bay.

The speaker, Mrs. A.L. Blackstone, of Waukesha, past president of the Wisconsin Federated Woman's Clubs and General Director of the Wisconsin

Federated Woman's Clubs and Dean of the Directors, whom it is always a pleasure to listen to, spoke on the subject - "Price Tags in Clubwork".

"There is a price tag on everything in life, even one's time. When we go to a store to make a purchase we look at the price tag and demand the best value for our money. So it is in the way we utilize or spend our time. Demand the best of yourself and give it for the best to be. Do a work which is of high value to your community, something beneficial. A club program without a project is useless. Put a price tag on a worth-while project and work toward it to help someone or some ideal. You will get much out of it as well, because you are willing to spend some of your time for the good of others.

Everyone has an opportunity in life to pay the price for a part in doing for others. There are two kinds of people in the world- those who take, and that is all, and those who give, and gain much by giving."

TAPS

Day is done. Gone the sun,
From the lake, from the hill,
From the sky,
Rest in peace, all is well,
God is nigh.

In the center of each table was a dainty green crepe paper basket filled with colorful snapdragons. Mrs. Lawrence Fenton was chairman of decorations.

IT CAN BE DONE, SAYS P.W. RYAN

Mr. P.W. Ryan who has the contract for grading S.T.H. 36 at Fontana and the road between there and Williams Bay and along the lake shore in Williams Bay, says that he hopes to have the grading at Williams Bay done by June 15th. Let's hope he does. Our lake shore is a busy place and we need its full free use for the traffic especially week ends and over the Fourth of July.

GOOD REPRESENTATION AT MEETING TO DISCUSS CURB AND GUTTER

At the invitation of the Special Committee of the Village Board, Eric Werner, Harry Breen and Alfred Pederson, the community room was filled with property owners on the following streets on which curb and gutter are suggested: Elm. Spring, Collie, Congress, Clover, Geneva at the west from Stam St., Williams St.

There was much discussion both for and against. The Committee stressed the fact that it was up to the owners and that no one was forcing the curb and gutter upon them. The village board had received a W.P. A. grant of the labor needed for the job and an allowance of \$6 per man who worked on it per month. The village board would follow previous precedent of paying one-half material cost out of general funds. It therefor would cost the property owners 20¢ per lineal foot.

Many owners signed up at the meeting, others were favorable but wished to further consider and others were not as yet convinced. The committee will continue to find out what those not present wish including non-resident owners. A majority in each block is needed to make it legal to go ahead.

BY TONIGHT BAY OIL SERVICE STATION MAY BE MOVING.

For several days preparations for moving Bay Oil Service Station have been going on. Piehl & Piehl have the new foundations in place. Al Robers has been jacking up the building.

Meantime business has been going on. Today Roy Johnson is using one of Piehl's tool sheds for a service station.

We have been waiting until going to press to see it on the move but have to report that part next week.

It is quite a task but all say that Robers can do it if any one. He was the mover for Beauvais Boat Co. recently.

LEE'S KITCHEN BEING DOLLED UP

Bjorge's Decorating Co. put new Wall paper on Lee's Kitchen this week. It is decorative in red and white, keeping up the sailing designs.

It is a popular place for the ice boaters in Winter and sailing crews in Summer.

PHIL FOGLE READY TO OPEN UP

If weather conditions are favorable so that there are visitors on week ends, Phil will have his Grill open soon. He has enlarged the counter space by making a circular counter.

CHARLES SAWYER TO BE SALESMAN FOR ALFRED PEDERSON

Our new Justice of Peace has the books and papers from Phil Fogle former Justice and is busy studying what it is all about.

There is no reason why Justice cases cannot be tried at home. In the past there has been a trend toward rushing offenders over to Elkhorn.

Judge Sawyer should be given a break. He is capable and will soon be up on the points of the justice work he need know.

He will be handy this Summer as he will be employed as a salesman by Alfred Pederson in Real Estate. Cases can be tried at the Village Office in the Fire Station.

IT WONT BE LONG NOW

Signs of Fishing Season are to be seen in the piers going in. Prusner and Denton braved the cold wind to work on theirs.

Licenses for Fishing are available but fishing in real earnest does not begin until May 15th.

Provision for boat piers was made last board meeting by licensing space on the shore.

Miss Edna Tulane, Wms Bay, who is a graduate student in art at the University of Wisconsin has sculptured a cheese statuette of Mr. Stephen Chadwick, national commander of the American Legion. The presentation was made at the 20th birthday banquet of the American Legion held in Madison on March 17.

At the banquet, at Mr. Chadwick's request, the cheese statuette was shipped under refrigeration to the commander's home in the State of Washington. The statuette was sculptured out of Wisconsin longhorn cheese.

A group of fifty relatives and friends gathered at the home of Mr. and Mrs. Howard Reynolds, west of Williams Bay, on Saturday evening, April 8, for a celebration in honor of the Reynold's silver wedding anniversary.

Cards and Bunco were played. A buffet supper was served. The guests of honor received a purse of silver and gifts of silverware.

BAY LEAVES is happy to extend congratulations.

Mr. and Mrs. Wm Peterson, Geneva Street, are the parents of a little daughter, born Saturday, April 8, at the Walworth County Hospital. The little Miss weighed 7 pounds, 6 ounces. Both mother and child are doing nicely.

Mrs. Peterson was Evelyn Blodgett of Delavan before her marriage.

WMS BAY WOMAN'S CLUB MEETING

Mrs. Oscar Waterbury, Geneva Street, will be hostess for the Wms Bay Woman's Club regular meeting, on Friday, April 14, at 2:30.

Mrs. Jesse Greenstein will give a paper on "Development of Architecture", with Mrs. E.W. Tess

On account of Ruth Ellen Ohl, Recreational Director, being in Mercy Hospital, Janesville, this week for a tonsilectomy, there will be no recreational activities at the Library on Friday and Saturday. The Library will be open on Friday evening from 7 to 9 as usual.

LAKE GENEVA RESIDENTS HAS REAL INTEREST IN MONTY STRATTON
BENEFIT NEXT MONDAY

SPRAGUE THEATRE- ELKHORN, WIS.

YOUR BEST ENTERTAINMENT

Our Lake shore resident Mr. Philip K. Wrigley is donating the services of the Cubs and of course the players are doing their part to in someway make life a little easier for their fellow player, Monty Stratton who last Fall lost his leg from a gunshot wound.

Monty was loved by his own team and oponents and had a great pitching career ahead of him, which was ended by the accident, for one must have two good legs for baseball.

Sales are mounting with firms like Ford Motor Co. buying 500 tickets for employees, others are doing likewise.

R.G. LYDY ALSO HELPING

Mr. Lydy who lives at Aloha Lodge on Lake Geneva year round has very graciously offered the grosse receipts from his two large parking lots near Cominskey Park for the day. This offer should add possibly near \$3,000 for the Fund, which should ru upwards of \$15000 in all.

RYERSON ESTATE SOLD LAST WEEK

The buyers are Simmons & Kehoe, Inc. 4601 W. Gladys Av., Chicago. It is a business venture for them and the deal has been consumated so quickly that even they don't know what it is all about.

The firm deals in beverages and it is an investment of the company. That isn't anything new as Cedar Pt Park was purchased by Jaeger & Pederson who were in the Awning business in Chicago.

The selling price had dropped from \$125,000 to \$50,000. At the latter price there were several disappointed prospective buyers.

This beautiful estate will probably be broken into smaller ones, more families be permitted to enjoy the lake.

There were 25 in attendance at the party and supper was served at 6:30 o'clock.

Several people from Wms Bay will attend the funeral services in Chicago on Friday afternoon, at the Faron Lutheran church, for Mrs. Josephine Berkman, mother of Mrs. Gunnard Pichl, Delavan, who passed away at her home suddenly on Tuesday morning. She had spent Easter Sunday with her daughter and family in Delavan, apparently in her usual health, and her sudden death is indeed a great shock to her family and friends.
