Memorandum

From: Landscape Architecture Date: April 5, 1945
To: Dean Machmer (copy to Miss Jennings)
Subject: Completion of Miss Jennings' Work in L. A. 54

Miss Patricia Jennings, who is taking L. A. 54, has been in to see me relative to her leaving school previous to the close of the semester. She has done very good work to date relative to the lay-out of the physical plant for recreational purposes.

I have suggested to her that she essentially continue her course in the field in the form of monthly reports of the physical arrangements which she finds and under which she works or which she must make before carrying out her recreation program, and that a complete grade will be recorded on the basis of these reports. This should make it possible for her to obtain her degree by 1946.

I trust this meets with your approval.
