<http://rightsstatements.org/vocab/InC/1.0/>

The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

*"Tomorrow's
Orthopedic Company
Today"*

IMPROVED

**introduces the HEFFINGTON LUMBAR SEAT
spinal surgery frame.**

U.S. Pat. 4,391,438 — U.K. Pat. 2,100,132B — Can. Pat. 1,174,719

- eliminates vena caval pressure, resulting in decreased epidural venous bleeding, decreased intraoperative blood loss and better visualization.
- allows free motion of diaphragm resulting in better ventilation.
