The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

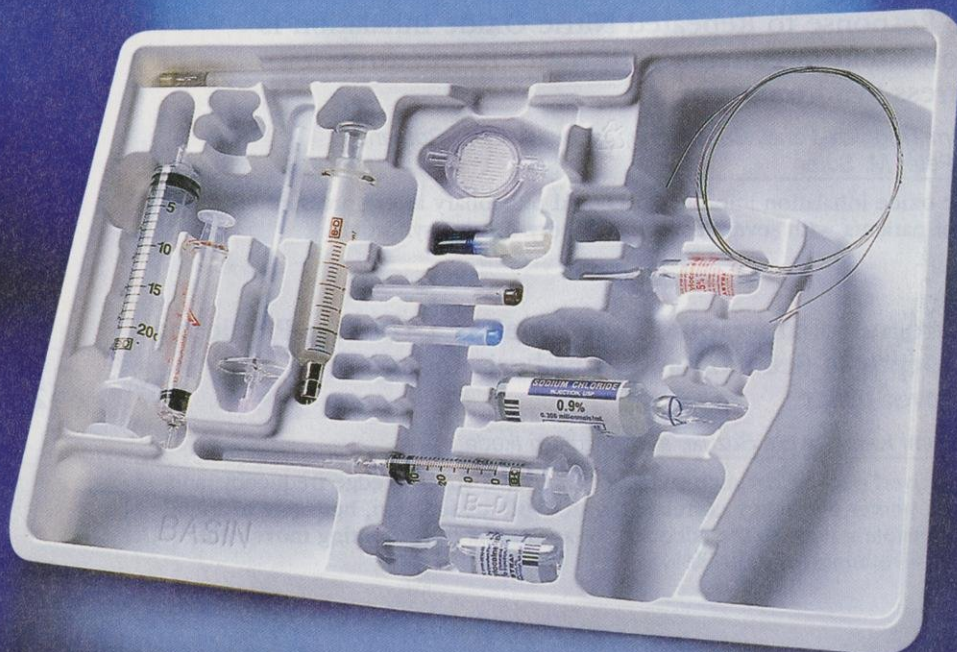

BAXTER AND B-D TOGETHER IN THE SPOTLIGHT

The new alliance in regional anesthesia trays

Successful relationships require the right partner. That's why it was such a natural for Becton Dickinson and Baxter, two of the world's leading providers of healthcare products, to join forces for regional anesthesia.

The alliance to produce Spinal, Epidural, and Combined Spinal and Epidural (CSE) regional anesthesia trays will enhance the quality, service and product offerings for your healthcare institution.

Call Baxter at 1-800-933-0303 or B-D at 1-800-817-1702 and ask to see our complete product offering.
