INTRODUCTION

The Janesville City Directory is herewith presented to patrons in the belief that it is complete and comprehensive, and emodies all that is vital to the commercial, financial and industrial interests of the city. The work will be found to measure up to the standard established in previous editions which proved acceptable to patrons as meeting their needs for a valuable book of reference regarding the city. This work has several distinct departments set forth as follows:

The Miscellaneous Department, contained in pages 9 to 20, gives information respecting city and county government, banks, business associations, cemeteries, churches, convents, hospitals, courts, incorporated companies, justices of the peace, fraternal, benevolent and secret societies, newspapers, parks, schools, post offices, libraries, state institutions, etc.

The Buyers Guide, covering pages 21 to 68, is a valuable feature of the work and contains the advertisements of progressive business men and concerns, printed on tinted paper; these advertisements are compiled under headings adapted to the subject of the business activity.

The Street and Avenue Guide and Directory of Householders is included in pages 69 to 136.

The Alphabetical List of citizens, business concerns and corporations is embraced in pages 137 to 494.

The Classified Business Directory is embodied in the final pages of the volume at pages 495 to 595; in this section the names of all those carrying on business or industry in the city are arranged alphabetically under headings appropriate to the class of business pursued.

JANESVILLE

Characteristics of a Southern Wisconsin Municipality

Janesville is located nearly in the geographical center of Rock County, on the southern border of the State. It was first settled in 1835, incorporated in 1853 and made the judicial seat of the county in 1839. It is 91 miles northwest of Chicago and 71 southwest of Milwaukee, on the C. & N. W. and the C. M. & St. P. Rys., also the Rockfield & Interurban Electric Ry. The shipping facilities are among the best in the State. Fine water power is afforded by Rock river. A first class system of water works and an efficient fire department are ample security against fire. The city has gas and electric light works, electric street car lines, fire alarm telegraph, a daily and a weekly newspaper, high and graded schools and churches of the leading denominations. Tobacco raising, now one of the leading industries of Rock County, is of immense value to the city and has given rise to the establishment of numerous wholesale and jobbing houses in leaf tobacco; the manufactures are extensive and comprise cotton mills, fireless cooker works, woolen mills, flour mills, barbed wire fence works, overall factories and a variety of other important industries.

POPULATION

The Federal Census of 1920 credited Janesville with a population of 18,293, a gain of 5,199 over the census for 1910.

THE JANESVILLE CHAMBER OF COMMERCE

The Janesville Chamber of Commerce is the local Power House of Progress, and is behind every forward movement having to do with the interests of Janesville, social, commercial and industrial; the Chamber fosters every enterprise already here and invites and encourages newcomers.

ADVERTISING JANESVILLE

Copies of this Directory are placed by the publishers in the Directory libraries which are maintained in the leading cities of the country, where they serve to advertise Janesville and its manifold interests.

Where Keys Are Kept—Keys to open the doors of all boxes are kept in a little box fastened to the pole by the side of the street box, the box having a glass cover

Directions for sending in fire alarms—In case of fire go to the nearest street box, break the glass cover of the key box, take the key from the hook and place it in the door of the street box, which has a spring lock and is easily worked; the lock being released, open the door; place the index finger over the little brass hook or lug projecting from the slot near the top of the inner door, pull the hook down quickly, but steadily, to the bottom of the slot and let go immediately; the hook will fly back to its original place and the fire department will do the rest; persons turning in an alarm should remain at the box until the arrival of the department for the purpose of giving information as to the location of the fire

Signals given on the fire bell—Two taps on the fire bell, after the alarm from the box has been sounded, calls for one hundred pounds direct pressure; this signal repeated calls for 125 pounds pressure; three slow taps after the alarm means "fire out;" one tap on the bell denotes broken wire; the steamer responds to alarms from boxes 65 and 67

CLASSIFIED BUYERS' GUIDE

of the City of

Janesville, Wis.

1921

The Buyers' Guide contains the advertisements and business cards of the most progressive business men and firms in our city, classified according to lines of business. The habit of using these Classified Lists will save the buyer large sums of money. It is the modern and up-to-date method of finding what you want and who sells it.

GO WHERE THE MONEY IS

Said James J. Hill

The great "Empire Builder" put a world of good advice in five words, too, when he said it. If you expect to earn a larger salary, you must prepare to go where larger money is being paid—qualify for the work—specialize—make your ability MARKETABLE.

Our Courses have pointed the way to hundreds. Don't delay. Remember you can begin here ANY DAY. We teach you individually. Write for full information or call to see us.

The Association of North American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or "fake" Directory.

Flooded With Sales?

DID YOU ever send out advertising that produced so many inquiries and orders that you were "flooded?"

If so, you know the importance of correct, reliable

Mailing Lists

and are willing to go to almost any expense to get them.

Our mailing lists are not expensive, but they are up-to-date and complete.

As publishers of over 400 Directories we possess list facilities superior to any other list house.

Tell us the class of prospects you wish to reach, and we will offer some suggestions free and without obligation on your part.

Some of the shrewdest advertisers in the country patronize us—why not you?

LAKE D & C LINES

For Business and Pleasure Trips Use D & C Line Steamers

The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, six trips weekly between Detroit and Mackinac Island, the historic summer resort of the North Country, and from July 1st to September 14th a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D. & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address G. P. A., Detroit, Mich.
