Meeting called to order by the President,
Roll call, all present, but Dave Jones & Ed Campbell,

the following, is a report of above named Committee,

To the President, and Village Board, of the Village of Barneveld, Gentlemen:

Your committee, on streets and sidewalks to whom was referred the question of the amount of Walks necessary to be laid during the year; beg to report as follows,

We have examined the Streets and Sidewalks of the village, and in our opinion the Sidewalk on Main Street, from the southwest corner of Lot 2, Block, 9, northeast, to the Southeast corner of Lot 7, in Cassidy's addition, and also, the Sidewalk in front of the property owned by Mrs Ann Roach, on Fenton ave, and said Hostenburg are insufficient, and should be replaced by Cement Walks,

and that new Cement walks should be laid as follows, on Kenzie Street, from the intersection of Said Street, with main Street, to the Southeast corner of Lot 1, Block 3, and also, on the West end of Douglass Street, on Douglass Street, from its intersection with Kenzie Street, northeast, to the Sidewalk now built in front of the School Building.

on Main Street, from the South East corner of Lot 7 in Cassidy's addition, north East, to the Southwest corner of Lot 11 in said addition, and on Wood Street, from its intersection with Grove Street, northeast, to the Southwest corner of Lot 2, Block 13, all of which is respectfully Submitted.

Ed Campbell, W. J. Davis, Eph Kendrick, Committee.

The following Resolution, was also presented.
Resolved that the following Sidewalks, in the Village of Barneveld, are unsafe, defective, and insufficient, to wit
on Main Street, from the Southwest corner of Lot 2.
Block 9, northeast, to the Northeast corner of Lot 7 in
Cassidy's addition,

and the Sidewalk in front of the
property owned by Mrs Ann Roach and said Roach on Jennerstown ave
and it is further ordered, that the said Sidewalks be, and they
are hereby required to be removed, and replaced by the owners of
the land which they abut, and replaced by new Standard
concrete walks, as fixed by the Specifications, hereinafter
mentioned, within twenty days, from the service of the notice
made subsequent to, and by reason, of this order.

and be it further Resolved,
that the public good demands, that new Sidewalks be laid
in the said Village, as follows;

on Kenzie Street, from the Southeast corner of Lot 1
Block 12, in a Southwesterly direction, to the Southwest
corner of Lot 1, Block 3. and also, from the Southeast
corner of Lot 8 Block 3, to the South line of Douglass Street.

on Main Street, from the ~~South~~ East corner of Lot 7,
in Cassidy's addition, North East, to the ~~South~~ East corner
of Lot 10, in Cassidy's addition,

on Douglass Street,
from the intersection of Douglass and Kenzie Street, Northeast
to the Cement walk in front of the School Building.

And on Wood Street, on the North Side, from the Southwest
corner of Lot 4, Block 13, to the Southwest corner of Lot 2.
Block 13.

and be it further ordered,
that the said named walks be, and they are hereby
required to be built by the Owners of the property on which
they abut. Said walks to be Standard concrete walks
as fixed by the Specifications hereinafter mentioned
within twenty days, from the Service of the notice
made subsequent to, and by reason of this order.

Electric light, was the subject of
discussion, The President said he
had wrote Blue mound Officials different
times, also those in mount Horeb
and had received no answer to
his letters, The prospect of building
a line down through mounds Creek
to connect with mazomanie, was
deemed about the best route as we
would evade telegraph and telephone
wires, that might cause trouble at
times in going direct to mount Horeb,
also, we would save the Switch fees
of mount Horeb, and Black Earth,
the cost of building. To mazo of course
being more, as it is farther but
ultimately it would save more, in
Evading Mt Horeb & Black Earth charges
connected therewith, if we adopted
that route? or building a line to Mt Horeb,
after considerable discussion it
was decided to send our President
to mount Horeb on the 4th of march,
meet those in authority there, and
also visit the Rate Commission at
madison, to know the means of
farther procedure, pending the
Election on April first
on motion we adjourned, to meet

Dec 4, 1946 -

The following resolution was offered and read by Trustee A. G Campbell who moved its adoption:

A RESOLUTION PROVIDING FOR AN APPLICATION TO THE PUBLIC SERVICE COMMISSION FOR A CERTIFICATE OF AUTHORITY.

WHEREAS, no General Public Water Supply now exists in the Village of Barneveld and it is essential that a water works plant and system be constructed and established in the said Village so as to promote the proper sanitary conditions therein and to provide for fire protection service;

WHEREAS, it appeared to the Village Board of said Village that it was feasible that a water works plant and system be constructed and installed in said Village and that if the same was feasible that public convenience and necessity require that such construction and installation be made;

WHEREAS, this Board hired W. G. Kirchoffer, professional engineer of Madison, Wisconsin to make a survey of said Village as to the feasibility of the construction and installation of such a plant and to prepare preliminary plans and preliminary estimates of cost for such a plant and system;

WHEREAS, the said W. G. Kirchoffer made such a survey and reported to this Board that such a plant and system was feasible and advised that such a plant be installed;

WHEREAS, the said W. G. Kirchoffer made preliminary plans for such a plant and system, which plans are on file with the Village Clerk and estimated the cost of such construction and installation as follows:

Well 16" - 12", 260 ft. plus 3 shots.....	$ 5000.00

AND WHEREAS, the question of construction of such water plant and system and the financing of same has been put to referendum of the electorate of said Village and by said electorate approved.

WHEREAS, before said Village can transact business as a public utility and before the Village can begin the construction and installation of the well, pumping plant and water mains a certificate of authority must be obtained from the Public Service Commission of Wisconsin in accordance with its order 2-U-637 and Section 196.49 of the Wisconsin Statutes:

AND WHEREAS, the figures given by W. G. Kirchoffer, as set forth above, are merely estimates and because of such fact and because of changing costs it is the determination of this Board that the certificate applied for should be for the sum of Forty Thousand ($40,000.00) Dollars;

WHEREAS, this Board and each member thereof has examined the preliminary plans as made by the said W. G. Kirchoffer and finds that such plans meet their approval;

WHEREAS, temporary rates should be set by the Public Service Commission for the sale of water to consumers when the same is available from said plant and system.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Barneveld, Iowa County, Wisconsin as follows:

1. That the preliminary plans and recommendations of W. G. Kirchoffer above referred to be and they are accepted and approved and it is hereby determined that public convenience and necessity require that such plant and system be constructed and installed.

2. That said Village proceed to obtain the necessary authority from the Public Service Commission of Wisconsin pursuant to Section 196.49 of the Wisconsin Statutes and the Commission order 2-U-637 to transact business as a water utility and to construct and place in operation a well, pumping plant and water mains as set forth in the Kirchoffer report and preliminary plans and to have the Commission set temporary rates for the sale of said water, and the Village President and the Village Clerk be and they are hereby authorized and directed to execute an application for these purposes and George Larkin and John N. Kramer, attorneys for the Village be and they are hereby authorized and directed to institute and carry forward such legal proceedings as may be necessary to obtain such approval.

3. That the application to be made to the Public Service Commission aforesaid shall set forth the sum of Forty Thousand ($40,000.00) Dollars as the amount this Board has determined to be necessary as the sum that said Board will be authorized to expend in constructing and placing in operation said water plant and system.

Minutes of Meeting

Feb 13/48

Mr. Fred V. Starry,
Chief of Fire Department,
Barneveld, Wisconsin.

Dear Chief:

We are sending for your information a copy of our recommendations to the Commissioner of Insurance concerning the eligibility of your village for fire department dues. After you have read it over, it is our suggestion that you turn it over to your Village Clerk for permanent filing.

A short time ago our Mr. Statz made routine inspections in Barneveld and no doubt gave you the necessary information concerning this work. We are enclosing, however, a copy of our pamphlet on instructions as to inspections as well as a sample inspection record card. You will find information concerning the record card in the bulletin.

From now on at the end of every inspection quarter you will receive a quarterly report card from us to be filled out and returned promptly. We call attention to the fact that the receipt of the 2 per cent fire department dues, now that your village is eligible will depend upon inspection work and proper reports made to us.

Very truly yours,

INDUSTRIAL COMMISSION
