The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Prevents vitamin deficiencies

# 'Multicebrin'

(PAN-VITAMINS, LILLY)

When dietary restrictions must be imposed on patients, supplementary vitamins are usually prescribed. In these cases, physicians often specify Gelseals 'Multicebrin'—a complete, carefully standardized multiple-vitamin product. The most rigid specifications for stability and potency are met. In formula, quality, and price, 'Multicebrin' is unexcelled.

'Multicebrin' is promoted through professional channels exclusively.

Available in packages of 100, 1,000, and 5,000.
