ILLINOIS READY

TEAM AND ROOTERS WILL ARRIVE TO-NIGHT.

Men in Fine Condition—Large Crowds Expected From Outside—The Line Up.

The Illinois team accompanied by trainers, coaches and a few faithful rooters, left Champaign this morning over the Illinois Central and will arrive in Madison this evening. The men are all in the best of condition and although not confident of winning, they feel sure they can hold the Badgers down to a lower score than Minnesota made against them. Their last practice was held last night and from the reports was very satisfactory to the coaches. The scrubs were never able to hold the regulars, Stahl and Coons tearing up their line for long and repeated gains. The placing of Captain Hall and Cook at the ends has greatly strengthened the defense of the team and they feel certain that Cochems and Larson will not be able to circle their ends for many yards.

Coach King kept up his program of light work for the Varsity and they were given but about ten minutes of hard work. The men are feeling fine and guarantee that Illinois will second the Maroons' statement that Wisconsin is the best team in the west before the game is over. Present indications point to a large attendance. Large crowds are expected from the neighboring cities and if the weather be fair the attendance should reach the 5,000 mark. The game will start promptly at 2 o'clock. Evarts Wrenn will umpire and Ralph Hoagland will act as referee.

The teams will line up as follows: Wisconsin: Juneau, r. e.; Curtis, r. t.; Lerum, r. g.; Skow, c.; Riordan, l. g.; Chamberlain, l. t.; Abbott, l. e.; Tratt, q.; Larson, r. h.; Cochems, l. h.; Driver, f. b.

Illinois: Hall, l. e.; Stahl, l. t.; Coons, l. g.; Smock, c.; Rothget, r. g.; Lindgren, r. t.; Cook, r. e.; Matthews, q.; Diener, l. h.; Lundgren, r. h.; Briggs, f. b.

Nothing From Iowa.

No word has yet been received from the Iowan authorities in regard to the proposed game. The general impression seems to be that the chances for the meeting are exceedingly slim. Word from Iowa City states that the matter has been left in the hands of the team and it depends to a great extent upon them whether Wisconsin's offer be accepted or not.

Faculty Reception.

About three hundred faculty members, their wives, and towns-people participated in the annual faculty reception given by Acting-President and Mrs. Birge in Library Hall last night from 8 to 11. Professor and Mrs. J. B. Parkinson, Dr. and Mrs. W. W. Daniels and Professor and Mrs. B. W. Snow assisted Dr. and Mrs. Birge acting as a general reception committee.

The spacious hall in the old Library was tastefully decorated. The stage offered a very pleasing spectacle being banked as it was with palms, chrysanthemums, bunting and flags. With the two statues in the rear of the stage the effect was altogether pleasing. The delicately red shaded lights emitted a very softening light. From behind the bank of flowers discoursed the music of the Anderson mandolin orchestra. The balcony

was excluded from view by a continuous ribbon of "Old Glory," and red streamers. In the center of the hall was arranged a pyramid of palms, the green was relieved by the scattering of white chrysanthemums.

The old reading room was used as kitchen and dining room, the latter being designated as the "Cardinal Room" as it was decorated entirely with cardinal. In the center of the table was placed an immense bouquet of beautiful flowers, Chinese lanterns quaintly illuminated the room. Doubtless this will be the last time that many of the faculty will see the old alcoves of the library as it is soon to be remodeled and occupied by the school of music.

Dr. and Mrs. F. C. Sharp, Mrs. A. F. Eaton, Mrs. W. S. Marshall, Mrs. A. G. Laird, Mrs. E. T. Owen, Mrs. J. M. Olin, Mrs. W. Miller and Miss K. Allen served refreshments.

TO-DAY'S CONVOCATION.

A New Booklet of 'Varsity Songs Issued.

Today's Convocation proved an unqualified success. The attendance was large and great enthusiasm was manifested throughout. Without doubt, there is to be new life in the song feature of our coming Convocations and today marks a new era in that respect.

At the opening of the meeting, Professor Parker announced a new collection of Convocation songs which had been compiled and which were given to the students. He said, in part, that the collection of thirty-six pages of songs contained forty-four selections, which the committee considered the best compilation possible. There is far greater variety than ever before and the collection is put in more convenient form. The collection consists of our University songs, general college songs, Scotch and Irish ballads, American negro melodies, national hymns, a few Latin songs, and twenty-one German songs.

The latter are mostly of the folk-song type with melodies easily learned. A few are not adapted to use by a chorus of voices but are inserted because of their classical value and that students may follow the words while being sung and more easily learn them. These German songs have proven great favorites wherever they have been introduced.

The singing then began. The first number was one of Burn's ballads,—"Oh, Where, Tell Me Where?" next came "Bright College Years."

Professor Olson then gave a brief sketch in English of the greatest of Heinrich Heine's songs, "Die Beiden Cavaliere" after which he favored the gathering with singing a solo.

Professor Olson led the singing, while Professor Parker accompanied him on the piano. The following German songs were then taken up: Der Tannenbaum, Freut euch des Lebens, Abschied, and Lorelei.

Dean Birge next announced the taking of a census of those present which was done by means of blank forms. This was simply a method of taking the attendance as sophomores and freshmen are required to be present.

Professor Olson then rendered the beautiful Austrian National Hymn. This was followed by the "Wisconsin Hymn" composed by Mrs. Adams, which is sung to the same tune.

"Des Zerbrochene Ringlein," "Die Unterlander's Heimland," and "America" completed the program.

—Miss Carrie Knox, '04, has been entertaining her sister at the Hall for a few days.

ENROLLMENT

STATISTICS COMPILED FROM NEW DIRECTORY.

Increase Over Last Year 140—Total For the Year Will Reach 2,500.

The University directory for the present college year is now in the hands of the printers and will be issued in a few days. The directory contains classified statistics of the enrollment up to the present time and shows a net increase in attendance at the University of one hundred and forty over the enrollment of a year ago. This leaves out of account the several hundred Short Course students who will enter early next month. With the arrival of the agricultural students the University enrollment will approach nearly twenty-five hundred.

The enrollment of the various classes is as follows:

Huxley.

The lecture on Huxley that is to be given next Tuesday evening is something that no student should miss. Dr. Birge has spent considerable time in the preparation of this lecture and it has been given out of town on several occasions, but has never been presented in Madison. It is an opportunity to hear the life of a famous man handled in a competent manner that rarely presents itself. Huxley as one of the great leaders in modern science and thought, is a figure whose life and accomplishments should be familiar to every one. The Science Club, whose president Dr. Birge is, has arranged to have the lecture take place in Main Hall so that every one wishing to hear it can be accommodated. It is two good a thing to be missed.

Might be Added.

The University Directory, which is ultimately to make its appearance is one of the most useful little pamphlets that a student can have in his possession. But it would seem an open question whether its utility might not be increased in at least one direction, viz., that of the addition of students' telephone numbers. In these days, when nearly every boarding house has a phone connection it would not be out of place to add the numbers to the directory. It is impossible to remember all the calls and yet a great deal of time might be saved did each student have at hand this useful bit of information. The University is among the telephone company's best patrons and any increase of facilities should be

avored by all, especially when it would cause no more expense than it would in this case.

Students' Hospital.

The article printed under this head in yesterday's issue of the Cardinal has been found to be quite misleading. The real facts are these. There are two hospitals in the city: One the hospital for contagious diseases on East Washington Ave. beyond the Yahara; and the other the General City Hospital at the junction of North Hamilton street and Gorham, near the waterworks. This hospital is in fine condition, well managed, and has accommodations for 20 patients.

The sororities of the University maintain a bed in this hospital for the use of any of their members. Other organizations also maintain beds. Would it not be well for the Fraternities and the Literary societies to thus provide hospital accommodations for their members.

The hospital is open to the general public and is filling a long felt need in the city, and will fairly satisfy all demands until the new and larger hospital can be built.

Tau Beta Pi Initiates.

Thursday night in the fraternity rooms in the Brown Block the following were initiated to Tau Beta Pi, the honorary engineering society, to which members are elected solely on their high scholarship:

GIRL'S GLEE CLUB.

Practicing Selections From "The
Ameer" for Greek Play.

The prospects for a very good
Ladies' Glee Club this year are very
bright. The club was very successful
last year and most of its members are
back this year. Besides there is
plenty of good material in the Uni-
versity from which to choose new
members, so that an excellent club
should be formed.

The young ladies are now practicing
several selections from "The Ameer"
which will be given at the Greek play
which is to take place in January
under the auspices of the Self Govern-
ment Association. They will also
give a Glee Club concert this year
similar to the entertainment which
was so successful last year, and will
sing on various other occasions.

Of the candidates who tried for the
club the following have been chosen:
Second soprano, Elsie B. Zinn; second
alto, Ethel Moore, Grace Goddard,
Ann Hughes, Esther Conklin, Clara
Pfisterer.

There may be some additions or
changes in the club but as things
stand now the club will consist of the
following members; first soprano,
Anna Gapen, Edith Balsey, Edith
Rumsey, Daisy Wentworth; second
soprano, E. Blanche Clark, Harriet
Sawyer, Laura E. Sage, Elsie B. Zinn;
first alto, Ester Donnelly, Elsie
Sawyer, Lulu Anderson, Edith Patten;
second alto, Ethel Moore, Grace God-
dard, Ann Hughes, Esther Conklin,
Clara Pfisterer.

A great many students are finding
that a typewriter is almost a neces-
sity. When we remember that one
can get through with from three to
ten times as much work on a type-
writer as with a pen it does not seem
strange that they are coming into al-
most universal use.

The Madison Cycle Co. at 113 State
street rents all makes at very reason-
able rates and also carries a full line
of typewriter supplies.

Every one is looking forward to the
Charity Ball on the 23rd. Tickets are
