The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# Great Scrubs. Free Catalog.

Take a look at our new spring and summer prints. We also have new baseball tops, new lab jackets, new zippered pants for men and drawstring pants for women. Call to receive our free four-color catalog.
