Come Along

With Me . . .

... To Discover A Way Of Life

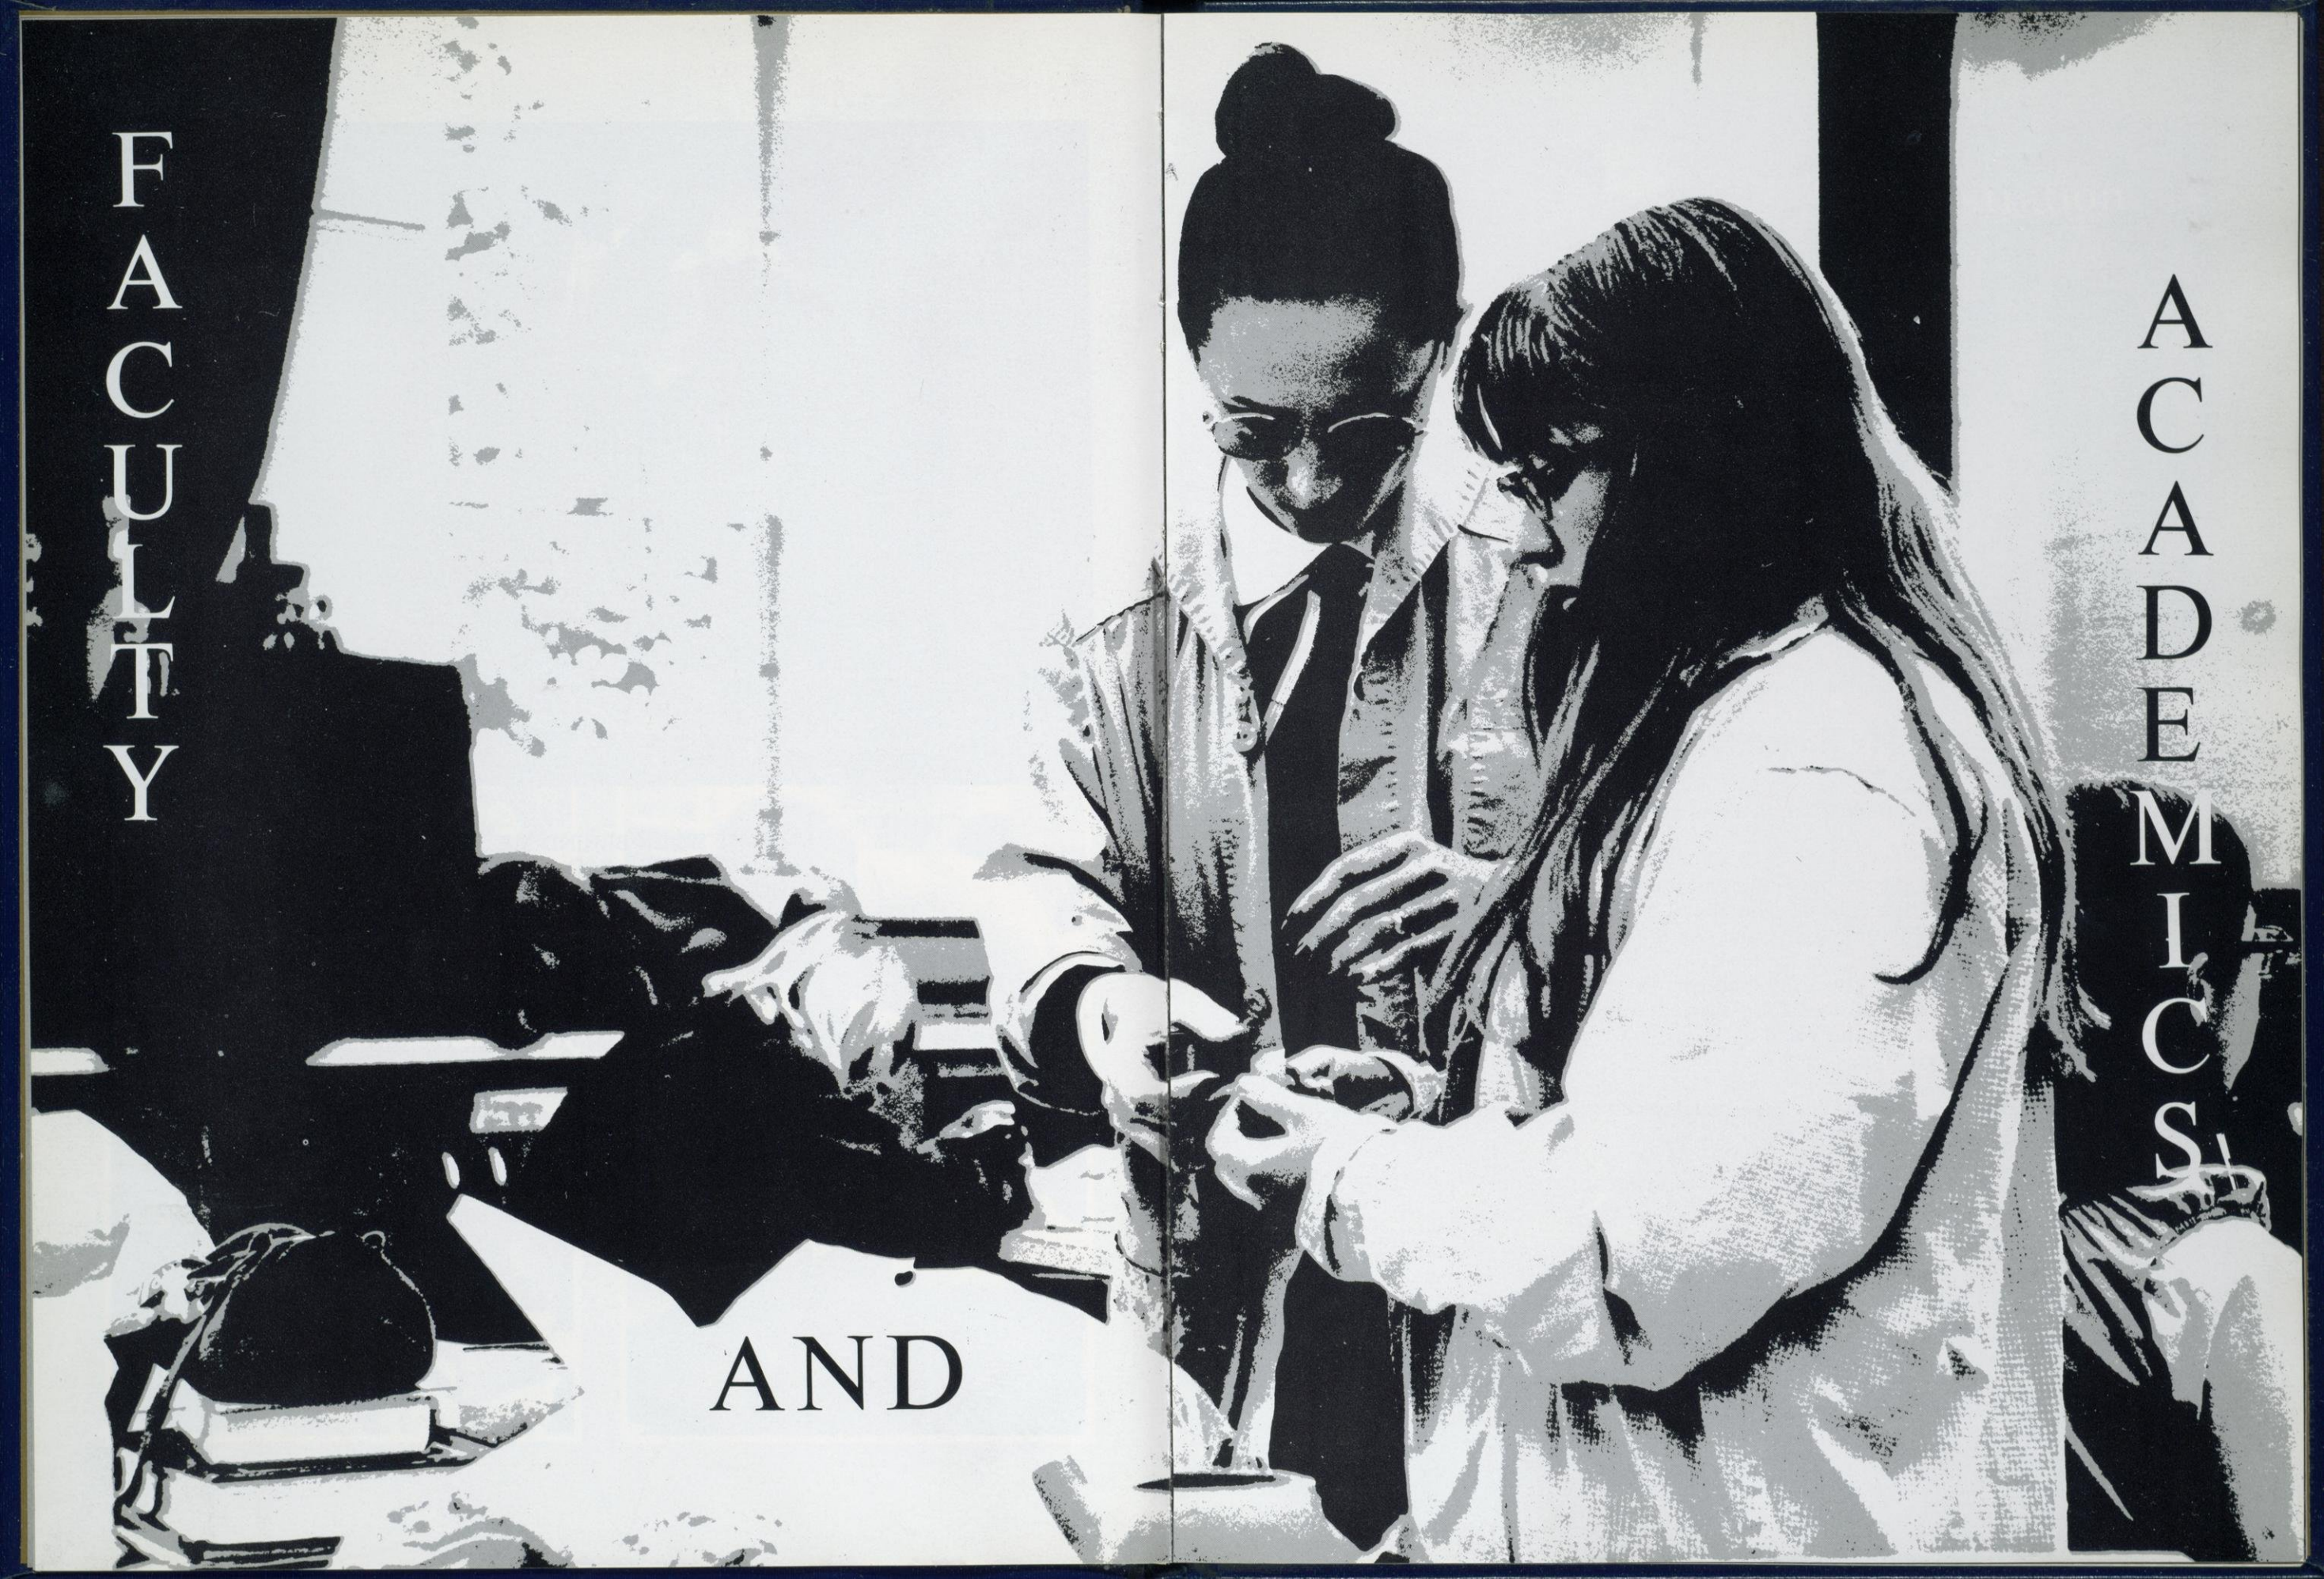

DON'T WALK BEHIND ME
I MAY NOT LEAD
DON'T WALK IN FRONT OF ME
I MAY NOT FOLLOW
JUST WALK BESIDE ME
AND BE MY FRIEND

Step out of the present and fall back into the past. The past where you started to walk forward to find your life's goal. The goals that so often took a leap backward instead of progressing ahead. The goals that you thought you could never accomplish; the ones that surprised you when you fulfilled your dream. You'll remember things you thought you would forget, laugh at the foolish things you did, and remember all the fun times you had on the road to life. It seems funny though, that some roads never end. Just as one never stops learning. So, come along with me, and follow the path down memory lane.

WHS Board Of Education

On behalf of the Board of Education, it is an honor to have a part in the annual this year.

You have asked me to express the feeling of the Board of Education toward the students of Waterford High School. The Board of Education regards the students of Waterford High School very highly and has their interest at heart.

Students in our schools are given the opportunity of reaching for their individual goals without restrictions. If each fully appreciates this heritage, then each will re-examine his own set of values and strive to make life's personal experiences both satisfying and enriching.

Many thanks to our administrators, our faculty and all personnel for making Waterford High School the very best.

On behalf of the Board of Education, I wish to congratulate the Class of 1973.

ORGANIZATIONS

Go Wolverines Go!

Spirit is the key that opens the door to a good school. Pep club brought on that spirit by selling buttons, making signs, and organizing the great pep rallies we've had. If you've been at any athletic event, you've heard the pep club proving that "WOLVERINES ARE THE GREATEST" Spirit is what we need, and spirit is what we've got!

PEP CLUB: ROW 1: L. Davison, B. Wunder, S. Christiansen, D. Ketterhagen, S. Bennett, D. Dufenhorst, D. Degner, S. Just, K. Ketterhagen, N. Wagaye, ROW 2: L. Gellings, L. Newton, S. Greil, T. Boyce, S. Whyte, M. Taylor, B. Revolinski, M. Maas, P. Gohs, K. Homberg, D. Zick, ROW 3. D. Funk, K. Willick, N. Tufford, N. Martins, R. Leverance, J. Kempken, T. Johnson, D. Frost, B. Joehnk, T. Expanding Your Horizons

LIBRARY CLUB: K. Wolfe, L. Schoof, L. Martin, M. Berka, Mrs. Daugherty. ROW 2. V. Hansen, K. Wacker, S. Just, C. Kranz, S. Oliver, J. Evans, S. Oliver, S. Dahl, K. Hayes, M. Fritsche, L. Lewis, J. Hillert, A. Nelson, L. Bennett.

The Library Club (PICTURED ABOVE) helps Mrs. D. during their study halls and free periods. They not only assist her with checking out the books and magazines, but they also handle tough tasks such as pasting pockets in the books and distributing them on the shelves. This club is a rewarding experience for all those who enjoy books and being involved with the handling of books.

For the past three years there has been a Foreign Language Club here at WHS. The meetings and activities have joined together those members trying to understand a Foreign Language. Despite some difficulty in the understanding of the languages this club proved to be both enjoyable and successful.

FOREIGN LANGUAGE: ROW 1. R. Conley, M. Purucker, L. Davison, E. Pheifer, C. Zahn, L. Ellertson, S. Bero, M. Pangman, M. Uebele, M. Fritsche. ROW 2. Miss Ulve, C. Gregory, N. Wagaye, F. Conley, K. Tufford, N. Matens.

GRA: GRA is "Girls Recreation Association." This is one of many organizations girls at WHS can join throughout the year. During the year the girls have participated in bowling, baseball, field hockey, volley ball, basketball, and other things such as swimming parties, hayrides, and selling GRA Jackets. This association is open to all girls. Points are rewarded through letters and pins at the end of the year. Miss Ulve has been the adviser for GRA for the past 2 years. Money for GRA was raised by sponsoring dances and bake sales. This club is fun and exciting for the sports-minded girl.

Leadership, Service, Character, Scholarship

NHS ROW 1: M. Pheifer, L. Schoof, K. Ela. ROW 2: C. Kranz, L. Newton, M. Purucker, K. Hanson, ROW 3: J. Gasper, D. Pischke, J. Ela, D. Krempel, J. Bremer, D. Miller.

Members of the National Honor Society are selected from their class on the basis that they demonstrate responsibility, dependability, scholarship, and leadership. They are considered as being of the more intellectual part of their separate class. They work hard for the position they hold in being a member of this society. They are considered the leaders of the future; the ones that we will follow. NHS is an organization that develops potential into a well-rounded person.

The Finer Things In Life

Man has done and produced many things in his time, but they've all come from art and culture. That's what Fine Arts is all about: studying the different forms of art. Many of the things which are pursued are plays, ballets, concerts, and the theatre.

During Easter vacation a trip was made to Chicago, and the Art Museum was explored. Our grand finale was going out to eat and removing all the money from our treasury. These are only SOME advantages of belonging to Fine Arts.

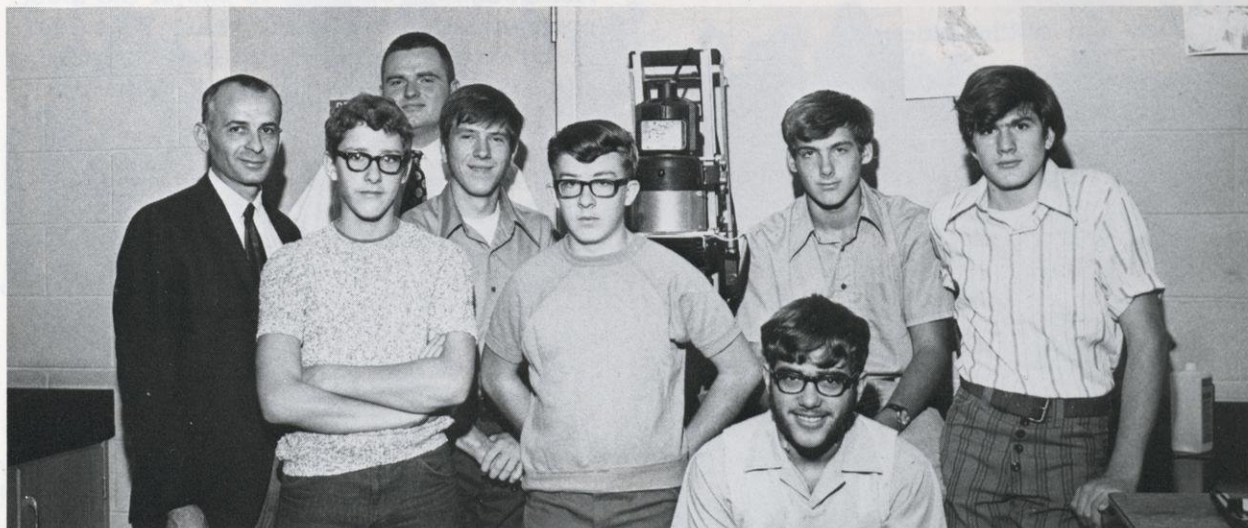

FINE ARTS: ROW 1: M. Purucker, C. Paetsch, S. Rupert, E. Pheifer, T. Rupert, F. Conley, ROW 2: D. Dufenhorst, L. Newton, S. Just, D. Hanson, L. Davison, M. Pangman, K. Wolff, ROW 3: J. Hillert, A. Brown, R. Conley, K. Mullins, M. Eder, Mrs. Sabatino.

WHS's Camera Bugs

"Smile, you're on WHS cameras!" Let's hope I take a good picture! The WHS Photography Club is a very vital part of our school. It shows students participation and interest. This club submits the pictures for Emerald Echo; parts of the annual, such as the students life section: the Waterford Post; and pictures for their own personal use. The club is a very interesting one and also beneficial for later use in life.

Experts In Every Sport — W-Club

W-Club Officers

W-Club is an organization which consists of all letter winners in every sport. This club performs many services for the school. The burning of the WHS at the Homecoming Pep Rally is one of the most spectacular sights of the year. This year the winning skit at the Pep Rally was put on by the W-Club, titled: THE END OF THE DEMON.

By tradition, the lettermen also sponsor the Homecoming Dance. The refreshments at the sports events are also furnished by the courtesy of the W-Club. As in the past, one of the other things this club does, is help provoke spirit throughout the school, by selling school jerseys and sweatshirts. W-Club also helped our school spirit by providing us with male cheerleaders. These are just a few examples exhibited by this club to show our school that they care!

Waterford's Snow Follies

Our Wisconsin winter season proved to be delightful for a tremendously large group of Waterford High School skiers. Cold weather and a beautiful early snow made for ideal conditions for the club. Artificial snow also made skiing enjoyable when the weather wasn't very pleasant. Alpine Valley was the prime ski haven, but numerous small groups enjoyed the many hills adjacent to their homes. Each Wednesday during the winter season, the group boarded on one of our good old school buses and took off for Alpine Valley or some other nearby ski slope. This club is only in its third season, but with the enthusiasm that was displayed this year, the club is looking for even a mightier club in the future. Mr. Olsen and Miss Gould led the group.

The Future Teachers Club gives young adults the opportunity to take an educational step into the future. Each member is assigned a room at the grade school. During their free hours they cross the street and proceed to tutor "their students." The members of Future Teachers learn to cope with classroom situations and the problems that go with it. This experience will hopefully help the members decide if teaching is for them in future life. Who knows, maybe one of these prospective teachers will be teaching your children!

Varsity Band Marches On

This year, band members have had Mr. Davison as their conductor for the last time. Mr. "D" moved up the ladder into Guidance. Good Luck and we'll miss you! Mr. Davison always kept his bands playing delightful tunes, even when the instrumentalists weren't delighted with the tone they produced! The Waterford Band holds an abundance of talent. The evidence is seen when they come from contests with a handful of medals that they had won. The band combined as a whole, plays the best music in the area. To sum it all up in one short statement, the Waterford High Band has achieved its highest standard of quality through musical highlights such as half-time performances, concerts, and contests. We are proud to have had Mr. "D" and his band perform for us so many times this year.

Each year, Mr. Pierce, the chorus director, chooses a new type of music for our singing enjoyment. This music is used for performance, contests, or just for our own enjoyment. This year we tried a new choral arrangement, entitled LIFE. All three choirs combined their talents for a performance before the whole community. The program proved to be a success to the audience and to the singers as well.

One doesn't always just sing in chorus. Fundamentals such as, reading music, acquiring rhythm, and staying in tune are practiced each day. Anyone can learn to sing if they put their mind to it. If you walk in the chorus room early enough after everyone else walks in late, you can hear the echoing sounds of their warm-ups--Ma, Me, Mi, Mo, Mu, or Ah, Ha, and La.

Student Council is for the students. It is an organization which tries to carry out the students wishes and answer their questions as best they can. All the people in this council represent the student body, they represent each class from school. If there are problems among the students these people work hard to do something about it. A few of the issues brought before the council were open campus and shortening the school day. Open campus was almost doomed before it got started. The reasons were there was no place to go and missuse of the senior study halls. However, we are still confident that we will get a shortened school day! If it is not for the betterment of the school the shortened day may never occur, though. Only the future will tell. In any event, the student council is operating so they can better our school and work to help all students.

The Emerald Echo Staff worked hard this year to put out a good student paper. Numerous letters to the editor were printed stating what the students want from their school. We had more pictures in the paper this year, thanks to Allen Kossow for his fine pictures. All school news was reported plus features like the 1972 Presidential Election ballot which allowed the students to vote in school. The paper filled us in on what the classes, clubs, organizations, sports, etc. were doing. The students appreciate the efforts of the advisor, Miss Albrecht, and the students who give so much of their time and effort to make the paper an interesting one. It was their time and effort to make the paper, with their help, concern and enthusiasm outside of class time that made the Emerald Echo a success this year.

A high-contrast, black and white photograph of a school hallway. Two students are silhouetted against a bright light source at the end of the hallway. The student on the left is a male in a t-shirt and shorts, standing with hands on hips. The student on the right is a female in a long-sleeved shirt and pants, standing with hands on hips. The hallway is lined with lockers on both sides, and the floor is highly reflective, creating a mirror image of the students and the bright light at the end of the corridor. The overall mood is dramatic and iconic.

STUDENT

LIFE

Walking in

At Homecoming time the air is filled with excitement! Preparations for Friday and Saturday night get underway by Thursday. Homecoming is really the first test for each class to see how well it is organized. The assignments are given--Freshmen: Decorate the showcases; Sophomores: Furnish the building with some sort of Homecoming design; Juniors: the football field will be your challenge for the big event and Seniors: See what can be done with the gym. Somehow or other the decorations really fit the occasion and everyone in the school passes his first test in organization. Then, Thursday night comes and everyone's spirit is up up up! We were determined to let the Burlington Demons know they weren't going to beat us again. Our skits were excellent, W-Club's was voted the best. The cheerleaders showed great spirit and placed second; and the seniors put on a great showing and placed third. Homecoming week was climaxed by the dance on Saturday night. Although everyone was tired, each student gave up a little more energy and danced far into the night. Most everyone was hungry enough to go out and eat!

2 Lauries + 1 Sue = Homecoming Cuties.

Hopes of winning were high after Tom Johnson's touchdown.

Friday night brought moments of happiness and disappointment. Hopes of beating the Demons were high and at half-time the score looked good. But fate dampened our hopes. The Demons came out on top. Half-time was spectacular and enjoyed by all. Leading the entertainment was the band's performance of "The Secret Life of Wally Wolverine." Also at half-time, the court was introduced and Wally Wolverine finally caught up with that pesty Burlington Demon!

Waterford got acquainted with the Peanuts gang this fall as the musical "You're a Good Man Charlie Brown" came to the Waterford High School Stage. In recent years, Charlie and his friends have enjoyed popularity with all ages, and W.H.S. students proved to be no exception. The successful end result, the culmination of many long hours of work by six devoted actors and extensive conscientious crews, plus a hard-working director, Miss Hamm and many other faculty members. Everyone who worked on the play proved that "happiness is working together."

"Okay, Linus, Switch Channels".

"It's true, I am a crabby person!"

Good Grief, Its a Success!

Miss Hamm even worked on production during her lunch!

American Legion Influences WHS

BADGER BOYS: Mike Weinkauf, David Miller,
BADGER GIRL: Michaelene Pheifer.

Each year the American Legion and the American Legion Auxiliary pick two boys and one girl to represent Waterford High School for one week during the Summer. The Badger Boys go to Ripon and participate in the mock government in the fictitious State of Badger. The Badger girl is sent to Madison and is involved in the same type of government activities. Each Representative learns the value of responsibility and the obligation of voting.

Joel Nelson reminds us what Veterans Day means.

Aha, caught ya, Clyde!

School is out--our day is over. There is a mass exit at all the doorways. All people who leave walk to their destination in a hurry, whether it is catching a bus, driving your own car, or just plain walking home. Others linger at school, maybe in the lobby catching up on the day's gossip, attending some sort of practice, or partaking in a club function. The students learn to expand their horizons. Friendships grow with each new adventure. Take my hand and lead me--I want the job of being able to experience!

Girls Golf Improves Swing and Record

Lead by Cindy Swift, the Girl's Golf Team made their presence known in the SLC Conference. For only its second year of existence, this team deserves a lot of credit. Their hard hours of practice paid off when they received third place in the conference match. The way things look now, the golf team can look forward to an even better season next year, as each member will return more determined than before.

First At Sub-Sectionals

Team: The word means many things to many people, this past fall the idea of a tennis team came alive for the girls of WHS. We knew we had the ability last year, but there was no real team feeling. This year, we pulled together and proved our ability to an incredulous conference, turning around to punish all the teams that had whipped us last year. Our binding force was "Super Coach", Mrs. Satari-
ano. She acted upon us as glue acts upon ripped paper, binding and molding us into a power. Power: We won a scrimmage against a powerful Arrowhead team, and proceeded to beat out 7 teams to win the Sub-Sectional trophy. However, the real highlight of the season was taking the conference trophy with an undefeated 8-0 season.

Essence of Spirit

With every sport, spirit is needed and a cheerleader's job is to rouse that pep to its highest point! This task can be difficult at times if there is an unresponsive crowd, so to improve the lack of spirit, male cheerleaders were added this year. Their ability to do stunts with the varsity squad added highlight to many games. The theory worked--spirit rose, just a little, but it was a start. In sports of lesser fame, such as JV sports Cross Country or wrestling, the cheerleader became closer to the team, experiencing sympathy for the team after a defeat, or spreading the good news after a victory. In all, the squads yelled their loudest, jumped their highest and tried their best to bring the spirit of WHS out into the open.

Pom-Pons: Half Time Entertainment

During the halftime of basketball games, WHS sports fans were entertained by the pom-ponning of the pom-pon girls. The group, only in its second year of existence, surprised every one by their unique dance patterns and excellent co-ordination. The girls were able to learn routines quickly in one practice and added finesse to them in another. If you think that it isn't hard to do, try it sometime. Its hard to learn the difference between your left and right foot and still keep time to the music. Mrs. Satariano, the advisor, took the girls to a clinic where they learned many new steps and techniques. So, be proud of your pom-pon girls; remember they're performing for you!

"I can't do it!" "I'm scared," "It hurts!", "I did it!" These words are constantly being heard in the apparatus room on a Monday or Wednesday night. Gymnastics has begun at Waterford High. It, a new girls sport with 4 different pieces of apparatus that can be used. The unevens, which are 2 uneven parallel bars, cause much pain and call for strength. Floor ex. lets you know just how much coordination you really have. When vaulting you have to get your body off the ground and into the air. If you don't have grace while on the balance beam, there will be bruises to show for it. From November to March, Mrs. Satariano and the girls worked to perfect their routines. They may not be perfect but they sure have improved!

Debbie Holland and Gail Bartels were caught by cameras during their routines.

SPORTS

What Is an Athlete

What is an athlete? An athlete is a person trained in acts or feats of physical strength and agility. An athlete strives to achieve a physical goal. But Athletics are more than just an exhibition of one's physical ability and strength. Athletics develop a person into a well-rounded character. Through sports, one learns that sportsmanship is very essential in maintaining the character of an athlete. Accepting defeat gracefully is the most difficult feat given to a person. When sportsmanship is accepted and practiced, the athlete also recognizes team work as an essential off-set of his individual efforts. Through concentration and a dedication to a sport, the athlete and his team can accomplish their dreams and goals. An athlete is what you make him to be--Do you Qualify???

Players Worked for a Victory

After school, sounds of bouncing basketballs echoed the halls and one knew the basketball players were at it again! Their long, tiring practices paid off though, as they won nearly all of their games. School spirit had a hand in these victories. All the screams, cheers and whistles really helped. Of course as in all challenging sports, defeats were met and taken in stride, with a "we'll get 'em next time" attitude. Take the spirit, add the suspense and a win, and you will produce a WHS basketball game.

JV Squad Gave 110 Percent

The Waterford High School wrestlers put forth their best efforts and had a winning season this year. With minds set on winning the next match, long hours of practice, and the usual dieting made our wrestlers ready to get on the mat and win. Teamwork and sportsmanship were also vital and lived up to in every aspect. Winning a match was an accomplishment, and losing a match made the wrestler put forth twice as much effort the next time around. Although the team did not always win, they had the satisfaction of trying and having a winning season. During the tournaments, the individual wrestler became important, but teamwork was never forgotten. In all, the Waterford matmen deserve a lot of credit. Good Work Wolverines--Keep it up!

"Pick up the pace, swing those arms!" was a familiar sound heard when ever a cross country meet was held. Though the team trained hard and ran in rainy weather, our team has a winning season--losing only to Salem and Whitewater. Running the 2.5 mile course isn't the easiest, but our CC men ran their fastest and tried their hardest to bring WHS fame and honor. This competitive sport offers team and individual recognition, helping to build sportsmanship and team work. The long hours of practice paid off in the end! The Harriers did fairly well in Regionals and Sectionals. Captain Wayne Rhody placed 3rd in state. Congratulations Harriers!!!

Coach Tonn and Captain Wayne Rhody look over a map of a CC course.

By the end of the summer, the Waterford Football Team was organized and was determined to become a championship team. The players put forth a fine effort and defeated their first opponents, Arrowhead. Hopes ran high until the team traveled to Wilmot the following week, overconfidence was their downfall. Everything was against the Wolverines that night and from this game on through much of the season, the team seemed to lose faith in their ability. Some of the boys tried to keep the team together and continued their effort to win, some did not. Head coach, Mr. Baas, just did not give up hope and put forth his best at every game. However, the Wolverines needed twenty-two men that had faith in themselves. School spirit had not reached its peak by any means, but they always had a good crowd to cheer them on. The first-year men on varsity showed tremendous potential, and the future looks promising for them. So--we hope to take a big step forward next season and we will cheer them on to the Southern Lakes Conference trophy. Remember when they do take the trophy next year, it took the previous year's experience to gain this fete!

Freshmen Learn to Achieve

We are one step closer to our future but still have many more and higher steps to take!

Sometime throughout the year we may not have succeeded but we can look ahead to improve the mistakes we've made in the past.

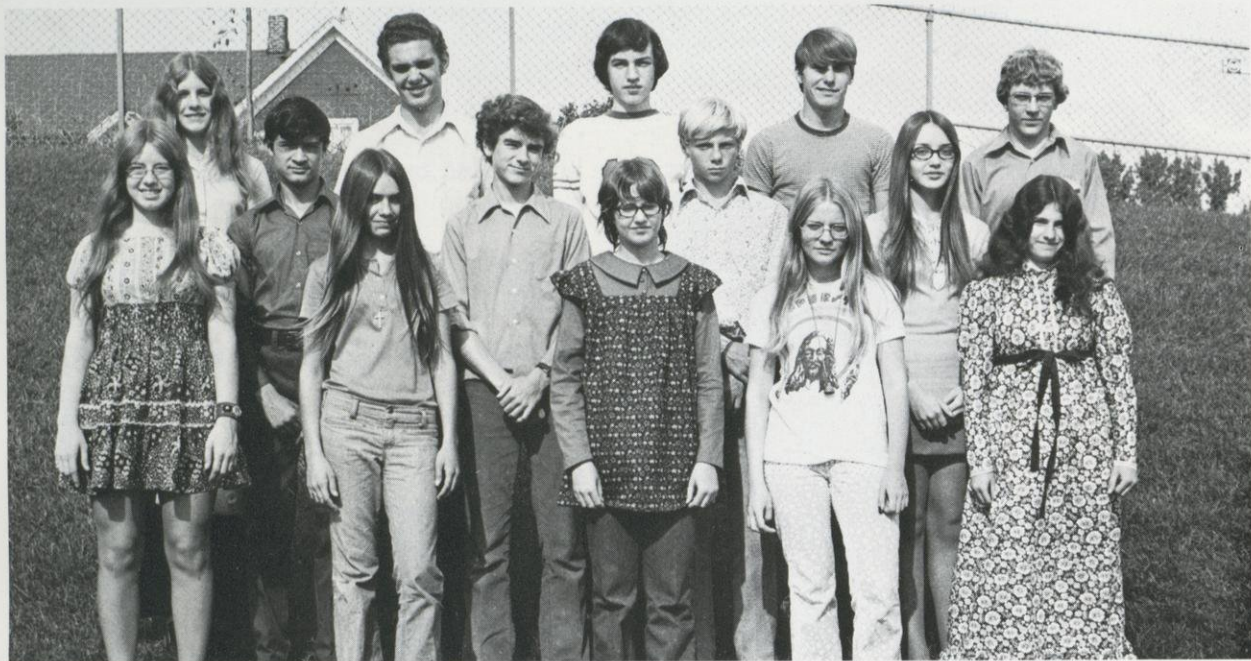

As a whole, our freshman year was just the beginning of the rest of our lives, for we have many more growing responsibilities that we will have to meet in the future.

We can look back with pride on our freshmen year, for we were the only ones who made the memories we have today!

Freshman Science Class "hitting the books".

We are now Sophomores. No longer is everything strange. No longer is everything new. We've gained pride in ourselves, our school, and our community. More than anything, however, we have accomplished a joint effort to make the sophomore class stepping on to the future. Our spirit improved. Many times we were the proud possessors of the famed pepstick. We even made up a cheer for our class: "We've got the spirit, we've got the jive, we're the class of '75", ooohyah? Homecoming decorations were super spectacular. The entire school was decked with signs, designs, and huge letters informing the public that it was Homecoming Week. Sadie Hawkins came off smoothly. In all, we're looking forward to next year, when we'll be ready to show the other classes that we're on top.

Juniors: Next in Line

One's junior year in high school proves to be about the best year. They can concentrate on having fun, yet keeping in mind of what the future holds. This year's junior class has much to offer: energetic spirit and their determination are just some of their finer qualities. A variety in the types of people exist in this as well as in every class; but when a common cause or problem arises, they tackle it together as one unit. Next year they will be the ones to walk side by side and step onto the platform into a new life.

The 1972 AFS Student, Nigist Wagaye, from Dessie, Ethiopia.

One of the highlights for Nigist was reigning over Homecoming festivities.

AFS Ties the U.S. With Ethiopia

Hi everyone,

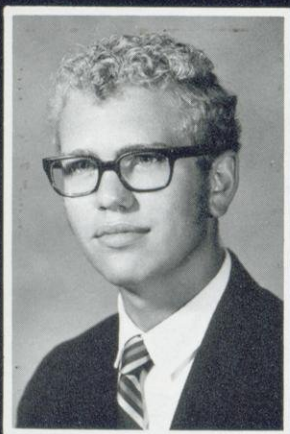

I left Ethiopia on July 18, 1972 and after 16 hours flight I touched down in the USA, truly excited about coming to Waterford.

When I found that I was coming to a town of this size, I was glad because I thought that I would have a better chance to know everyone, and I found this to be true.

I really enjoy the community and WHS. I thank you very much for all that you have done for me, especially for having me as queen of homecoming, these are the most treasured memories of my life.

Good luck for the future and God bless you always.

Mr. Ruder, WHS's permanent sub,
became a special friend of many
seniors.

In Memoriam

As I walk through this pathway
I know not what to expect
So many things lie ahead
Yet, there are many now behind me
I'm rather afraid.

There's a bright blue sky above
And the dark earth below
Where will I go? That is--
IF I believe in life or destiny
after death.

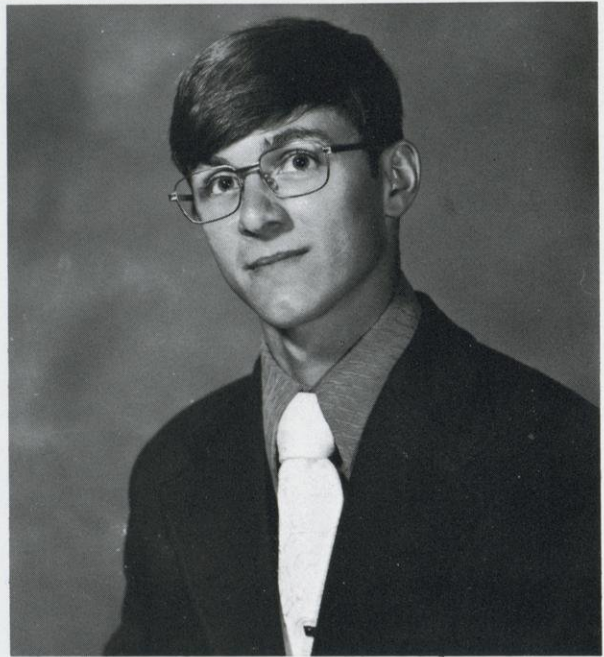

But I am uncertain.

I've so little time to decide
There's only a split second
I can't tell you what its like
The time has passed too quickly
I've forgotten--what's time?

I'm no longer limited by time
So to you at last I say:
Understand life, let time help you--
not destroy.
Be not afraid to conquer,
I'm no longer afraid.

If anyone asks of me, tell them--
I've gone to sleep and am
Living in a village at
The end of that path--
In Peace!

A Yearbook Remembers!

Our walk down memory lane is about to end for this school year, but you will travel this route often in the years to come. Many students leaving Waterford, may never see some of their friends again, so treasure each moment that you share with someone else. Some friendships last forever, others dwindle after a time. Eighteen years of life has taught me the real meaning of a friend. Friends are something so valuable, that you never forget them. Everyone has at least one friend and each of us depend on that person for strength. Thanks for walking through this book with me, my friend, for without you and your friends, this book would be empty and meaningless. In closing, please remember this thought: A friend is a word of royal tone; A friend is a poem all alone.
