LIBRARY DEDICATION

WILL BE HELD IN THE NEW
BUILDING OCT. 19.

Oration by Chas. F. Adams of Boston
—Governor Scofield and Others
Will Speak.

The formal dedication of the new State Historical Library building will take place Friday, October 19. The exercise will be conducted by the State Historical Society and will consist of two important features. The dedication proper will be a meeting in the building itself at which ten minute addresses will be made by men prominent in the historical societies of this and other states. In the evening an oration will be delivered by Charles Francis Adams of Boston. Mr. Adams is making great preparations for this address and it will be the most important he has ever delivered.

The meeting in the afternoon will be held at 2 in the new building. An oration will be pronounced by Dr. D. Butler followed by an address by John Johnson of Milwaukee, president of the State Historical Society. Ten minute speeches will then be given as follows:

Greeting from Sister Historical Societies, Charles Francis Adams of Boston.

Greeting from Sister Libraries, Dr. James K. Hosmer, librarian of the Minneapolis Public Library, and one of the best known historical writers in the country.

The State of Wisconsin, Governor Scofield.

J. C. Monaghan has been appointed by the Board of Regents, as a professor in the new School of Commerce.

Miss Lucy Gay has also been promoted to assistant-professor in French.

W. B. Cairns is now assistant-professor in English.

Miss Abby Mayhew is assistant-professor in physical culture.

Albert C. Ehlman is instructor in violoncello.

UNIVERSITY BAND.

Wednesday at five o'clock candidates for the University Band met in the gun room of the Gymnasium. The prospects are good for an unusually large and complete band. Owing to the fine material Prof. Nitschke will be able to fill out the ranks of instrumentation and a much higher grade of music can be expected.

Before adjourning the old members of the band elected officers as follows: A. C. Ehlman, president, C. J. Kutske, vice president; W. H. Barber, secretary; M. R. Bump, treasurer; L. D. Williams, leader. Mr. Ehlman is especially qualified for the honor bestowed upon him. It is not unlikely that he will act as permanent drum major. Mr. Williams' election is a well deserved honor, he having filled the office with much satisfaction last year.

RIPON TO-MORROW

VARSITY PLAYS FIRST GAME
WITH THAT COLLEGE.

Lively Practice Yesterday—Capt. Chamberlain at Tackle—Line-up for Tomorrow.

The football squad continued their good work of the night before and played with a dash seldom seen so early in the season. With Captain Chamberlain back in the game, filling the vacant tackle position, the scrubs were able to pierce the Varsity line for but short gains while the first eleven backs were held for downs but once. Schreiber showed up in splendid style at full back and, although a trifle slow in getting his kicks off, more than counterbalances this in the way in which he hits the line. Kinney, left half back, sustained quite a severe wrench in the game which will keep him out of the game for some time.

Senn and Skow both received gashes over the eye. The prospects for a heavy line seems brighter each day, new men appearing that tip the scales in the neighborhood of the 200-pound mark. These men are nearly all unknown quantities but they will have a chance to show the stuff they are made of in the Ripon game tomorrow as Coach King intends to give all promising material a chance.

The following men will start the game:

Left end, Abbott; left tackle, Chamberlain; left guard, Riordan; center, Skow; right guard, Lerum; right tackle, Curtis; right end, Juneau; quarter back, Tratt; left half-back, Kropf or Peele; right half-back, Abercrombie; full back, Schreiber.

Ripon promises to give the Varsity a stiff game as they have been practising hard and have one of the best teams in the history of the college. Although they have no hopes of defeating the heavy team of the Badgers, they hope to keep the score down to quite a low margin.

GYMNASIUM REGISTRATION.

At the gymnasium the season has begun with a rush. The registration has surpassed all expectations, a larger number of students than ever before having enrolled. It is pleasing to note the large percentage of upper classmen re-entering this year, which shows that the gymnasium is more appreciated from year to year by those not absolutely required to do the work.

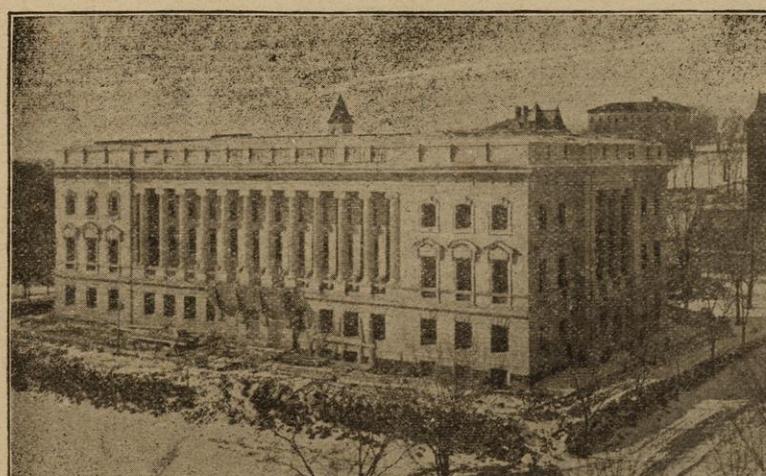

Notwithstanding the fact that last year 250 new lockers were put in, all are already engaged, and it will be necessary to install a number of new ones.

The classes will not begin for a week or ten days, but many students are already making use of the apparatus.

The student assistants for this year will be the same as last, except that Fred Peterson retires, his place being taken by W. D. Williams.

Dr. Elsom will begin the physical examinations as soon as the rush of registration is well over.

—David M. Roberts, '00, is engaged as clerk in the Census Bureau at Washington.

LITERARY SOCIETIES.

The attention of all new students is called to the first meetings of the various literary societies which occur this evening. The advantages of joining a society are self-evident, since membership in them is almost the only means for obtaining a broad, practical knowledge of the principles of debating. Apart from its value as a forensic training a large fund of valuable information can be gathered from the discussions. The confidence and facility of expression gained by participation in the meetings are invaluable as supplementary to the more technical "hill" training.

FRESHMAN CREW.

We are glad to notice that the freshmen are already taking an interest in University aquatics. The record of last year's famous crew should bring out many candidates for the 1904 eight. The freshman crew will certainly be taken East again next spring, and every new man who can possibly report for fall practice should do so at once.

Rowing is one of the best exercises offered in college athletics and more real benefit is derived from this out-door exercise than from any other. The fall practice has been found very beneficial in the past, seven of last year's crew having had fall training. The fall work takes

very little extra time as candidates are excused from gymnasium and military drill.

RIPON GAME.

This is the time of the year when enthusiastic support from the side-lines will benefit the team most. The cheers and applause from the on-looking crowds are more effective in putting heart into the candidates than the best of teaching. The realization that a clever run or a piece of skilful blocking is appreciated by his fellow-students is the best incentive that a foot-ball player can have. At this time of the year students have greater leisure to congregate about the practice than they will have later and their support can be made most valuable now before the practice becomes less public. In this connection the game to-morrow with Ripon should not be forgotten. It will be the first opportunity to size up the team and its style of play and a good attendance will do much toward starting auspiciously what promises to be a most successful season.

CONVOCATION POSTPONED.

The first weekly convocation which was to have been held today was postponed until next Friday noon when the annual address of the president will be delivered.

Local and Personal.

—William B. Ford, '98, is attending Rush Medical College this year.

—Professor Moore of the Agricultural department will not return to Madison until next Monday. He delivers an address before the Keweenaw Agricultural Society this week.

—Upon the resignation of D. I. Grover as recording secretary of the Y. M. C. A., Mr. McKessen was elected to fill the vacancy at the last meeting of the association on Thursday night.
