Announcement

IN OFFERING the Big Eight Athletic Calendar in its present form to our readers we wish to make an announcement. When the present Board of Editors undertook the work of publishing this book they encountered many obstacles and found little support from the outside; therefore, the book may have many shortcomings for which we beg your indulgence.

No attempt has been made to place the universities according to their athletic ranking. We merely show the records for the past years, which have been available to us.

In closing we wish to thank our friends and advertisers for their hearty support they have given us, in work or deed, to make possible the publishing of the Big Eight Athletic Calendar.

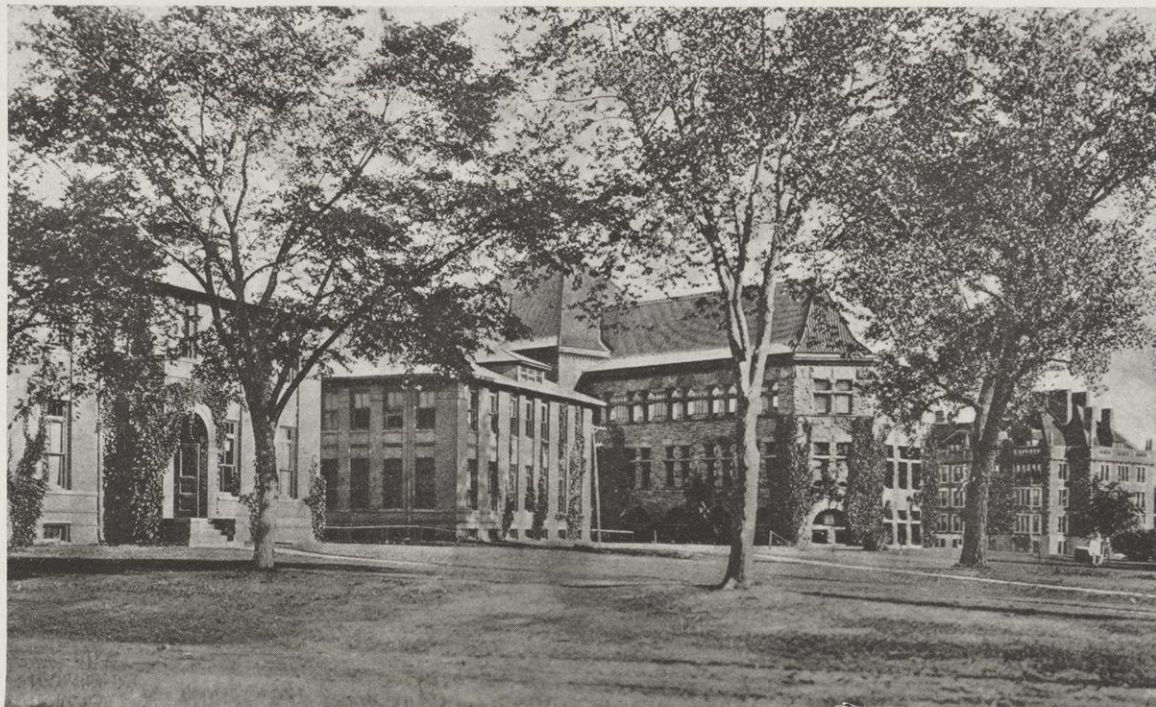

THE EDITORS.

ST. JOHN'S MILITARY ACADEMY CAMPUS

No School in the Country

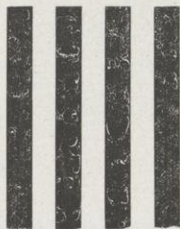

has been more consistently successful in all branches of athletics, than

St. John's Military Academy of Delafield, Wis.

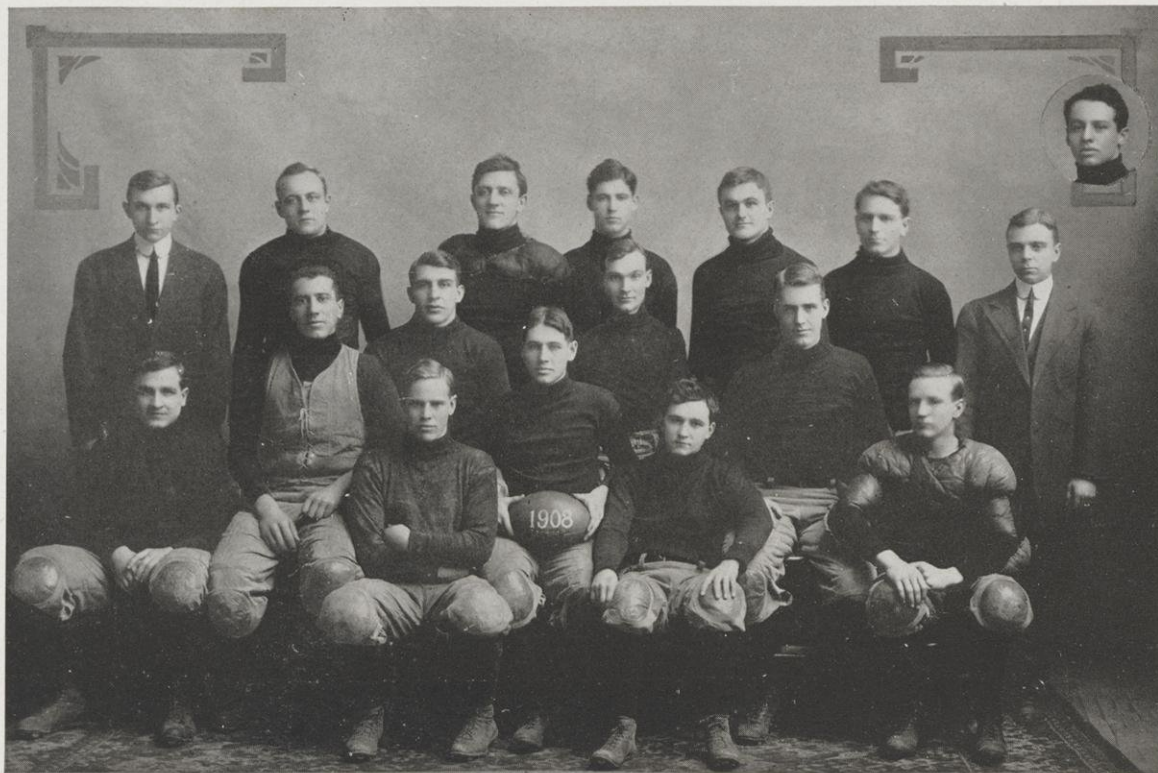

This is because *every* cadet is required at a stated time each day, to take part in athletics under experienced coaching. The result is not *one* team but *several*. Every lad ambitious to excel in athletics can *make a team* and for each team *games with outside schools are arranged*. If a lad can't make the *first team*, he can make the *third* or the *fifth*, or he can make one of the club teams, of which there are eight. All of which spells---ginger, and snap, and spirit, and *Victory!*
