The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Sir I send you my watch by the stage driver
wishing you to put her in order. I believe
the chain is somewhat out of order she kept
very good time before she stops - but it is
some time since she has been cleaned and
if you think she needs it now you may re-
-earn her and Laper will pay you the charge
I wish you to do it as soon as you can
conveniently. - I have heard to day that
F. J. Gaulot is going on to Montague point
in the spring to tend the light. there will
probably be a party of us down in
the summer to go on there and we may
want you for a pilot -

Yours with much respect J. Laper
