The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Dear Friends, - Hello, - Well, here it's
been Eve. and what a week it's been
Helen had a Heart Attack Wed eve
but now is out of Intensive care
and doing real good, no brain damage
or Heart Damage or Blood clots and
today was sitting up in a chair
So I've been busy going back & forth
and am 'Chief cook & Bottle washer'
Today I had coffee, juice, toast
Breakfast sausage & 1 fried egg so I'm
fairing good, I made up a tape of
different tunes Penny wanted to learn
a tune or two I guess Habs Waltz
Red Nite Waltz, 2 Canadian Schottische
and the Fairy Lake Waltz also a Canadian tune
and some others. On side 2 or 13 I'll try
and get some old Hymns put on that side
then I'll send the tape to you. The Organist
is subbing on the Mail Routes - 2 Routes
so it's when her chances are OK. Thanks again
for everything when I was up there Your Friend Ren
