The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Joyful anticipation where once there was depression . . .

DEXAMYL*

Prescribe 'Dexamyl' during pregnancy for antidepressant, mood-lifting effect. 'Dexamyl' relieves tension and anxiety, encourages a feeling of optimism and energy.

Spansule* sustained release capsules • tablets • elixir

When your pregnant patient is listless and lethargic, prescribe **DEXEDRINE**† for gentle stimulation.

 *Smith Kline & French Laboratories*
