Dear Rudy:

Sorry we weren't able to see you last time we were in the Upper Peninsula. We did find some good Finnish and Croatian musicians that were very helpful. There are so many people to see you can't always get everybody in.

We are making a return trip to the Upper Peninsula. We will be arriving on Sunday, July 15th and staying until Monday, July 23rd. I hope that we will be able to stop in and see you during this period. See you soon . . .

Sincerely,
