The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

**what  
do you  
look for in a  
laxative**

**?**

- effectiveness*       *economy*  
 *dependability*     *safety*  
 *palatability*       *non-gripping*

You will find all these features in EVAC-U-GEN. Highly desirable for those sensitive to harsh laxatives. Particularly indicated in constipation of pregnancy and hemorrhoidal cases.

A highly-flavored and palatable tablet of yellow phenolphthalein, sodium salicylate, bismuth subcarbonate, bismuth subgallate in a special base. Chewable. Bottles of 35s and 100s.

Adult Dose: Chew 1 or 2 tablets night or morning. Children (up to age 10): 1/2 tablet. A citrus drink taken with tablet will stimulate action.

*for evacuation (gentle)*
