WHAT IS PETERS DOING ?

The "Season," the New-York Amusement Programme, says: "Peters, the New-York Music Publisher, 599 Broadway, is doing more to promote the divine art of music than any other of our American publishers—in fact, he beats the world on his cheap Music Publications. His MUSICAL MAGAZINE is fast becoming a 'household word,' and is really indispensable to every lover of music. No wonder musical people are going wild over it, as each number contains from twelve to fifteen songs and pieces of really fine music, by such well-known authors as J. R. Thomas, Bishop, Hays, Kinkel, etc., any single piece being worth more than Mr. Peters asks for the entire lot. Think of it, ye musicians, who have been paying from 30 to 50 cents apiece for music, and remember that every number of PETERS' MUSICAL MONTHLY will give you four or five beautiful songs, three or four quartets, and four or five splendid piano pieces for the small sum of thirty cents. If this is not revolution, what is it? Specie payment is nowhere."

CAN PETERS DO IT ?

The New-York Weekly says: "What has long been needed has at length appeared. A first-class musical magazine. A magazine not merely so much printing and paper, but a work combining quantity with quality. A work for which the public can subscribe with as much confidence in its unpublished numbers as they now do in subscribing for a 'Weekly,' or a 'Harper.' Such a work is 'PETERS' MUSICAL MONTHLY.' "The publisher had the prestige of his name in beginning his new enterprise, and 'PETERS' MUSICAL MONTHLY' well sustains the world-wide reputation of his house."

A HANDSOME PRESENT.

How many people are puzzling their brains over what they shall give some lady friend! There are plenty of articles that can be bought; but the trouble is, what will be a proper present for a young man to give some other body's sister? A hundred things might be selected, and not one as appropriate as a year's subscription to PETERS' MUSICAL MONTHLY. Music is always in order. It makes a delicate, a refined present, and something that any lady can accept from a gentleman friend. A present of this kind will cause a twelve-fold pleasure to the party receiving it, and cause you to be thanked and looked for as a regular monthly visitor. Or, you can let the giver be unknown. We can keep a secret, if you want us to. You can thus make a useful present, and enjoy the surprise it will create

We give the contents of January, February, and March numbers of PETERS' MUSICAL MONTHLY, and a glance at the authors will show the superior quality of the music we furnish our subscribers. In fact, the names of all the leading Song and Instrumental writers will be found as contributors to what may be safely called the *cheapest music ever published*. It will also be seen that each number contains from twelve to sixteen pieces of music, and that we are really furnishing from one hundred and seventy to two hundred pieces of music, to every yearly subscriber—

We devote all our space to music; giving in each month's issue thirty-six full-size pages of music, printed on fine white paper, and eight pages of reviews of new music, books, etc., on tinted paper. The music pages are numbered; so that they can be detached and bound into a yearly volume of four hundred and thirty-two music pages, nearly two inches thick, (or better still, into two half-yearly volumes, as a yearly volume is actually so bulky that it is apt to break the rack of the piano.)

Giving so much valuable matter for such a small sum, we deem it necessary to explain how we can do it. It is in this way: We are largely engaged in publishing sheet-music, and frequently turn out as many as two hundred new issues in a single month. Among these pieces are many valuable compositions which only need to be seen and heard to become immensely popular. The difficulty of introducing new music to the musical public gives our reasons for starting PETERS' MUSICAL MONTHLY, and the chance it gives to

introduce our new publications, explains how we can afford to give so much for so little money. In a word, we do not expect to make money off of our circulation. We can not do it, if we wanted to, as we give too much to make on it. We, however, make ample profit out of the immediate AFTER SALE OF THE MUSIC, which we never could have introduced in any other way, except by enormous outlays for expensive advertising. As PETERS' MUSICAL MONTHLY increases in circulation, we increase its size, preferring to run our magazine without profit, and thereby create a great demand for our music, in preference to paying thousands of dollars for advertising the same pieces that we are thus introducing in a more certain and sure way.

As we publish PETERS' MUSICAL MONTHLY to introduce the music each number contains, it can readily be seen that it would be throwing away paper and printing, and defeating our own ends, to give a poor piece of music. Such a piece would never create a demand for itself in sheet form, and therefore not pay us. It is for this reason that we are so very particular as to what we put in PETERS' MUSICAL MONTHLY, and it is for this reason that we employ no one to write for our magazine. On the contrary, we try over our monthly issues, and pick out a dozen or so from one or two hundred pieces, such as we think, in our judgment, are most likely to please the general public; we put them in the MONTHLY, and scatter them broadcast over the land for our subscribers to sing and play to their friends. The music being good, their friends like it, and buy it in sheet form, at from thirty to sixty cents apiece, which gives us our returns.

SOME TWENTY THOUSAND WELL-TO-DO FAMILIES are taking advantage of our magazine to lay in a bountiful supply of new music, and we should be pleased to add as many more names to our list, at the same rates; once fifty thousand names on our list, and we shall begin to think it time to close our books to new-comers at any such prices, as there must be a limit to this almost free gift of music, or we would in the end defeat our own object, namely, the after sale of the music. In the mean time, we will gladly enroll all the names we can, and would call your attention to our cash and club rates, whereby you may materially lessen your own subscription. Remember! three copies for nine dollars, and one free to the getter-up of the club.

A TRIAL TRIP.—We will send four numbers of PETERS' MUSICAL MONTHLY, (January, February, March, and April, 1871,) on receipt of \$1 or January to June, six months, for \$1.50; or four back numbers for 1870, (our own selection,) for 75 cents; two back numbers, (our own selection,) for 40 cents; single numbers, 30 cents. We say "our own selection," as we are compelled to keep a heavy stock of back numbers on hand, and by making our own selection, we can keep our stock even, and prevent running out of single numbers. We would state that each number is complete in itself, and we would have no hesitation in picking them blindfold, and presenting any month's issue as a fair sample of the rest.

ANY MUSIC-TEACHER, whose orders from us at professional rates amount to ten dollars during the year, will be presented with a year's subscription to PETERS' MUSICAL MONTHLY for the current year. Teachers whose orders from us will entitle them to this offer must notify us of their wish to secure a subscription, in order to have their names put on our list.

ANY ONE PURCHASING TEN DOLLARS' WORTH OF MUSIC AT RETAIL RATES may also claim a year's subscription to PETERS' MUSICAL MONTHLY, providing the claim is made at the time of purchase.

News-dealers supplied with PETERS' MUSICAL MONTHLY direct, or through the American News Company. Large posters are furnished each month, and extra copies for posting will be sent on application.

"DON'T SAY YOU CAN'T AFFORD TO SUBSCRIBE." On the contrary, you can not afford to be without it, if you have any love or use for music; and now that you know its value, it will be downright extravagant not to subscribe. Send 30 cents for a sample copy, and if you do not like it, we will refund you your money.
