Morning Comes Early

Allegro Mod^{to}

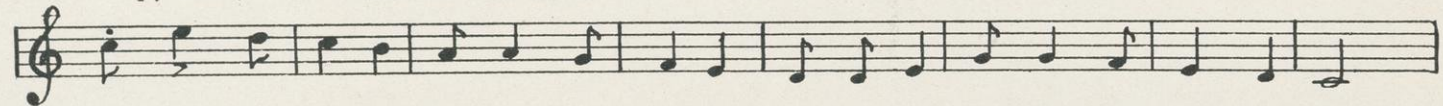

Slovakian

1. Morning comes early and bright with dew. Under your window I sing to you.
2. Why do you linger so long in bed? Open your window and show your head.

Up, then, my comrade up, then, my comrade. Let us be greeting the morn so blue.
Up, then, with singing, up, then, with singing. Over the meadows the sun comes red.

Up, then, my comrade, up, then, my comrade, let us be greeting the morn so blue.
Up, then, with singing, up, then, with singing. Over the meadows the sun comes red.
