## Rough on Rats

Is sold all around the world, is used by all nations of the earth, is the most extensively advertised, is the best known and has the largest sale of any article of its kind on the face of the globe. It gives satisfaction every time, everywhere.

The supper was laid on the table trim When out comes, roaring, my young son, Jim, "Oh! daddy, the rats! A dozen or two, Are gobbling the supper, and baby too." My wife, with a scream, seized iron and broom, I clutched a bottle, and made for the room. Never was heard such a hullabaloo! It woke up the cat, and the terrier, too. The terrier thought we were hunting the cat, Got a grip of her tail, as she went for the rat. Jim, with his hatchet, tumbled over a pail, And tried to hold terrier back by the tail. I caught Jim by the wool, but rather too late— The table received such a bump from his pate That teapot, plates, lamp, chairs, baby and all, Were upset on the floor, 'mid crash and squall. The people about shouted "Murder! Fire!" And the police rushed in the cause to inquire They'd listen to nothing, we wanted to state, But to the next station Iugged me off straight Swore I was drunk—nearly murdered my wife, And of my poor infant endangered the life, Broke tables, chairs, and the crockery ware; When the Justice said, what a savage old bear, Not heeding a word my poor wife did swear, Imprisoned and fined, I cursed my sad fate, When lately I learned, but rather too late, Instead of depending on traps, dogs or cats, My only protection was "ROUGH ON RATS."

A large lithograph in seven colors of the above Rough on Rats illustration (Household Troubles), which has convulsed the world with laughter, will be sent by mail to any address.

E. S. WELLS, Jersey City, N. J., U. S. A.

## GOING TO THE NEIGHBORS.

## Rough on Rats

Don't die in the house. "Rough on Rats" clears out rats, mice, flies, cockroaches, bed-bugs. Never fails. Sold all around the world; used by all civilized nations, everywhere.

This is what killed your poor father. Shun it. Avoid anything containing it throughout your future useful (?) careers. We older heads object to its special 'Rough' ness.

## A Man's Liver Taken Out,

Cleaned and put back in good as new working order. Judging from the thorough, positive and never failing effects of **Rough on Bile Pills**, in starting the bile, rousing the dormant, sluggish, inactive liver, and clearing the system from every trace of bile, they would almost seem to act as above stated. 25c. bottles at druggists or mailed.

## Hold Your Tongue!

Hold it out see if it is coated. If so, you're bilious. Start the bile at once with **Rough on Bile Pills**. They move the bowels, unload the congested system, awaken the sluggish liver. 25c., at druggists or mailed.

E. S. WELLS, Jersey City, N. J.

## Pale, Puny Children

may have worms. A safe, harmless, but effective worm destroyer is **Rough on Worms**. It's sweet and nice, and never does harm, will expel worms in a few hours. If worms do not exist it will act as a cathartic and relieve the disordered, overloaded stomach and bowels, and do the child good in any event. Acts like magic. 25c.

## Fly, Flies, Ants.

annihilated by mixing a teaspoonful of **ROUGH ON RATS** with a saucer of sweetened water; place on high shelves or suspend in the room, or dip pieces of paper or muslin in this mixture and hang them up in the room. Or for Ants mix a teaspoonful of **ROUGH ON RATS** with a quarter pound of brown sugar and sprinkle on high, out of reach shelves, or on rear border of lower shelves. 15 & 25c.

## The Bed Bug.

In hot weather he's about. To quickly and permanently rid your beds of bugs, put a small box of **ROUGH ON RATS** in a pint bottle of benzine, shake well when using. Douche the mixture into the cracks, crevices, holes, and openings of the bedstead. It will turn their toes up rapidly. Then mix another small box of **ROUGH ON RATS** thoroughly with a quarter pound of lard, with this mixture fill all holes, openings, cracks and crevices in the bed. These two methods are warranted to never fail; to be effective and lasting. Cut this out.

## Cockroaches, Ants.]

Beetles, water bugs. The most effective and permanent remedy is—for two or three nights to sprinkle **ROUGH ON RATS** dry powder unmixed, on, in, about and down the sink and drain pipe; scatter it well but thinly all over the sink. First thing in the morning wash it all away down the drain pipe, repeat two or three nights, when all the insects from garret to cellar will disappear. The secret of this is in the fact that wherever the bugs or insects may be during the day, they must go to the sinks for water during the night. They can't stand **ROUGH ON RATS** in their water. This is the quickest, most effective and satisfactory remedy. **ROUGH ON RATS** being a poison, it should be used in this way only at night and washed away early in the morning. Another way is to mix a tablespoonful of **ROUGH ON RATS** with a half pound of brown sugar. Sprinkle it on rear of cupboard shelves or on plates, or on sheets of paper placed high out of reach of children. 15c. At all druggists.

**SKINNY MEN** and Women are not admired. "WELLS' HEALTH RENEWER" will build you up, and put you in good form. \$1.00 at druggists, or prepaid, by express, on receipt of price. E. S. Wells, Jersey City.

## A SOFT CORN.

One application of **ROUGH ON CORNS**, liquid, gives instant relief; two will effect a permanent cure, and two or three applications eradicates hard corns. 15c.

## A Handy Device.

A neat and convenient affair. In the bottom of a tiny lithographed box, is an improved, very effective corn salve; protected from the salve and in the same box are two or three corn plasters, cut ready for use. The combination box, under the name of **ROUGH ON CORN SALVE AND PLASTERS**, sells at only 10 cents. By mail, E. S. Wells, Jersey City, N. J.
