## Base Ball. Wisconsin vs. Minnesota, CAMP RANDALL, To-Morrow Afternoon

### THREE BIG GAMES

MINNESOTA BELOIT AND NORTH-WESTERN THIS WEEK.

Gophers Here To-morrow—Varsity Must be Supported by a Loyal Crowd of Rooters.

The coming week is a busy one for Wisconsin fans. Minnesota comes Tuesday, Beloit Wednesday and the team from Evanston is billed for Saturday. With this formidable list of rivals, the Badger team will have hard work to make a creditable showing.

The local team seems to have taken a slump since their whitewash of the Wolverines. Although their play is snappy and fast at times, they show a lamentable inclination to go to pieces when hard pressed. Such a case of rattles lost the game with Upper Iowa and came near proving fatal in the game against Dixon. Unless this fault is remedied the outcome of the games against teams like Beloit, who play with vim and vigor until the last gasp, is extremely doubtful.

Minnesota has hardly a creditable record for the games played thus far. Out of the three college games played on the trip, two have proved disastrous while the third one was a defeat of Purdue. But this should not be considered in reckoning the outcome of tomorrow's contest. The Gophers have always been especially effective against the Badgers. Their south-paw Freeman had Wisconsin's six left-handed batters at his mercy last year. This year however the Badgers have fewer men who bat left handed and with their improved stick work should do something against the Gophers.

Reedal or Mathews will probably pitch for the home team.

### Subjects of Ashley Lectures.

Professor Percy Ashley sends the following outline of his lectures, to be given during the summer session, on the general subject of "Local Government in France and Germany: its Structure and Working."

III. The history of local administration in Germany since the Prussian reforms of Stein.

IV. The larger areas: (a) Department, Arrondissement; (b) Provinz, Regierung-Bezirk, Kreis.

V. The smaller areas: (a) Commune; (b) Stadtgemeinde, Landgemeinde.

VI. Municipal enterprise.

VII. Local Taxation and Finance.

IX. The special functions: (1) education, (2) poor-relief.

X. The general working of the two administrations: centralisation and decentralisation.

Mrs. James Morrison was the guest of her son in the University the last of the week.

Harvard was named after John Harvard, who in 1638 left to the college £779 and a library of over 300 books.

### CIRCUS FINANCES.

Profit of \$450.07 Netted by Gymnastic Team.

Editor Cardinal:

It may be interesting to students and others to know the receipts and expenditures of the recent indoor circus. Mr. Davies has filed with me a certified list of every expenditure, with receipted bills therefor, and also list of receipts from all sources. This itemized statement may be seen in my office by any who so desire. The receipts were considerably diminished by the large number of complimentary tickets necessitated by the number of participants. Following is a summary of receipts and expenditures:

Receipts.  
From general admission tickets, reserved seats, concert, commission from Keeley, etc. .... \$647.47  
Disbursements.

For printing, advertising, costumes, expenses of side shows, medals, cup, prizes, telegraph and telephone bills, expenses of man to Milwaukee, material for "made-up," and other miscellaneous articles necessary ..... \$194.40

Deposited in Bank of Wisconsin for credit of Gymnastic team ..... \$453.07  
J. C. Elsom.

### Outing Clubs for Women.

Outing clubs which are to take the place of indoor gymnastics for women have been organized and the freshmen met Friday to make final plans. To-day at 4 o'clock the sophomores met to perfect their plans.

The Tennis club is unusually strong this spring having already about six y members. A great many games have already been played. It is hoped that there will be several match games and tournaments. Inter-sorority games have been suggested. The tennis association is controlled by a board composed of five women, Miss Macauley is president and Miss Pugh, secretary and treasurer. The other members of the board are Mrs. W. A. Scott, Miss Francis Marshall, Miss Anna Gopen.

About sixty have joined the rowing clubs, but as we can make no arrangements about boats they have to take their chances with the rest, but have the supervision of the gymnastic instructors who make certain regulations and try to arrange that those who do not row shall be taught.

It is greatly desired that crew work for women may be inaugurated and that in time we shall have a crew in every class.

The Bowling club will meet to-day and to-morrow at 6:45 for their first games and the regular nights for playing will be Monday and Wednesday, Tuesday and Thursday.

Cross Country Walking clubs are arranged to go Monday Tuesday and Wednesday at 5 o'clock and will start from the Hall.

The young women will report on the out door work done at a meeting June 30. Four hours a week is required.

Abby S. Mayhew,  
Physical Director.

The government of Peru has offered to give to Harvard University such real estate as would be required for enlarging the astronomical plant of the University in Arequipa and to admit free of duty such equipment as Harvard may send to the station.

### "THE LITTLEST GIRL"

#### ONE-ACT FARCE TO BE GIVEN AT HOME CONCERT.

Special Features Being Arranged—Medley of Varsity Songs—Girls' Glee Club to Sing.

The play to be given in connection with the annual home concert of the University Glee and Mandolin Clubs has been decided upon. The play is a delightful one-act drama entitled "The Littlest Girl." It was dramatized and played by Hillyard from Richard Harding Davis' "Her First Appearance." The title role will be played by little Miss Elizabeth Edsall, and the other parts will be taken by members of the Haresfoot club, under whose direction the play is to be produced.

The remainder of the program will be much like the program of former concerts given by the clubs, consisting for the most part of selections by the clubs. Both Glee and Mandolin clubs are especially strong this year, a large number of members of both clubs being men of past experience in this kind of entertainment.

As at last year's concert the Girls' Glee club will render a selection. The University quartette, composed of Messrs. Pray, Ireland, Spooner and Ehlman will also have a number and Mrs. F. P. Bowen will sing a solo. One of the special features of this year's concert will be a specially medley of old Varsity songs.

The concert will be given on Thursday, May 9 at the Fuller Opera house.

### COMPETITIVE DRILLS.

Will Commence in Gymnasium on Tuesday, May 7.

Competitive drills will soon be held to determine which of the six companies composing the U. W. regiment is the best drilled. The drills will take place in the gymnasium at 4:10 p. m., the first battalion on Tuesday, May 7, and the second on May 9. At these preliminary drills one company from each battalion will be selected, which will compete for final honors on Thursday, May 16.

At the close of each of these drills a chance will be given to the individual members of the regiment to drill down in the manual of arms and the school of the soldier.

Medals will be awarded to every member of the winning company and to the winner of the individual drill. Competition for these honors is very close, and each company is putting forth every effort to make a good showing.

The competitive drill last year was won by Company H, commanded by Lyndon H. Tracy, who is at present colonel of the regiment. His company were the little fellows but showed themselves to be the best soldiers nevertheless.

Members of the U. W. regiment appearing in uniform will be admitted to the drill free, all others will be charged an admission fee of ten cents.

Captain Curtis has not yet announced the judges, but they will be members of the national guard, and the United States army.

Dartmouth college was named after Lord Dartmouth who subscribed a large amount and was president of the first board of trustees.

### Local and Personal.

C. Boender, '00, of Monroe visited his sister Saturday.

The sophomores had their last gymnasium drill on Saturday.

Harry McDonald, '04, has been obliged to return to his home at Fond du Lac for a few days due to sickness.

Ernest B. Smith, '98, has just returned from a sojourn at Beloxi, Miss., where he has been spending the winter for his health.

The music committee of the Y. M. C. A. are busy arranging for a sacred concert to be given instead of one of the Sunday afternoon meetings.

Prof. James Sargent Smith of the school of music, who with his wife has been touring in Europe for the past three months landed in New York Friday and will arrive home tomorrow.

Prof. Charles Noble Gregory, who becomes dean of the law department of the University of Iowa next year, is to be the guest of honor at a banquet by the university element in Iowa City, May 18.

On Saturday night the Christian association men had a "House Affair" in honor of Wm. J. Parker of Chicago who was their guest over Sunday. It consisted of an informal spread after which a program of songs, speeches and recitations was given.

Delta Upsilon gave a dancing party at Keeley's hall Saturday evening. About 30 couples were in attendance. The affair was chaperoned by Prof. and Mrs. P. S. Reinsch and Prof. and Mrs. B. W. Snow. Refreshments were served in the lunch room.

The Varsity proved too much for the doughty boys from Dixon and took them into camp by a score of 8 to 7. A muddle of errors by Harkin and Brobst in the fifth allowed the visitors to take the lead. The home team managed however to retrieve itself in the sixth and eighth innings of the game by a single run. Ware again distinguished himself by lining out four hits, two three-baggers, a two-bagger and a single, out of four times at bat. Richardson pitched for the Varsity.

John E. Ring, father of Mrs. C. R. Van Hise, died in Ashtabula, Ohio, last Thursday morning, of heart failure. He was 78 years old and had been in quite delicate health the past year. He left Madison a few weeks ago to look after business interests in Ohio. Mrs. Ring and Mrs. Van Hise were with him when he died. The body will be cremated in Chicago and interred in the cemetery at Evansville, Wis. Prof. Van Hise left for Chicago Friday evening where he will join Mrs. Van Hise and Mrs. Ring.

### Funeral of H. E. Clausen.

The funeral of Harry E. Clausen was held Saturday afternoon at Fox Lake. It was delayed so that his brother Leon who lives at Spokane, Washington, would be able to attend. The funeral was the largest which has been held at Fox Lake for a long time. The services were held in the Baptist church.

During the afternoon all public business of the town was suspended. Former classmates were present from Chicago, Milwaukee, Madison and other places. The fraternity, Phi Gamma Delta, of which the deceased was a member attended in a body. Besides those from the fraternity, others from the University who attended were L. D. Williams, D. R. Mathews, E. J. Beule, R. M. Chapman and M. H. John. Many beautiful floral offerings were presented, among them a large floral anchor with fraternity letters upon it.

### Open-Air Concerts.

A few years ago, the Varsity band and Glee club gave a series of concerts, which attained a great popularity among the students long before the season closed. These concerts were given in the open air, generally in the rear of President Adams' home, between the hours of seven and eight on Friday evenings. For some unknown reason these open air concerts have been dispensed with for the past two years, although enough interest during that time had been manifested to warrant their success in case of repetition.

This interest is being shown again this spring and it is to be hoped that the concerts will be repeated. There can be no valid objection to them, as they will not interfere with study in any way whatsoever, and we are always glad to hear the band and the Glee club.

### The Big Oratorical Contest.

On Friday night of this week, the final oratorical contest of the big colleges of the west will take place at the University of Iowa. For the first time in her history Wisconsin is represented by a woman, a young lady who has shown by her success in the Junior Ex. and Senior Final that she possesses oratorical ability of an exceptional degree; a representative, of whom we may be proud.

Oratorical contests are enough of a lottery to make any predication a mere guess, but the Cardinal believes that it is the general opinion among the students that our representative is a capable one and we may be sure that Wisconsin will again finish among the leaders.

It is needless to say that, win or lose, our representative will uphold the standard so highly placed by her predecessors and that our rapidly growing reputation in oratory will be further advanced this year.

## High School Department.

## Cumberland.

For the first time in its history the Cumberland high school last winter entered the lists in declamation. In the local contest held Feb. 9 there were five aspirants on the platform. Ernest Wright won first place with "Spartacus to the Gladiators," and Floyd Wright won second, with "Regulus to the Carthaginians." Miss Sue Smith, with a selection from Quo Vadis, took third place. The district contest, held in Rice Lake March 2, included five schools: Rice Lake, Cumberland, Barron, Shell Lake and Bloomer. Each was represented by its first and second local winners, those in each case being girls with the exception of Cumberland. The judges selected were Prof. Walker of the Superior Normal, Mrs. Truesell of the River Falls Normal and Mr. Toby, superintendent of schools at Chippewa Falls. All residing outside of the contesting cities. They rendered the following decision: Lucy Rosenquist of Barron, "The Two Sisters" first; Verna Howard of Rice Lake, selection from Quo Vadis, second; Ernest Wright third.

Much enthusiasm was displayed during the latter contest, being evidenced by large crowds and flourishing colors from all the interested schools. Of the visitors Cumberland won the banner for largest attendance, having about sixty present.
