Mike Dombeck

Mr Dombeck:

Enclosed please find a copy of a photo of yourself with the George Washington and Jefferson National Forests Law Enforcement Officers. This was taken after our successful visit by President Clinton in October of last year.

With this photo I have included the names and home districts of all our folks. (Unfortunantly I am the only one with my eyes closed). I thought you might like a momento of the event with the names of the officers that took part.

If you don't mind I'd like something from you in return. Your autograph. I have sent a violation notice with this packet. If you would, please sign across the block beginning with "Defendant's Last Name". I would appreciate this as my momento of this event.

I appreciate your taking the time for this out of your schedule which I know is hectic. If you are ever down near Mount Rogers National Recreation Area stop in and we'll make you feel right at home!

Yours truly,

Michael David Evans, Law Enforcement Officer  
USDA Forest Service  
Mount Rogers National Recreation Area
