SCHOOL BOARD

This year they have been faced with even greater responsibility because of the building program.

ADMINISTRATION

W. K. CARTER
Superintendent
Waterford High School

The 1963-64 school year has been an important one in the history of Waterford High School, a year that has been concerned primarily with the building program. Speaking for the staff and students, I wish to thank the parents and other taxpayers of the Waterford High School district for furnishing us with the facilities and equipment so essential to our task of providing quality education.

I know the staff joins with me in pledging our support in maintaining the high quality of education made possible by the new equipment and the twenty-nine additional rooms. We shall improve our curriculum as the needs of the area indicate, so that Waterford High School will provide all those activities which will give our people the kind of education of which they and we will be proud.

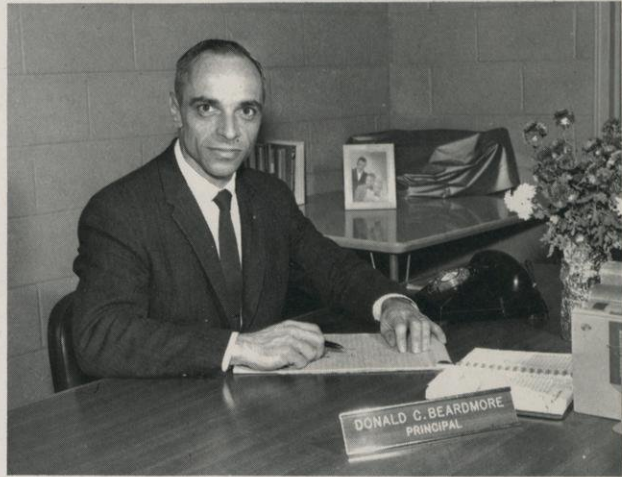

I would like to express my gratitude to the entire student body for their patient and understanding cooperation during the trying time that building was in progress. You will enjoy with us the improved and extended facilities when you return in the fall.

I especially wish to extend my personal good wishes to the graduates of 1964. I know that the knowledge you have gained and the experiences you have enjoyed here at Waterford High School will inspire you to put forth your best effort in all your undertakings in the years to follow.

W. K. Carter

ADMINISTRATION

DONALD C. BEARDMORE
Principal
Waterford High School

My first year at Waterford High has been an enjoyable experience. The friendliness, purposefulness, and pride evidenced by the student body, as well as the fine cooperation and dedication of the faculty, have made it so.

It is my hope that each of you had a good year, too--one that was satisfying and profitable. Further, I hope that each of you was stimulated to such a degree that your enthusiasm for learning has increased and will continue to increase during the years to come. My sincere best wishes for a happy future go with the graduating class of 1964, and I look forward with pleasure to working with the underclassmen when we return in the fall.

BADGER GIRL—BADGER BOY

John Callen, Mel Stober, Virginia Paap.

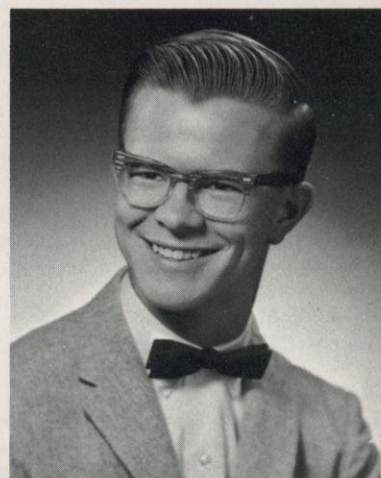

John Callen and Mel Stober represented Waterford High School at the 1963 Badger Boys' State held at Ripon in June. Badger Boys' State gives boys from all over the state an opportunity to learn more about state government. The boys actually run an imaginary state and perform all duties as officers on the state and local level. The privilege of attending Badger Boys' State is made available to two junior boys each year by the Essmann-Schroeder Post #20 of the American Legion.

Our guidance director, Mr. Knox, took an active part in Boys' State. He was the assistant band director at Boys' State.

Waterford's Badger Girl for 1963 was Virginia Paap. She spent a week at Madison on the University of Wisconsin Campus. The Badger Girls also ran an imaginary state and learned a great deal about Wisconsin government. Each year the Auxiliary of the American Legion gives a junior girl the opportunity of attending Badger Girls' State.

AMERICAN LEGION AWARD

Each year the Essmann-Schroeder Post #20 presents the American Legion Award to a boy in the Senior Class. The faculty names this student on the basis of leadership, scholarship, honor, courage, and service. The student's name is engraved on a plaque presented by the Legion. At the 1963 commencement, the American Legion Commander presented this award to James Guth.

SOPHOMORES

With the help of our advisors, Mrs. Bayer and Mr. Zuelsdorf, the Class of '66 started its second year eagerly and ended it quite successfully. In the fall, class officers were elected and Barb Nemath was chosen as Homecoming Representative. The football team chose Tom Buse as their representative to the Court of Honor. Our class participation in the Homecoming activities consisted of decorating the grounds of the school. The Union Grove players were buried under "mock" graves in front of the gymnasium doors.

Many sophomores participated in all the school athletics and the results were helpful and rewarding. Shawn Streed, Cathy Zahn, and Barb Nemath were "B" Squad Cheerleaders from the class.

FRESHMEN

The Class of '67 started its first year at Waterford High with an enrollment of 148. Mr. Edwards, their class advisor, helped them with their class elections and meetings. The first class activity was a magazine sale held in September. The sale was very successful and contributed approximately \$400 to their class treasury. The highlight of the year was the class party held in the spring.

Mary Schweitzer was their Homecoming Representative who was escorted by Tony Caliva. The football team elected Richard Westlund as their freshman representative, but he was unable to attend the festivities because of a sprained ankle. Barb Schaffer and Susie Johnson were "B" Squad cheerleaders from their class.

Mr. Sunby was advisor, guiding the editor, Virginia Paap, and the section heads in making the annual a success. A Spring supplement was a new addition to the annual this year.

PHOTOGRAPHY

The photography club was able to learn to use and operate the equipment to better themselves in the use of cameras. They pride themselves in making prints for the local newspaper and snapshots for the annual. There were two groups meeting on alternate evenings due to the large groups and the shortness of the material.

PROJECTOR

The members of the projector club learned to operate several different types of equipment. They operated the machines during study periods and assumed many responsibilities in doing so. The members found their assignments posted in the main lobby of the high school building and were eager to perform the duties assigned to them.

LIBRARY

The members of the library club aid the librarian with the work in the library. They assist students in finding books and articles in magazines. With their help, students find the library in neat orderly condition, ready for service. The officers of the library club took a trip to hear lectures about how libraries are run. Miss Handrian was the advisor.

FORENSICS—DRAMA CLUBS

FORENSICS

The Forensics Club was advised by Mr. Molthen. The members of the forensics club met at Union Grove at the League Contest. The local contest was held in March. The fields were: interpretive reading of poetry and prose; original and non-original orations; serious and humorous declamations; impromptu speaking; and play reading which consisted of four or five people taking different roles in a play.

DRAMA

The Drama Club is a new activity at Waterford High School. Mr. Molthen was the advisor with Miss Zuiker as his assistant. This year the drama club presented two plays and a Christmas Pageant in conjunction with the Choral Department. The different sections of the club are: acting, construction and property, and costume and lighting department. Lessons were given in these different sections. Seeing forty people faint on the gym floor was only one of the things a person could see at an acting lesson. The drama club took various trips to plays in the area.

NATIONAL HONOR SOCIETY

Throughout the year the National Honor Society presented several assemblies to the student body. The speakers of these assemblies were introduced by a member of the society. A committee from the faculty chose the members on the basis of character, leadership, and scholarship. These scholastic requirements are that the members have a grade point average of "B" or better and maintain this average.

STUDENT COUNCIL

The Student Council acted as the voice of the student body. Each class and officially organized club were represented on the council. The group met on the first and third Thursdays of each month. The council was responsible for the student calendar and assigned dates for many of the activities scheduled throughout the year. This year the council was officially organized with the acceptance of a constitution. The constitution had to be ratified by a three-fourths vote of the student body. The actual vote was: 452--yes; 11--no; and 45--absent or not voting.

CHORUS

This year chorus met every day. Miss Gustafson and the girls worked very hard to present various concerts through the year. The fall concert was called "It's a Grand Night for Singing." The theme song of the evening was "It's a Grand Night for Singing" with various other selections to make it an enjoyable evening of music. The Christmas concert was presented as a combined effort of the Drama and Choral Departments. The theme of the Christmas Concert was "The Bells of Christmas" in which the chorus sang Christmas selections that corresponded with the Drama Club's tableaux on the stage. Choral reading groups also participated in the festivities. The chorus also presented a Spring Concert.

On Friday, October 25, we defeated Union Grove 21-7 in an important conference game. The highlight of the celebration was the dance on October 26. Bill's Combo provided the music for the evening's dancing.

The Wolverine varsity squad, coached by Mr. Wiese, represented Waterford ably on the basketball court. Gary Lewis was the captain, and Woody Arneson and John Nemath took care of the managerial duties. About half of the squad is seniors, so there will be a rebuilding job necessary next year. Mr. Christiansen coached the B-team to a successful season as the players prepared to take their place on the varsity squad. The B-team played the same schedule as the varsity.

BUILDING PROGRAM

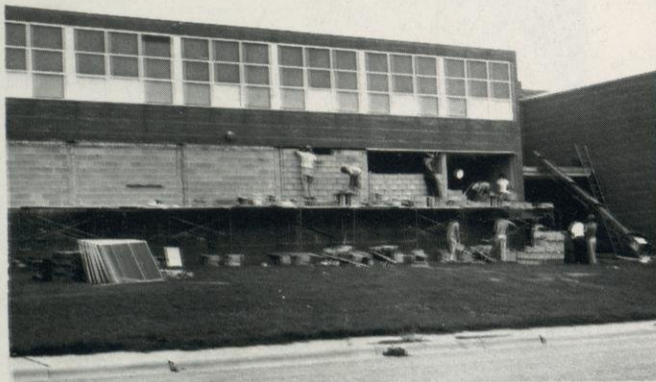

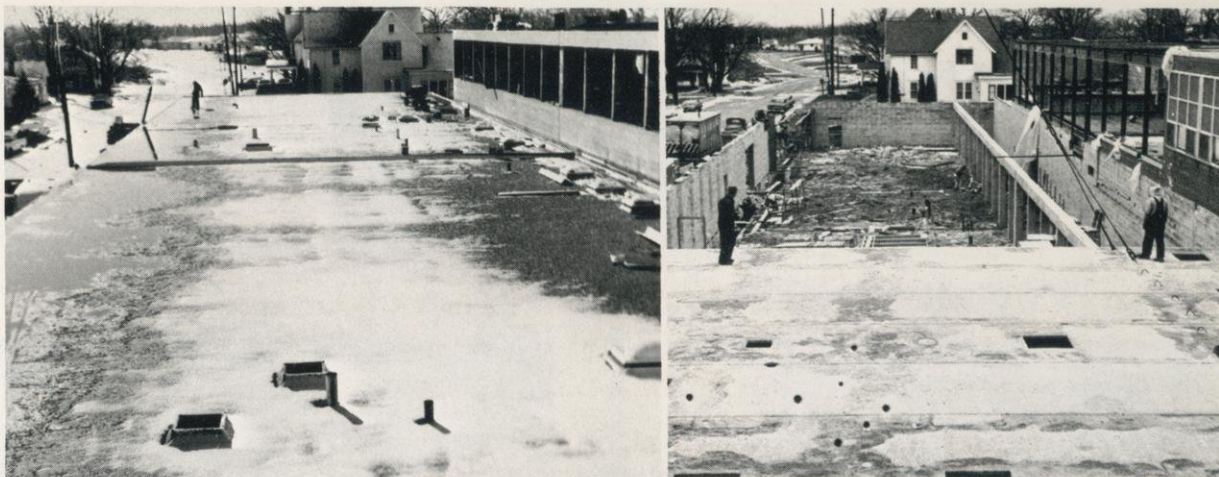

The Waterford High School expansion project is being built by Sherrer, the general contractor. Heating and ventilation is being done by Reineman's of Burlington, plumbing by Advanced Plumbing of Racine, electric by Mitzen of Racine, kitchen equipment by St. Paul Bar and Restaurant Company of St. Paul, Minnesota. The architects were Durrant and Berquist of Dubuque, Iowa.

The expansion will cost approximately \$730,000 adding nineteen new rooms and about 45,000 square feet of facilities bringing to a total of about 95,000 square feet.

The two story addition on Field Drive, to be completed by March 1, will contain thirteen rooms, five of which will be science, one for math, four for English, a new art room, a reading room and a language library. This language library will be used for the oral method of teaching and will consist of a number of booths and a console desk. All the booths will be controlled from the desk. Each student will be housed in a booth and will be taught a foreign language by the use of tape recorders.

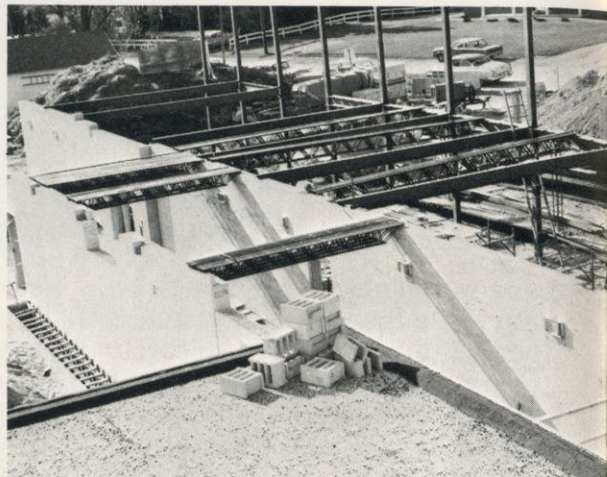

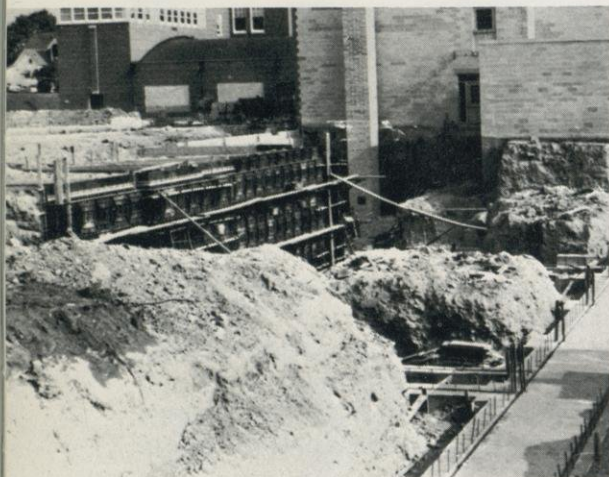

In the addition, the subjects will be grouped according to subject area, such as all sciences, all maths, etc., in one area.

Some of the new subjects will be a metal shop, machine shop, and a new woodworking shop while the old shop will be used as a third gym station. The addition on Center Street, to be completed by September 1, will house a new office, library, kitchen, cafeteria, and a new band room with built-in risers. The cafeteria will be quite large and will have a drawable partition to form two large classrooms for use in team teaching if the school turns to this method. In team teaching, one teacher conducts a class of around 150 students.
