# ***RECORDS BOOK***

The Wisconsin State University Conference presents the sixteenth edition of its RECORDS BOOK as a means of informing the educators, writers, broadcasters and staff of the excellence of athletic competition displayed by teams and individual student-athletes of member institutions. This booklet is published annually to provide a record of all sports in the Conference-sponsored program.

It is the function of the Wisconsin State University Conference to encourage inter-collegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member institutions.

Commissioner of Athletics

## THE UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is marking its eleventh anniversary in the fall of 1982. The UW System was created in October 1971 by a law placing all of the state's public university campuses under a single Board of Regents. The 13 universities and 13 two-year UW Centers served 158,971 on-campus students in 1981-82, and UW-Extension provides outreach services from offices in every county. Although only eleven years old, the UW System was one of the first statewide higher educational systems in the nation and has pioneered in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are at Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha-Racine (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Centers are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau, and West Bend.

MAX R. SPARGER, COMMISSIONER OF ATHLETICS

Max R. Sparger was named athletic commissioner of the Wisconsin State University Conference in July of 1971, succeeding Fred Jacoby.

Sparger has experienced a varied and successful career in athletics as a participant, coach, administrator and official.

A native of Wichita Falls, Texas, Sparger was a member of the UW-Stout athletic staff from 1959 to 1971, and athletic director his last two years there.

The Commissioner grew up in St. Paul Park, Minnesota, graduating from high school there in 1952. He earned his bachelor's degree in 1956 from Dubuque (Iowa) University, where he played football four years and was named captain and most valuable player his senior year.

Following graduation from college, Sparger coached high school and junior college sports in Fort Dodge, Iowa, leaving to join the Stout staff as assistant football and basketball coach in 1959. He received his master's degree in education from Macalester College, St. Paul, Minnesota, in 1961, and since then has done advance work at the University of Minnesota.

He became head football coach in 1963, and was selected to receive an award for "Outstanding Teaching" during that year. He guided Stout to a Conference championship in 1965, after which he was named "Coach of the Year" in N.A.I.A. District 14. He gave up his football coaching duties after becoming athletic director in 1969.

PASSING RECORDS FALL AT SUPERIOR

Records fell in wholesale lots as Stevens Point outlasted Superior, 35-27, in a WSUC football game Saturday, October 17, 1981, at Superior. Point quarterback Brion Demski completed 31 of 61 passes for 477 yards and four touchdowns and his Superior counterpart, Steve Hendry, hit 39 of 62 throws for 451 yards and three touchdowns in the rain and mud.

Hendry was injured late in the game and Jeff Mumm came in to complete two of eight passes. So, the Yellowjackets finished with a record 41 completions in 70 attempts for 475 yards during a four-hour battle.

The two-team totals of 131 passing attempts, 72 completions and 952 yards gained are national records for NCAA Division III and NAIA, and naturally are WSUC marks.

Hendry's 39 completions also topped the 33 by Stevens Point's Reed Giordana against River Falls in 1976 for a WSUC record. Both quarterbacks eclipsed Giordana's 436 yards gained against Eau Claire in 1977 with Demski's 477 standing as the record.

Receivers set two individual conference records, Stevens Point's Chuck Braun with 303 yards in 13 catches and Superior's Tim Mowery with his 18 receptions for 174 yards. Mowery tied a record set a week earlier by Oshkosh's John Dettmann against River Falls.

PREVIEW OF 1982 FOOTBALL SEASON  
WISCONSIN STATE UNIVERSITY CONFERENCE

Two years ago four teams tied for the championship and most coaches figured a similar finish might occur last fall, but Eau Claire emerged as the dominant force in the conference.

The rest of the teams were tightly packed behind the Blugolds except for Superior, which again failed to win a game. That could change this year because "Mertz" Mortorelli believes he can field a Yellowjacket team that will provide a challenge for any club in the league.

Nobody predicts a clearcut championship for any team. Naturally the defending champion receives strong support just on the weight of the previous season's performance. Eau Claire deserves that backing, but La Crosse and Whitewater always generate strong support.

Platteville Coach George Chryst summed up the general consensus of conference coaches when commenting, "Eau Claire has the size, strength and confidence of a defending champion. They are the team to beat again.

"Whitewater, Stout and La Crosse are always tough and I look for River Falls to bounce back after a tough luck season. It will be a typical WSUC race with exciting, competitive games throughout the year.

"I definitely feel the reduction of scholarships at the (NCAA) Division I and II level has had a ripple effect on our league," Chryst continued. "There are more and more players who might have gotten scholarships a few years ago that are now electing to come to WSUC schools and this has definitely improved the caliber of football in our conference.

"I think it also shows you can have quality programs under a Division III philosophy and the result is exciting games for the fans and a worthwhile competitive experience for the players."

That competition will be obvious from the opening round of conference games Sept. 18, when La Crosse plays at Oshkosh, River Falls at Platteville, Stevens Point at Whitewater and Stout at Superior. Those confrontations will provide an early insight on what to expect the rest of the season.

Conference opponents can expect more diversity in Stevens Point's offensive attack under new Coach D. J. LeRoy, 25, who succeeded Ron Steiner last April. LeRoy must find a replacement for quarterback Brion Demski and some receivers who can pick up the slack left by the departure of split end Charles Braun. Forrest Perkins, too, should be able to equate his veteran talent and get an inkling of whether or not his Warhawks are ready to rule the WSUC roost once more.

Roger Harring will be counting on another strong defense to hold the fort at La Crosse while the offense jells behind a rookie quarterback who must be found to replace Jim Kildahl. Dave Hochtritt is hoping "attitude" at Oshkosh will provide a positive force to make the Titans a team to be reckoned with again in the WSUC.

Mike Farley is searching for a new quarterback to trigger his "wishbone" offense, and Chryst hopes the return to health of Chris McLimans propels his Pioneers up among contenders. The Platteville coach calls McLimans a "Paul Hornung type" football player who can find numerous ways to win football games.

Mortorelli will discover early whether his Yellowjackets at Superior really are capable of moving the football and threatening a tough defense. Stout is certain to provide that challenge with Bob Kamish's "radar" defense having two difficult non-conference games under its belt by the time Superior rolls around.

Eau Claire is the last of the WSUC teams to face a conference opponent but all eyes will focus on the Blugolds when they open at home against Oshkosh Sept. 25. Will the loss of Roger Vann and Kevin Bohlig be too great for Link Walker and his champions to overcome? Or, are Kevin Haag and Bill Schmitz capable of carrying the Blugolds to a second consecutive title for the first time since 1964?

The charm of the WSUC is the fact that there are no "Big Two" or "Little Seven" or whatever.

PROSPECTS FOR 1982

The Blugolds will be hard-pressed to duplicate last season's championship performance without the services of such standouts as running back Roger Vann, quarterback Kevin Bohlig, center Brett Cole and defensive lineman Steve Eckley and Tony Schoch. Coach Link Walker guided his 1981 team to a 9-1 record and the school's first WSUC title since 1964.

The task of repeating will be formidable but certainly not impossible because the Blugolds return 16 starters. They know what it takes to win. Along with these starters Walker regains the services of fullback Bill Schmitz and strong safety Grant Bashore, who were injured in the second game last season and didn't see a down of action in the conference.

Kevin Haag of Madison (West), who performed well in several relief appearances last season, figures to receive the first shot at quarterback. He threw four touchdown passes during his limited time on the field. Although Vann probably can't be replaced after gaining over 1,200 last season, Schmitz is a more than adequate running back who finished third in conference rushing two years ago. Among leading offensive returnees is All Conference guard Craig King.

Defensive end Brian McQuillan and linebacker John McBride are leaders on the other side of the ball. Dave Verhagen of Kimberly (6-3, 220), a transfer from Southern Colorado, could bolster the defensive line. Offensively, Mike Molnar (6-3, 235) will return at offensive tackle. He played as a freshman but has been out of athletics for two years.

Another key ingredient in the Blugold attack is Bob Leffler, who led conference kick scorers last year and booted seven field goals. Walker believes his team could contend again, "if we are not hit hard by injuries."

PROSPECTS FOR 1982

Coach Roger Harring is gearing for what he expects to be another wide open, highly competitive WSUC race and the Indians should fight their way into the thick of it. The veteran coach lists "tradition, team speed and depth" as principal strengths as he prepares for the 1982 season. The Indians struggled to a 4-4 conference record last fall and were 6-4 overall.

Harring will be starting without the services of quarterback Jim Kildahl, running back Jeff Larson, wide receiver Bill Patza and tackle Clayton Heath from the offense as well as All Conference linebacker Mike Fabich and tackle Jay Pierce from the defensive unit.

Returning, though, are veteran offensive performers Reggie Rabb at running back and Torkel Leum (6-2, 230) at guard. Defensively, Harring will build around All Conference tackle Jim Byrne (6-4, 260) and end Dale Statz (6-2, 205). Two transfer students could bolster this unit, linebacker Tom Sichlinger from the Air Force Academy and tackle Rick Guyse from Northern Michigan.

One priority item will be replacing all three receivers, including Patza, who caught 29 passes in the conference last fall. One possibility at split end is Ken Schmidt, a transfer from Northern Illinois. Finding an adequate quarterback also presents a problem. With Kildahl gone, the only veteran back at that position is Tony Klein, a junior.

The Indians ranked just behind champion Eau Claire last fall in total defense and appear strong again, particularly in the line. The secondary is green and this causes some concern at the outset. But, Harring expects to find some quality football players from his list of 33 returning lettermen.

PROSPECTS FOR 1982

The Titans experienced an "intense off-season weight program" and Coach Dave Hochtritt is gearing his team for a return among conference contenders after slipping to 3-5 last fall. "Our overall attitude is the best it has ever been, the coach said.

Some quality veterans on offense are major reasons for optimism. This group includes quarterback Brad Hitt, who ranked second in passing efficiency in the conference last fall, and running back Russ Wolff, who averaged five yards a carry rushing. Also back is Randy Peiffer (6-2, 242), a quality guard.

Hochtritt must replace receivers John Dettmann and Terry Wittmann, as well as J. T. Thomas, an explosive running back. Dettmann shared the conference pass receiving lead last fall with 60 catches in eight games, including a record-tying 18 against River Falls.

The defensive unit must be practically rebuilt because of the departure of such standouts as Joe and Art DeCoursin, at linebacker and nose guard, respectively, as well as cornerback Bill Breider. Hochtritt might receive some help from transfers but newcomers usually take time to adjust to a new system.

One freshman the coach believes might be able to help early is Dale Wittman, a running back from Menasha. Another plus for the Titans is All Conference punter Jim Wild, who led the WSUC last fall by averaging 38.6 yards on 52 punts.

If the Titans can find the formula in close games this fall, there's no question they could jump up among the contenders. Among their five losses a year ago were three-point decisions to both La Crosse and River Falls as well as a five-point setback in the season finale at Whitewater.

PROSPECTS FOR 1982

Coach George Chryst, who has revitalized football at Platteville, figures to field another representative team this fall and the Pioneers could contend for the championship if the right pieces fall into place. The key is the offensive unit and much depends on quarterback Mark Rowley.

"Phil Micech and Scott Herrman are excellent defensive tackles," Chryst said while assessing his squad. "They will head up a solid defense. Our offense must be improved in order to do well in '82.

"The return of Chris McLimans and Jeff Dower, who missed all but one game in '81, will give us depth at running back. We still lack speed but Rowley's improvement at quarterback should give us better execution on offense."

This is not to say graduation did not leave some huge gaps in the offensive and defensive units. Mike Rohrwasser and Mike Dalton, All Conference linebacker and cornerback, respectively, are gone along with free safety Larry Henkel and nose guard Chuck Voltner. Among offensive losses were All Conference Jeff Moen and Bill Lucey at the tackle spots.

Platteville ranked third in both rushing and passing defense last fall and that unit is expected to hold its own again. Generating a more explosive offense is the priority item. Two transfer tackles, Paul Grner from Morningside and Don Sirota of Triton Junior College, could fill voids left by Moen and Lucey.

They will help, but Chryst emphasized, "We need more speed in the backfield and improvement in our passing attack."

PROSPECTS FOR 1982

The Falcons slumped to 3-5 in the conference last year and that was uncharacteristic of a Mike Farley coached team in recent seasons. The Falcons had figured in four championships during the previous six campaigns. The veteran coach predicts a "middle of the pack" finish for his current Falcons in early assessments of their chances.

A "wishbone" offense has been Farley's trademark since taking over the helm at River Falls and his philosophy is not expected to change much this fall. The major project in preseason will be finding a replacement for graduated quarterback Jim Abbs, who triggered the "wishbone" for three years and played on two championship teams.

Also missing from the offense is fullback Ernie Kolumbus and center Bob Dinkel, while Farley must find defensive replacements for tackles Bill Sherman and Rick Fuhrman as well as end Steve Olson and linebacker Scott Lueders. Some freshmen and transfer students could fill some of the voids adequately, but Farley points out they must prove themselves.

Bob DeLeo and Mike Farley, the coach's son, are the only returning lettermen at quarterback. Farley confined his duties to punting last fall and neither has much experience directing the offense, where the quarterback mostly runs the football. The Falcons passed the ball only 45 times in eight conference games last season.

Farley does have some quality returnees available, though, including linebacker Roland Hall and cornerback Ron Brenner, along with fullback Jon Ireland, who rushed for 54 yards a game and 4.4 a carry in 1981. Brenner also led the conference in punt returns a year ago.

PROSPECTS FOR 1982

Take away Coach Ron Steiner, quarterback Brion Demski, split end Charles Braun and fullback Andy Shumway and the Pointers lose practically all of their "personality" from recent years. Steiner resigned after five years as head coach and was succeeded by one of his assistants, D. J. LeRoy.

Braun, a three-time conference pass receiving leader; Demski, a two-time total offense champion; and Shumway, Point's leading rusher, are gone. Also missing from the offense are tackle Al Mancl, guard John Craff and center Jamie Berline.

Stevens Point has been renowned as a passing team for a decade but with LeRoy at the helm, the Pointers can be expected to rely more on diversity. LeRoy, an outstanding running back at Eau Claire in the 1970's, ranks second in all-time Blugold rushing statistics with 2,666 yards. At 25, LeRoy could be the youngest head football coach in WSUC history. Max Sparger, current conference commissioner, was 27 when he became head coach at Stout in 1963.

The Pointers still could establish a good passing attack. Among quarterback candidates will be freshman David Geissler of Chippewa Falls, who set a carload of passing records in high school and was named United Press-International "player of the year" in Wisconsin last fall. Another is Dave Wilman, a transfer from Northern Michigan.

The receiving corps includes split ends Mike Gaab, Tim Lau and Craig Qualley along with tight ends Scott Erickson and Rick Steavpack. LeRoy also has two quality running backs in Rod Mayer and Gerry O'Conner who can be expected to carry the ball more often this season.

The defense returns intact and is headed by All Conference cornerback Gary Van Vreede and veteran linebacker Bob Lewitzke.

PROSPECTS FOR 1982

The Blue Devils compiled a 7-4 record last fall and shared second place in the conference at 5-3 in Bob Kamish's second season as head coach. This year they hope to challenge for the title with a strong running attack and a sophomore quarterback, Glen Majszak, with some experience under his belt.

All Conference Bob Johnson leads a talented group of running backs Kamish has available for his "wishbone" offense, but the offensive line must be rebuilt. End Maurice Britts, another All Conference performer, heads the defensive line, but the secondary needs shoring up, especially with the loss of Bruce Conner.

Stout will face two teams coached by former Blue Devil mentors this fall, including Lyle Eidsness and his Augustana (S.D.) Vikings in the opener at Menomonie. Both Eidsness and Kamish employ the "radar" defense and the Blue Devils' coach says, "How well we play against this NCAA Division II school (Sept. 4) could affect our whole season." The following week Stout faces Gustavus Adolphus at St. Peter, Minn. and the Gusties are coached by former Blue Devil assistant Dennis Raarup.

"As the offensive line jells, so will the team," Kamish says. "We look to be in the thick of the battle again. But, the offense will have to show more fire power than it has. The inability to throw well in key situations will have to be greatly improved upon."

Although Majszak has the upper hand at quarterback, sophomore Scott Sladky is not far behind. With Johnson and Kevin Weaver at the halfbacks and Todd Zimmerman at fullback, Kamish points out, "Stout will not have put a more experienced or talented backfield together than we have in '82." Hopefully, newcomers can fill some of the voids in the line.

YELLOWJACKETS PREVIEW

This is the year the Yellowjackets could emerge as a definite factor in the WSUC championship race. Coach "Mertz" Mortorelli has a group of talented lettermen back and expressed enthusiasm about the future despite some losses due to graduation.

"We will be a very good football team and should finish in the top three," Mortorelli states. Principal reasons for this optimism are the return of All Conference noseguard Larry Banks, one of the premier players in the WSUC, as well as linebacker John Danczyk and defensive back Ken Finister.

Good football teams start with quality defenders. Now Mortorelli must refurbish the offense, which lost halfback Tim Mowery and split end Randy Jones, who caught 57 and 50 passes, respectively, last season to finish third and fourth in the conference.

Quarterback Steve Hendry, who ranked second in passing efficiency in the WSUC last fall, returns to direct Mortorelli's "run and shoot" offense, which accounted for lots of passing yards last fall but no victories. Hendry isn't the only quarterback available. Also returning are sophomore Mike Frenchick and senior Mark Thomas.

Mortorelli has 16 starters back among 45 returning lettermen and expects some quality newcomers to fill most of the voids. The Yellowjackets will be trying to snap their 21-game losing streak following their second straight winless season.

PROSPECTS FOR 1982

The Warhawks have been perennial challengers under veteran Coach Forrest Perkins and all indications point to another strong team this fall, similar to the one that compiled a 7-3 record in 1981 and shared second place in the WSUC with a 5-3 mark.

Although hard hit by graduation, numerous quality performers return, including All Conference defensive end Al Adler as well as wide receiver Joe Gerlach, running back Steve Ratcliff and defensive back Mike Maly. Gerlach caught 40 passes in eight conference games last fall and ranked among leaders in punt returns. Ratcliff averaged 80 yards a game rushing, second best in the WSUC.

Perkins lists among his problems to solve replacing guard Steve Potratz and center Dave Salentine in the offensive line along with defensive linemen Mike Meyers and Jeff Plaetzer. He also hopes to see more consistency at quarterback, where the return of Jim Stoppenbach from the injured list should create competition for veteran Doug Brown at the No. 1 post.

Some newcomers already enrolled in school could fill some of his more worrisome vacancies. Among the most prominent are Steven Boldt (6-4, 264) sophomore offensive lineman from Wisconsin Heights High School, Pete Aisbet (6-3, 210) freshman center-linebacker from Germantown and Robert Kopecky (6-2, 205) sophomore defensive end from Waukesha (South).

Whitewater has 34 lettermen returning and 16 were starters last fall. The Warhawks have figured in 10 WSUC championships in the last 21 years under Perkins and most conference observers expect them to challenge seriously in 1982. Senior leadership exemplified by such people as Adler, Brown, Gerlach and Maly bode well for the Warhawks this fall.

SPERLING ENJOYS BANNER YEAR

Superior's Todd Sperling battled snow and 35-mile-an-hour winds to win Eau Claire's Blugold Invitational cross country run Saturday, October 24, 1981. Earlier in the cross country season Sperling won the St. Olaf Invitational with a course record 25:46.6.

The Superior runner then set a record in the 1982 conference outdoor meet with a 30:15.01 clocking in the 10,000-meter run and later won the NAIA marathon in record time.

CARR ADDS TO HIS MANY LAURELS

Tony Carr, Eau Claire's NAIA All-American basketball guard, also earned a berth on the All-WSUC team for the third straight year. He won the conference scoring crown with 407 points and a 25.4 average. His total was the highest since Oshkosh's Ralph Sims scored 414 in 1977.

PREVIEW OF THE 1982-83 BASKETBALL SEASONWISCONSIN STATE UNIVERSITY CONFERENCE

Eight conference teams have been chasing Eau Claire for most of the last 13 years and they will be taking aim on the Blugolds again this season. Coach Ken Anderson's club tied Stevens Point for the championship in 1982, the 11th time in 13 years the Blugolds have figured in a title.

Eau Claire will try to match the five straight crowns Anderson's teams amassed from 1970-74 when it tips off this season, and rival coaches again list the Blugolds as front-runners.

Three other teams are considered most prominently when coaches discuss prospects for the coming season. Stevens Point, naturally, is mentioned in the same breath with Eau Claire when discussing teams to beat.

Also receiving strong support are Whitewater, which showed flashes of brilliance last season and added several quality players since then, and River Falls, the team that showed the most improvement in 1981-82. The Falcons under first-year Coach Stan Jack went from 6-17 in 1980-81 to 19-8 and a fourth place finish in the conference at 10-6.

One new coach, Christopher S. Ritchey, has joined the basketball ranks this year, replacing Superior's Jim Gleboff, who resigned at the end of last season. A native of West Covina, California, Ritchey is a former assistant coach at River Falls and Stevens Point.

Eau Claire lost conference "most valuable player" Tony Carr, but Anderson added two 6-9 prospects with freshman eligibility--Keith Knutson and Brian Krueger--as well as former Janesville Craig guard Ross Kingsley, who transferred from Northern Illinois.

La Crosse slumped to the second division last season and much will depend on newcomers this year, including 6-8 LeRoy Stahl of Richland Center, who spent a year at the UW-Madison, and 6-8 Shane Graham, an all-stater from Dubuque, Iowa.

Oshkosh's Bob White is rebuilding the Titans and looking for some quality players in the front line, while Platteville's Dick Wadewitz feels his Pioneers won't jell until the second half of the season.

Jack is looking for a "big man" at River Falls to go with talented 6-3 forward Jay Payton and 6-1 guard Casey Ditch. The Falcons need improved rebounding if they expect to continue their climb.

Stevens Point reached the top with a tenacious defense that set a conference record last season. Coach Dick Bennett's Pointers figure to exhibit the same kind of defensive excellence this year but he needs more size and strength in the lineup.

Coach Dwain Mintz faces the monumental task of replacing Craig Summers, his "do-everything" standout of the past two seasons. He also needs some scoring because his production from last season is gone.

Superior's problems are evident as the new coach tries to improve the Yellowjacket image, but at Whitewater Coach Dave Vander Meulen could field the best team since the co-championship years of 1973-74.

An already strong Warhawk squad has been bolstered by two transfer students, 6-8 Mark Linde from North Dakota State and Anthony Brazzel, a cat-quick 5-9 guard who comes to Whitewater following a brilliant season at Madison Area Technical College.

The top five teams bunched up considerably during some heated action in the conference last season, and coaches predict second division teams will improve noticeably during the coming campaign. If this comes true, the race could be tighter than at any time in recent memory.

PROSPECTS FOR 1982-83

Last year Coach Ken Anderson lost three starters from 1981 and still earned a share of the conference championship. This season he's looking for three more starters to replace NAIA All-American guard Tony Carr and two other All-Conference performers, center Bob Coenen and forward Rich DiBenedetto.

There's no panic in the Blugold camp where Anderson begins his 15th year at the helm as the winningest active four-year collegiate coach in the country (334-68). Some quality players remain, including 6-9 center Julian Kycia and 6-4 swingman Tom Saxelby. The major problem at the outset is inexperience in the front line. Lack of playing time hampers this area but the talent is there.

Strengths include a solid backcourt, good shooting and passing and talented young athletes who figure to get better as the season progresses. Some might wonder how the backcourt could remain strong with the departure of Carr, the conference's "most valuable player," but the Blugolds were bolstered by the transfer of former Janesville Graig star Ross Kingsley from Northern Illinois.

PROSPECTS FOR 1982-83

The Indians won five of their last eight games at the end of the 1982 season, including an upset of Eau Claire, and Coach Burt McDonald hopes that closing performance was a portent of things to come. The Indians slumped to sixth place from their runner-up finish the year before, but return nine players who saw extensive playing time last season.

All-Conference Mike Hanrahan, the Indians' leading scorer in 1981-82, is the man most difficult to replace. His loss and the lack of a big man under the basket are two problems McDonald faces at the outset. One who could solve the size deficiency is Shane Graham, a 6-8 forward-center who averaged 18.6 points and 10.2 rebounds for Dubuque (IA) Hempstead High School last season.

McDonald figures Graham could help immediately. The coach also expects Linus Vander Wyst, a 6-4 forward from Appleton (West), 6-5 Bob Wissing from Wauwatosa and 6-0 Tim Buss of Wisconsin Dells to blossom this season and elevate the Indians back into a contender's role.

PROSPECTS FOR 1982-83

The Titans slipped to eighth place (3-13) and won only five of 25 games last season, so Coach Bob White faces a monumental rebuilding job for 1982-83. His foundation figures to be 6-8 center Kevin Ziegler, who averaged 13.5 points and 7.8 rebounds a game in the conference last season. The forwards will be new because Dick Ritchie and Rod Eissens have graduated.

Most difficult to replace, though, will be guard Cam Curtin, who averaged 13.4 points and 3.2 assists a game as a senior. Inexperience could cause some serious problems at the outset, and White concedes the possibility of experimenting with several different lineups during early games.

There is some hope, however. Tom Dorlack, a guard with the best shooting eye on the junior varsity, might be ready to assume more responsibility. White also expects help at guard or forward from 6-3 Glenn Kamrath, who missed his freshman year due to an injury. Perry Wegener, a 6-6 sophomore from Reedsville, is a possible starter at forward, and 6-7 transfer student Jim McKay, a sophomore, should provide some needed depth in the front line.

PROSPECTS FOR 1982-83

The Pioneers lost half of their one-two scoring punch with the departure of guard Mike Douglas, who led the team with a 17.5 average and earned All-Conference selection last season as a senior. Mike Ehler, a 6-5 junior forward, returns, though, with his 16-point average in the conference. He will be one of the mainstays with guard Tony Neff, who averaged 4.2 assists a game last season.

Coach Dick Wadewitz plans to employ a passing game this season with more movement than a year ago. The addition of All-State guard Pete Langlois from Hartford could help. The Pioneer roster includes several players in the 6-5 range, along with 6-9 Gary Pearson and 6-10 Mark Rossetto. Wadewitz expects to improve on last season's 6-20 record with better shooting and offensive rebounding.

"Defense must improve," the coach emphasized. "Last year's team lacked quickness and experience to play good defense. This team will be a combination of underclassmen and veterans that will require time to develop into a winner. We will look for a dramatic improvement as the season progresses."

PROSPECTS FOR 1982-83

Coach Stan Jack turned the Falcon basketball program around dramatically last season. Following a dismal 6-17 record in 1980-81, the Falcons soared to 19-8 in Jack's first season at the helm and finished fourth in the WSUC with a 10-6 record. The Falcons found the knack of winning close ones down the stretch and this helped immeasurably.

Two guards are missing from that group, dependable Elander Lewis with his 13.3 points per game average, and Scott Heikkinen, the top man off the bench. Heading returnees are All-Conference forward Jeff Payton, the league's sixth leading scorer with a 20.7 average last season, and guard Casey Ditch with his 13.1 production from the back-court.

Last year's starters, with a season of WSUC competition under their belts, along with speed and ball control that Jack emphasizes are strengths the second year coach hopes to exploit this season. The Falcons do need a big man, a power forward and another guard with Lewis' consistency. A big, quality center would go a long way toward boosting the Falcons into a contending position.

PROSPECTS FOR 1982-83

The Pointers stunned the WSUC and even some of their own backers with a co-championship with Eau Claire last season. Key to this outstanding season, 13-3 in the conference and 22-6 overall, was a stingy defense that allowed WSUC opponents an average of only 52.6 points a game, a league record. That kind of efficiency will be difficult to duplicate.

Plans for a repeat of 1981-82 become shaky when considering Coach Dick Bennett lost guards Jef Radtke and Kevin Kulas and centers Pete Zuiker and Paul Prochnow from the first Point team to figure in a basketball title since 1969. Kulas and Radtke finished one-two in conference assists last season with 6.9 and 4.3 a game, respectively.

Returning, though, are 6-4 All-Conference guard John Mack and a pair of 6-6 forwards, Fred Stemmeler and Brian Koch. Mack, who led his Milwaukee Tech team to a WIAA state Class A championship in 1979, made almost 54 percent of his field goal attempts and averaged 19.8 points a game last season. Stemmeler averaged 10.4 and Koch 6.6, but the latter made 61 percent of his shots. Brad Suderburg, a transfer from Ripon, and freshman Craig Hawley should help in the backcourt, but overall the Pointers lack size and strength.

PROSPECTS FOR 1982-83

How to replace the Blue Devils' leading scorer and assist man and the second leading rebounder is the dilemma facing Coach Dwain Mintz at the start of this season. All-Conference Craig Summers did all those things for his team last season but he's gone now and somebody must pick up the slack, if Stout is to rise above its 9-7 conference and 12-12 overall records.

Also gone are starting guard Mark Lofthus and reserve swingman Dan Hopfensperger. Summers, who ranked third in the WSUC with his 22-point scoring average, did most of the clutch scoring and that's an area Mintz frets about most--lack of scoring punch. The center position is strong for the first time in many years with the return of 6-9 Glen Braessler, last year's team leader off the boards.

"This is the key," Mintz emphasizes. Defense should be "tough" and the teamwork improved, but the coach added, "We need leadership on and off the court. The will to win will be an important factor." He believes competition for starting jobs should make the Blue Devils stronger and contribute to greater success than last season when they dropped some close games they could have won.

PROSPECTS FOR 1982-83

The Yellowjackets start the season with new Coach Christopher S. Ritchey and what their partisans hope will be a new era of prosperity for the beleaguered basketball program. Their fortunes have sunk progressively since Willie Reed and Anthony Watson led Superior to a second place finish in 1979. That team compiled an 11-5 conference record and 21-7 overall log that season.

Since the demise of the "Killer Bees" Superior cage teams have struggled, winning only two games in each of the past two seasons. Jim Gleboff resigned at the end of the season following back-to-back cellar finishes. His six-year record at Superior was 33-63 in the conference (62-97 overall). His 1978 team tied for second at 11-5 and was 18-9 during his second year at the helm.

Ritchey must rebuild almost from scratch. Six lettermen return but Superior's three leading scorers from last season--Jim Ewing, Fred Kindschey and Marvin Meeks--are gone. The leading returnee is 6-3 Ron Kelly, who compiled an 8.4 scoring average in 14 conference games. The squad needs size and mostly a winning attitude that comes with experience and confidence.

PROSPECTS FOR 1982-83

Whitewater looks like the team to reckon with at the beginning of a new WSUC basketball campaign. Coach Dave Vander Meulen can start the biggest team in the school's history, including veterans Jack Deichl (6-6), Mike Jeffery (6-8) and Mark Levenick (6-6). The Warhawks finished third (11-5) behind co-champions Eau Claire and Stevens Point last season, but challenged all the way.

Chief losses are 6-5 Tom Rheineck and 6-2 Scott Haevers, both four-year lettermen. But, All-Conference guard Andre McKoy, who averaged 20.7 points a game, returns. He should perform even more effectively this season, when Vander Meulen expects to relieve him of some responsibilities. Among the most pressing needs are better ball-handling and improved free throw shooting.

Two transfer students are expected to bolster Warhawk hopes of winning their first title since 1974. They are Mark Linde, a 6-8, 235-pound forward from North Dakota State, and 5-9 guard Anthony Brazzel from Madison Area Technical College. Linde averaged 17 points and eight rebounds as a freshman at NDSU and Brazzel, a former Madison East star, 25 points and five assists as "player of the year" in the Wisconsin Technical College Conference in 1982.
