WILLIAMS BAY, MAY 20, '37

No. 20

From a Sketch by Wm. Mereness

WATCH YOUR DRIVING !

The Village Officials are making their plans for safe driving within the village limits this Summer. The speed limits placed on Geneva Street are indicated and must be enforced for the safety of our citizens of all ages.

The crossings near the school and at Walworth avenue are our greatest danger points and must be watched carefully by all drivers.

It is also suggested that all local drivers be exceedingly cautious and obey the regulations and set the example to our visitors.

It is also suggested that parents warn their children to be more careful about walking on highways, especially on the concrete. It is quite the habit for small boys to play tag and games on the highway. Several times they have played tag in and out among cars parked in the business section and been so intent on their game that near accidents have barely been avoided.

The unusual situation of having Elkhorn Road and Walworth Av. so close causes a danger spot right in the center of the business district with cars turning on to the State Highway from opposite directions within a hundred feet.

The whole lake shore is a hazard to traffic and pedestrians and must be watched both by drivers and pedestrians.

ALWAYS HAVE YOUR CAR UNDER CONTROL AT THE INTERSECTION OF GENEVA STREET AND WALWORTH Avenue and ELKHORN Road, ALSO ALL ALONG THE PARK AND LAKE SHORE.

If all of us watch our step we can help to make this a safety spot in Walworth County which is well up on the list of the SAFE DRIVING COUNTIES.

KEEP TUESDAY, JUNE 1st FOR
VILLAGE PICNIC

The Annual Village Picnic will be held on Tuesday, June 1st at the usual place, Vision Hill and College Camp Golf Course.

The picnic is being held on Tuesday rather than on Monday as Memorial Day which precedes it is a busy day for all Williams Bay. College Camp opens its season early with a Conference on June 3 and the grounds will not be available after that.

Blair Plimpton was appointed general chairman by L.A. Hollister, president of the Men's Community Club. A partial list of the Committee assisting, is Bob Cook, Wm H. Freytag, Bud Johnson and Gordon Giddings, (County "Y" Sec.) Others will be called upon to help.

The baseball games will start at 2 P.M. Other games will be provided. Details in next week's issue.

BOY SCOUT CHICAGO TRIP

Seventeen tired Boy Scouts arrived home Saturday night from a busy day in Chicago. Rev. Victor Keiser, Prof. Van Biesbroeck, Charles Giaque and Scout Master Blair Plimpton accompanied them.

The first stop was at the packing plant of Swift & Co. where a tour of the plant and pens was made, and a very fine lunch was served them by the Company. Next the Municipal Airport was visited and several large liners seen leaving and landing. Lastly the Brookfield Zoo was toured.

There are 32 boys in the Scout Troop and their meetings are held in the Log Cabin across the Bay. On last Tuesday evening Mr. C.W. Hetzler of the Yerkes Observatory talked on "Warblers".

! ! A T T E N T I O N ! !

The Williams Bay High School play, "The Millionaire" will be given on Friday evening, May 28, instead of Friday, May 21, in the High School Auditorium. Please note change of date.

SHOWER GIVEN FOR BRIDE TO BE

A Miscellaneous Shower honoring Mary Ambrose was held Friday evening in the Community Room. Invitations were written on the backs of cards for a recipe file and each guest was asked to write a favorite recipe for the bride to be for her file which was started in school.

A Mock Wedding was held and caused a lot of fun. Mrs. Roy Johnson acted as the minister, Frances Ambrose was the bride, her father was Frances Boufford and the groom was Agnes Soplanda; Ethel Palm was flower girl and ring bearer. Music was played on the victrola.

Guests wrote advice to the groom and a book of picture silhouettes of life that tell and foretell had been prepared, and varied were the stories written on each page to describe the pictures. The guest of honor received a great many very lovely and useful gifts.

The lace cloth covered table with ivory tapers wreathed with violets, Lily of the Valley and ferns. The centerpiece was a cake crowned with a miniature bride and groom ornament which twelve years ago decorated the wedding cake of Mr. and Mrs. Mike Ambrose, uncle and aunt of the guest of honor. Dainty cup cakes, cookies and ice cream with heart centers, were served. Pink tulips and ferns were used for room decorations.

Ruth Ellen Ohl, the hostess, was a classmate, in fact went thru the kindergarten, grades and high school with both Mary Ambrose and Robert Anderson, whose marriage will take place Saturday, May 22.

Those in attendance—
Mmes Arthur Andersen, Joc Ambrose, Mike Ambrose, Sam Johnson, Granville Williams, Wm Burton, A.C. Ohl, Roy Johnson, Donald Weyhrauch. The Misses Mary Ambrose, Ruth Bergeman, Lily Johnson, Ardis Peterson, Ethel Palm, Agnes Soplanda, Frances Herman, Frances Ambrose, Elizabeth Henne, Frances Boufford, Betty Singer, Elsie Ambrose, Florence Werner and Ruth Ellen Ohl.

Tell them that you saw it in
" Bay Leaves ".

AN IDEAL DESSERT - For something a little different for your dinner Sunday a generous serving of Gridley ICE CREAM would make an ideal dessert. We have many choice flavors for you to choose from both in brick and bulk packages.

Enjoy a refreshing sodae or sundae made from Gridley's.

There was real excitement in the village business district last Tuesday afternoon when smoke was discovered seeping through the roof above Dr. Sander's office and from the cement blocks of which the building is constructed. Meantime Mrs. Sanders had smelled the smoke in the apartment at the rear of the office and had notified the doctor.

An overheated oil stove which had a pipe used only for ventilation, had become choked with carbon which had started to burn.

Several volunteers not members of the Fire Department were the heroes of the occasion. Bill Elbert, Mel Spence and Phil Fogle did valiant service. Chief Hansen was at the County Board Meeting and most of the other members of the regular Fire Department were at work. Elmer Hopkins got the fire engine at the corner before the arrival of the firemen. Art Anderson had the big hose ready in case there should be a burst of flames. George Krause wielded an ax on the roof and opened a hole into which Carl Bjorge fed a small stream onto the charred rafters. Louis Kaphengst and Lawrence Hollister, regular firemen were on hand.

All in all the few firemen and other volunteers did a good job and kept what might have been a serious fire from doing much damage.

Mrs. L.A. Hollister and Nancy Lou left on Monday for Tuscaloosa, Ala. where they will meet Eugene Hollister, who has been a student at the University of Alabama and return home by way of Evansville, Ind. where they will stop for a visit with Mrs. Hollister's sister, Miss Louise Brown, who is a teacher in the high school there.

Mr. and Mrs. Henry Reynolds of Fontana have leased the Plimpton residence on Parkhurst Place, recently purchased from the late Paul B. Jenkins estate, and will take possession June 1st. The Reynolds have three children who will enter the Williams Bay school in September...

VILLAGE BOARD CONSIDERS BILLS INTRODUCED IN STATE LEGISLATURE

The Village Board had word last week that bills had been introduced in the State Legislature which would give very large tax exemptions on religious and educational institutions in the state and was advised by the League of Wisconsin Municipalities of which our village is a member that it should give serious thought to the bills. These bills were introduced by a Milwaukee legislator.

Our village, which has within its limits an unusually large area devoted to such institutions would be particularly effected if such bills passed.

The Village Board accordingly met last Monday night and discussed the bills and went on record against or opposing the same. The Village President and several citizens attended the committee hearings on Tuesday in Madison, and telegrams signed by a score or more of citizens were sent to our representatives in both houses.

Mr. J.S. Hotton was present at the Board meeting and asked to be heard as a director of George Williams College Camp. He stated that there should be a spirit of cooperation with the camps and the educational institutions within our midst and that there should be a similar spirit on the part of the latter. He hoped that no antagonism might ever develop as they were really large assets in many ways to the village, with payrolls, publicity and purchases. In fairness to our local institutions it must be said that they had no part in the presentation of the bills referred to.

After several weeks of preparation, the annual Spring Flower Show will be ready to delight and instruct all the visitors at Lake Geneva on Saturday and Sunday, May 22-23.

There will be several new and surprising features this year, such as a Lily Pool, which is to many garden lovers the most fascinating of all garden features, reflecting

LISTEN IN ON RADIO STATION WLS next Saturday, May 22, at 12:30 CST, when Betty Ruth and Dorothy Helen Okeson will be on the program. They won this honor at the Lake Geneva Gardener's & Foremen's Show held recently, where they delighted the audience with their playing and singing. They attend our local high school and are daughters of Mr. and Mrs. Dan Okeson.

To Loren C. Taylor goes the honor or distinction of landing the first fish of the season at the Bay last Saturday morning. It was a nine pound or better, pickerel. Of course Loren, who is a guide had to make good his claims that the fish were there.

To be honest, the fish have been wary of the bait played out by skillful fishermen and very few can boast of catches this last week. The water is pretty cool and the fish have not come into the usual haunts. It will not be long with a few warm days before all who try their luck will be rewarded for their efforts.

Mr. and Mrs. L.H. Hennes have leased the Duncan MacLennan cottage on Collie St. for the season.

Mrs. John Ladd entered the Wakworth County Hospital Tuesday morning for an operation.

Friends of Mrs. A.A. Tapp in Williams Bay have received word of her death at Indianapolis, Indiana on May the 10th.

Mrs. Tapp was a former resident of Williams Bay and was the sister of Mrs. Andrew Carlquist of the village.

Burial was at Indianapolis on last Thursday.

Miss Mary Calvert is enjoying a two weeks vacation with her sisters, Bertha and Zilla, Nashville, Tenn. Her nephew, Ross Calvert of Chicago accompanied her on the trip.

Dr. and Mrs. Elliott R. Downing returned from Chicago on Friday where they were for a few days on business.

ANNUAL WOMAN'S BANQUET HELD AT
ROSE LANE HOTEL

The Eleventh Annual Williams Bay Woman's Banquet was held at the Rose Lane Hotel on Tuesday evening, May 18. One hundred twenty-six ladies were present including guests from Lake Geneva, Elkhorn and Delavan.

Before the group was seated for the banquet they greeted the members of this year's committee and the committee for next year's banquet. Hand decorated cards tied with colored ribbons bearing memory gems were given to those present by which they were to choose their table, matching the ribbon color.

Carl Cable Bjorge played a group of piano solos while the guests were being seated.

Mrs. Walter Jewell, Chairman, in behalf of her committee thanked the ladies for their cooperation and the members of her committee for their splendid work done.

Mr. Charles Giauque sang in his usual pleasing manner, two vocal solos, "Where'er You Walk" by Handel, and "Give A Man A Horse He Can Ride" by O'Hare.

The tables were beautifully decorated in Spring flowers, tulips, jonquils, Lily of the Valley, Narcissus. Yellow and green tapers were in the center. Large vases of apple blossoms and Forsythia were placed around the diningroom and large living porch.

The address, "My Unique Collection of Goat Feathers" by Dr. Regina Westcott Wieman of Chicago, was most interesting and greatly enjoyed.

"We all have some "goat feathers", things that have the appearance of value but are of no value to us." We should choose interests in our lives that are of some value to us. Do not belong to a church for its activities; get some real personal benefit from the association it brings to you. An interest in anything should be for the good of us.

Diversion is something that we run away from after we have had all we can stand of it ourselves.

If we try to keep pace with the

(continued)

modern styles and trends, we will be sure to collect some "goat feathers".

If you spend your time teaching your child to curtsey it is just a "goat feather", nothing of any value to him.

Mrs. Robert Cook was chosen to act as chairman for the 1938 banquet. She in turn chose her committee as follows-Mmes. Gerard Kuiper, Robert Anderson, Sidney Kachel, William Morgan, Arvid Thompson and William Freytag.

"Taps" was sung by the group-

Day is done,
Gone the sun
From the lake, from the hill
from the sky;
Rest in peace, all is well
God is nigh.

Thus the curtain on the 1937 Williams Bay Woman's Banquet was rung down.

WALWORTH COUNTY BRANCH A.A.U.W.
MEETS AT ROSE LANE

The annual dinner and business meeting of the Walworth County branch of A.A.U.W. was held at the Rose Lane hotel Wednesday evening. Officers were elected for the year as follows-President, Miss Blanche Kinney, Elkhorn; Ruth Dickinson, Lake Geneva, 1st Vice Pres; Miss Helen Sagl, Whitewater, 2nd Vice Pres., Mrs. Wm Morgan, Wms Bay, Treasurer.

Reports were made of the State Convention held at Oshkosh, and Mrs. E.G. Buzzell, Delavan, reported on the National Convention which was held at Savannah, Ga.

Mrs. Volmer Sorensen, Chairman of the Membership Comm. reported there were nineteen universities and colleges represented in the Walworth County A.A.U.W.

Members from Wms Bay attending were- Mmes J.S. Hotton, Storrs Barrett, Volmer Sorensen, Wm Morgan, H. Länden; Misses Ruth Bergeman and Mary Hussa.

Carl-Gable Bjorge, pianist, Dorothy Flitcroft and Charles Giauque, alto and tenor soloists, winners in the District High School Music Festival, were the musicians for the evening.

DOGS

Dogs are getting a great deal of publicity in Chicago and other cities at this time, due to the spread of rabies, which is about the worst disease known in medical history for its contagion, and stray dogs are found to be the ones which spread the disease.

The village has an ordinance which proclaims that dogs should be kept on the owners premises from April 15 to September 15 unless they are on a leash. At the time the ordinance was passed it was placed there primarily because of the damage done to gardens. Rabies was rather uncommon then but it seems to be on the increase and makes another reason for having such an ordinance.

The enforcement of such an ordinance in a village such as ours is rather difficult as we have no full time police officer to be on the lookout for offenders, and besides we are all neighbors. The enforcement is therefore a matter of each of us being in sympathy with the spirit of the ordinance and doing our part to keep its provisions.

The Village Assessor has already listed 39 dogs and is not yet finished. It is part of his duty to make such a list and all owners, must by the State law, have dog licenses. The fund so collected by the local treasurer is turned over to the County Treasurer and is used to pay damages on claims for sheep killed by dogs or other damage traced to dogs. In fairness to one's neighbors who values his pet enough to secure a license, every owner should get a license or get rid of his dog, or the law removed from the statutes. The latter is not likely to be done, so the enforcement of the law must go on.

The matter was discussed by the Village Board last Monday night and the editor of "Bay Leaves" was asked to call the matter to the attention of its readers. The members of the Board feel that all citizens of the community are willing to cooperate and not cause unnecessary additional expense to enforce the law.

GENEVA LAKE OBSERVER TO RESUME
JUNE 17th

The publisher wishes to announce "Geneva Lake Observer" will be resumed on June 17th. The articles "The Yerkes Observatory" and the "History of Geneva Lake" will be omitted from the issues of BAY LEAVES until that time as they will be a regular feature of the "Geneva Lake Observer". The reason for waiting until that date to resume is that a mailing list is being prepared of all families living not only on the lake shore but in the subdivisions having shore rights.

The June 17th number will be an attractive issue and will have a full coverage circulation of the shore residents. It will be an exceptional advertising medium for business firms who wish to place their wares or services before this group. No other single publication is covering this entire field. Most of the summer colony will be at their homes at that time for the summer season.

THE BELFRY PLAYERS

The summer program of the Belfry Players will officially get under way next Sunday, when William Ziegler Nourse of Chicago, will be at the theatre to cast the first play of the season, "Fresh Fields". Mrs. George Hotton has asked that any members of other little theatre organizations which are inactive during the summer months, or any people interested in any phase of play production, make themselves known to the local group by applying for summer membership.

Mrs. Alfred Hotton was hostess to the members of the Wednesday Bridge Club at her home.

Miss Lillian Ness is enjoying a months vacation trip to California and other western states.

Mr. Carl Osman has rented the W.C. Dean house on Geneva St. and will move into it soon.

HOLLISTER LUMBER CO. OFFICE
REMODELED

NEWS ITEMS

Hollister Lumber Co. has made a real improvement at their corner. Not only has the exterior received a covering of Red Cedar Shingles, but the interior has been remodeled and decorated.

A weatherwood ceiling, Temple Tile Board Wainscoating, and Plywood Walls greatly add to the attractiveness of the office but serve a double purpose in displaying these products.

In his private office, Lawrence has various kinds of panels- Oak, Bird's Eye Maple, Red Cedar, Birch, Figured Red Gumwood, Quarter Sawed Oak, Mahogany, Fir, Sap Gumwood and Black Walnut, Yellow Pine.

Hotton & Sons have made several rentals of lake shore homes already this Spring, among them being:

The E.A. Peterson home in Loch Vista to William H. Seymour of Chicago, who has been a Summer resident here for several seasons.

The C.O. Johnson home in Cedar Point Park to John H. Millar of Chicago.

The George Taylor Cottage in Congress Club to A.K. MacMaster of Chicago.

Wm F. Schuth residence, on Shore toward Fontana, to D.E. Johnson of Rockford.

Dr. J. Murney Nicholson, South Shore to H.A. Kielum of Chicago.

The sale of Hotel Minear reported last week to First Presbyterian Church Aurora was made through Hotton and Sons, also the Burris Home to Eber J. Hubbard of Berwyn.
