The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

GRADE 1 – UNIT 9

OBJECTIVES:

1. The students will be able to play a Simon says – like game involving parts of the body.
2. The student will do simple addition in Oneida
3. The student will count objects already identified (using incorporated counting).
4. The student will describe his/her own actions and those of the person being spoken to (first and second persons) (taken from list of first grade verbs).
