We took Aunt Sophie with us and had such a good time too. We took a long ride back and were very happy too over it all.
Saturday June 14

It has not been so very pleasant today and may little one could not go outside as much as you wanted to this afternoon.

After dinner Maroon gave you both a good bath and you went to bed much refreshed and very happy too. You both woke up so much interested in doing lots to entertain Maroon.

Then after supper spent part of the evening at Aunt Berriez.
