The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

HISTORY:

The THISTLE was in the passenger and freight service on Lake Winnebago and the Fox River of Wisconsin, out of Oshkosh. In the fall of 1915, she stranded at High Cliff, northeast end of Lake Winnebago. Last listed in 1915.

US Custom House record of February 20, 1900, states her former name as J. H. CRAWFORD (vessel was not enrolled).
