

Hi , LeRoy -

Just a few comments about what's on the tape -

Tape counter -

0 thru 35 - Waltz # 9 - Happens to be the latest of nine waltzes that I've written -
37 60 - Violin Waltz - I'd love to hear this one again on an old-time fiddle -
62 77 - Haugen Bros. Waltz - That's probably who was playing it sixty years ago -
77 123 - Hopwaltz - I've never heard it played anywhere outside the Durand area -
125 154 - Waltz # 8 - Another of my recent compositions -
156 177 - Veil Waltz - Would sound much better if played right - I messed it up -
177 200 - Isaac's Waltz - I wrote it , but I've never heard it done as it should be -
200 223 - I don't know the name - I'll call it the Stutter Polka -
225 258 - Somebody New - Horrible voice - but good instrumentation. One of my first -
259 291 - Isaac's Waltz - with bad vocal -
292 325 - Depend On The Lord - I wrote it - and that's the way I see it -
326 343 - After All - Another of my first compositions -
344 367 - Schizophrenic - Pretty close to the truth - I'll admit it -
367 391 - Time Alone - This song was on the jukeboxes around Sioux Falls , So. Dakota
back in 1942 . For sentimental reasons , I'd be glad to give a hundred
dollars if someone could come up with the original recording of it .
392 415 - Twenty-fifth Anniversary Waltz - another little attempt at humor -

I appreciate your stopping by - and I hope you find something of interest to you
in this crazy collection .
