3.
Love can never-more grow old,
Locks may lose their brown and gold;
Cheeks may fade and hollow grow;
But the hearts that love, will know
Never, never winter's frost and chill;
Summer warmth is in them still,
Never winter's frost and chill,
Summer warmth is in them still.

Chorus

4.
Love is always young and fair,
What to us is silver hair,
Faded cheeks or steps grown slow
To the hearts that beat below?
Since I kissed you, mine alone, alone,
You have never older grown,
Since I kissed you, mine alone,
You have never older grown.
