NORTHWESTERN ICE YACHTING ASSOCIATION REGATTA

This weekend, January 26th thru 28th, Williams Bay will be the scene of one of the most thrilling sights in the country. Between fifty and seventy-five ice boats will be flashing back and forth across the Bay, hiking at all angles; and out of this melée will come champions in four classes- A-B-C and E - of iceboats. The class winners will be decided by the "horse race system"; that is the winners will be picked by the best three out of five races.

The opening race will start at 2:00 P.M. Friday and thereafter the morning races will start at 9:30 and the afternoon races at 2:00 P.M.

The officials and judges have been named as follows: Ben Lampert of Oshkosh, Commodore of the Northwest Ice Yachting Association; and Lyman Dwight of Milwaukee will be officials: Judges will be Starcky Meyers, Arnold Meyers and Henry Meyers of Milwaukee.

The local Skeeter Club will be hosts for the regatta and will maintain their headquarters in "Spence's". The following members of the local club are in charge of arrangements: Chas.H. Sawyer, secretary; Chester Granath, Commodore; John Clifford, Robert Ferris and Franz Koehler.

The committee expects entries from Madison, Neenah, Oshkosh, Pewaukee, and Menominee, Wisconsin; Detroit and Gull Lake, Mich.; and from Fox Lake, Ill.

With the ideal weather conditions that have prevailed so far and promise of the weather man for a good, clear weekend, all indications are for a successful and exciting regatta. All iceboat fans please cross their fingers, to help out the weather man.

More details about this meet will be published next week.

These races combined with the Tobogganing, Skiing, Skating, etc. make a complete program of activities for the week-end. Come on up and enjoy them. Hundreds are expected by train and auto.

Dear Mr. Van Epps:

I see according to "Bay Leaves" the Men's Community Club wants 100 members for 1940.

Being a property owner in Williams Bay, I feel that it is my duty to join.

I am enclosing \$1.00 for my membership.

Being in and out of the Bay, it will perhaps not be so often that I can attend the meetings, but never the less I feel that by joining now, it will help and encourage our little town to go forward.

I notice the names published and might say, how can anybody pass up joining so fine a bunch of men?

Harry N. Bryant,

59 Spring St., Williams Bay, Wis.

Another letter came this week from A.H. Furlong who is wintering at Hot Springs, Ark. enclosing a dollar for his membership.

YOU ARE APPOINTED TO REPRESENT
THE EDITOR IN YOUR COMMUNITY.

Last Fall the editor told of the plan for distribution of "TITLE DEED TO OUR RIGHTS" in one of the issues of "Bay Leaves".

A copy of the Constitution was mailed to quite a number of the readers. Now we are delivering several thousand copies to Y.M.C.A.'s, Veterans of Foreign Wars, etc.

In a recent resolution adopted by the Young Men's Christian Association National Board we quote in part, "The preservation and enhancement of democracy should be of primary concern to all citizens in the present hour. Challenges which cannot be ignored have arisen in recent years to shock all of us out of complacent acceptance of the heritage won with such difficulty by our forefathers."

The crowning glory of the American Constitution is the Bill of Rights. The most important privileges we enjoy under our form of government are freedom of worship and freedom of speech and assembly as stipulated in Article 1. The possession of these basic rights is the best guarantee that democracy will remain flexible, responsive to changing conditions, and contributory to the highest spiritual values."

The struggle to realize democracy should be carried on along sane lines in keeping with American ideals."

Note: The editor will be glad to send mimeograph copies of the Resolution in full on request.

Meantime: Here is what I ask of you as a loyal reader of "Bay Leaves". Send for a revised copy of "Title Deed to Our Rights" and place it in the hands of your local Y.M.C.A. Secretary, President of the Rotarians, Kiwanians or Lions Club, or if you are a member of the American Legion or veterans of Foreign Wars, in the hands of the Commander.

SUBSCRIPTION CAMPAIGN NOW ON

Nearly every one who receives this copy of "Bay Leaves" is a subscriber now or was last year.

The subscriptions are as follows:

Summer alone - 50¢

Summer and occasional copies during the rest of the year- say 30 numbers or more during the year - \$1.00

Many others wish all the copies- there were 51 last year- many of local news- pay postage extra which makes about \$1.50 for the year.

Again others have felt that the "Bay Leaves" in the distribution of hundreds of free copies during the summer - with clean, wholesome accounts of happenings - historical data, etc.- so helped keep up the traditional Lake Geneva Spirit that they have contributed as Sponsors the sum of \$5.00 annually. One good reader has sent \$10 to help.

Will you choose the classification which appeals to you and mail the amount this week.

Even the merchants and advertisers and there were 175 of them last year pay subscriptions.

"Bay Leaves" will be better than ever this year, especially if you will cooperate by sending news, articles or suggestions.

F.M. Van Epps, Editor, Williams Bay

It is very neatly printed. We have added the "Declaration of Independence" which should be read in conjunction with the Constitution.

We are making a special offer of \$5.00 for 100 copies with the name of the organization distributing them, on the cover.

All reference to "Knights of America" is left out.

LARGE CROWD AT THE BAY LAST SUNDAY FOR WINTER SPORTS

Between five and six hundred people came to Williams Bay on last Sunday, January 21, to take advantage of the ideal weather and the attractive winter sports. The toboggan slide on Recreation Hill north of the village, drew a capacity crowd all day. Thirty-five cars were parked near the slide during the afternoon, as well as many being seen parked along the lake shore highway, and the Chicago Northwestern railway brought a large number. Skiing, skating and ice-boating attracted many, in all it took on the air of the good "old summer time", when we noticed the crowd on the lake and the many cars parked, only the apparel worn was "longies" instead of the summer "shorts."

Mrs. Lawrence Hollister, Clover street, was hostess to the members of the Williams Bay Woman's Club for their meeting last Friday, January 19.

Homemakers as Consumers was the study topic for the meeting. Mrs. Donald Gates presented papers on "The Consumer Movement"—"What It Is and Where It Is Going," "Milk For America," "Off The Grocery Shelf," "Costs The Consumer Carries." Mrs. F.M. Van Epps had papers on "Meat For Millions," "What About The Bread You Buy," "Homemakers As Consumers," "The Consumers Debt To Advertising." Mrs. Victor Hansen presented papers on "Staple Fabrics and How To Know Them," "A Primer On Rayon," "The Finish of Fabrics."

Women in America are the beneficiaries of 80 per cent of all life insurance policies; they hold 65 per cent of all savings bank accounts; 48 per cent of railroad stocks; 44 per cent of public utility securities; and 40 per cent of the real estate. They make 85 per cent of all family purchases and represent about 40 per cent of the common and 50 per cent of the preferred stockholders of 41 large corporations, and own 54 per cent of the registered bonds. Mrs. America represents 130,000,000 consumers in United States and as the purchasing agent for her family is the nation's most important economic figure. Her most pressing problem is how to stretch the family income. She buys practically 100 per cent of what her children eat and wear, and her responsibilities increase daily.

FERRIS AND KEIFER TOP SKEETER RACES

Sailing the Sunday morning races in a stiff wind, so strong that the women's races had to be called off, Robert Ferris and his "Grumpy" flashed around the course to start the day off right with a first in the Class A races. Don Campbell followed right after to take second place with his "Holy Smoke III". Third place went to Stan Johnson skipping his "Mercury".

Class B races were again won by the old standbys that seem to have a monopoly on the first three places. George Keifer, Jr. in his "Gee-Kay", was first; Charles Sawyer sailing "Sandy" trailed him across for second; leaving Fred Clifford, Jr. in "Weasel", having to be content with third.

The wind held strong all day and the afternoon races were just as thrilling and fast as the morning ones. Bob Ferris was no longer "grumpy" when he finished the afternoon Class A race, being winner for the second time that day. Second and third places changed hands, going to Chuck Edwards skipping his "O-lie-O-My", and Jack Vilas, Jr. in "Susie Q-III", in that order.

Class B races were a repetition of the morning winners. George Keifer made his day a thousand per cent perfect by again taking first. Charles Sawyer and Fred Clifford followed in line the same as in the morning races, clinching their monopolies on their respective places.

WILLIAMS BAY HIGH SCHOOL TEAM TOPS LEAGUE

Playing sparkling basketball all season, the Bay has won 4 out of 5 games to average .800 Pct, to lead the Southern Regional Conference. With five more games remaining to be played, the outcome is by no means certain. However, the boys have demonstrated that they have the ability. So now, if the coach's bugaboo—over-confidence, doesn't crop up, this should be the season for Williams Bay High School.

Last Friday, the 19, a conference game was played at Genoa City. Williams Bay, paced by N. Johnson, Forsberg, and Hess, won 21-13.

Wednesday night, this week, in a non-conference game against St. Mary's of Burlington, Williams Bay again came out on the long end of the score, 36-18.

Hess, Van Biesbroeck, Lockwood and N. Johnson were the local scorers for the local club.

This Friday night Palmyra will attempt to topple Williams Bay from its League leading position, when the Bay travels to Palmyra for a conference game. Coach Robert Cook is hoping the unforeseen will not happen to rob him of another win.

FIRE DOES CONSIDERABLE DAMAGE AT L.E. MYERS' ESTATE

On last Thursday evening when the thermometer stood at 23 degrees below zero with a strong wind blowing, fire destroyed a caretaker cottage, and damaged a greenhouse on the L.E. Myers' estate on the south side of the lake.

Mr. and Mrs. Otto Seawert, who occupied the cottage were awakened by flames crackling in a room near their bedroom, and barely had time to dress and get outside. The greenhouse is heated from the furnace which also heats the cottage, which the latter burned, one end of the greenhouse was exposed, thus exposing \$7,000 worth of orchids to the extreme cold, causing a loss of a great number of choice varieties raised on the Myers estate.

moved one party out to a sub-

It happened during the real cold

full of snow.

Our Highway Chairman, L.A. Rasmussen
was informed that the party
was so pleased with the assistance
he received in having the road
cleared out and sanded that he made
the statement, "If that is the way
you treat folks out here, I am going
to buy a lot and build a home in
Williams Bay."

Men's Fellowship Group Held
Last Monday Night.

A very interesting speaker from
Beloit gave the address at the
Men's Brotherhood. He was the
Reverend Richard Swanson, pastor
of the Mission Covenant Church.

He presented the Parable of the
Good Samaritan in a different
manner than ye editor had heard
before.

Before the robbers had not been
mentioned only casually. This
speaker emphasizes the fact that
they represented one of three
classes of people- namely those
who want something that some
else has and are bound to get it
somehow.

The priest and Levite repres-
ent that portion of life who
feel sorry for the unfortunate
but are disposed to let them
work out their salvation as best
they can.

The third group are those who
try to do the Jesus Way.

Oyster Soup, Sandwiches, Cake
and Coffee were served.

Leo Frey is President. M.T. Peter-
son is the Class Teacher.

Carl Osman and Albert T. Anderson
served the refreshments.

The group meets on the third
Monday of each month. Men of the
village are invited to fellowship
with them.
